

So I have very serious concerns about the danger posed in the Energy and Water portion of this bill. It cuts vital clean energy initiatives, even as gas prices surge because of the President's reckless policies. It attacks job-creating investments in transformational energy technologies and slashes funding for critical nuclear nonproliferation priorities.

In terms of the children of whom I spoke earlier, this GOP bill also includes unacceptable poison pill riders that permit deadly firearms to be carried on public land, assaults the clean water our children drink, encourages pollution of our oceans, and pushes our Nation's already endangered species toward extinction.

This bad bill is a first step in the Republicans' plan to choke off funding—and this is really the critical part of it for me—for vital Democratic priorities for America's families later in the appropriations process. It paves the way for their plan to starve key investments in health, education, and good-paying jobs for communities across the country.

Mr. Chairman, the Republicans are wasting everyone's time when we should be focused on meeting the urgent needs of the American people. The majority has spent this entire Congress stacking the deck for special interests, as they do in these poison pills in this bill, while undermining the interests of families.

The Democrats are focusing on what matters in the lives of the American people. We are committed to giving the American people A Better Deal: Better Jobs, Better Pay, Better Future; and for our children, not to promote air pollution, which is what this bill would do, but to eliminate it.

I urge my colleagues to join in voting "no" on this bill for our economy. You know what the sad part of it is: it is so close to doing a better job for the American people. The poison pills take it in a bad direction. The process under which it was put forth is harmful to other priorities that I know we share in a bipartisan way across the aisle.

Hopefully we can work more closely as we go forward in a bipartisan way. That is the tradition of the Appropriations Committee.

Mr. Chair, I yield back the balance of my time.

Mr. FRELINGHUYSEN. Mr. Chair, I move to strike the last word.

The Acting CHAIR. The gentleman from New Jersey is recognized for 5 minutes.

Mr. FRELINGHUYSEN. Mr. Chair, with all due respect to the minority leader, the process has been collaborative, Republicans and Democrats. These are the three bills that have historically received both Republican and Democratic support. They embody American values.

What could be more important than looking after our veterans and their families? Energy and water, infrastructure. We are enormously proud of the

work of both the chairs and ranking members. I urge Members, both Republicans and Democrats, to support these bills, as they historically have done, and look after the interests of the American people, especially those who serve in our military today and those who have paid the supreme sacrifice.

Mr. Chair, I yield back the balance of my time.

□ 1030

Mr. FRELINGHUYSEN. Mr. Chairman, I move that the Committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. ZELDIN) having assumed the chair, Mr. BYRNE, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 5895) making appropriations for energy and water development and related agencies for the fiscal year ending September 30, 2019, and for other purposes, had come to no resolution thereon.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess for a period of less than 15 minutes.

Accordingly (at 10 o'clock and 31 minutes a.m.), the House stood in recess.

□ 1045

AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Mr. BYRNE) at 10 o'clock and 45 minutes a.m.

Will the gentleman from Iowa (Mr. YOUNG) kindly take the chair.

□ 1046

The Clerk read the title of the bill.

The Acting CHAIR. When the Committee of the Whole rose earlier today, amendment No. 38 printed in part B of

So the amendment was rejected.

The result of the vote was announced as above recorded.

The Acting CHAIR (Mr. MARSHALL). There being no further amendments under House Resolution 923, the Committee rises.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. BYRNE) having assumed the chair, Mr. MARSHALL, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 5895) making appropriations for energy and water development and related agencies for the fiscal year ending September 30, 2019, and for other purposes, and, pursuant to House Resolution 923, he reported the bill, as amended by that resolution and by House Resolution 918, back to the House with sundry further amendments adopted in the Committee of the Whole.

The SPEAKER pro tempore. Under the rule, the previous question is ordered.

Is a separate vote demanded on any further amendment reported from the Committee of the Whole? If not, the Chair will put them en gros.

The amendments were agreed to.

The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

MOTION TO RECOMMIT

Ms. KUSTER of New Hampshire. Mr. Speaker, I have a motion to recommit at the desk.

The SPEAKER pro tempore. Is the gentlewoman opposed to the bill?

Ms. KUSTER of New Hampshire. I oppose the bill in its current form.

The SPEAKER pro tempore. The Clerk will report the motion to recommit.

The Clerk read as follows:

Ms. Kuster of New Hampshire moves to recommit the bill H.R. 5895 to the Committee on Appropriations with instructions to report the same back to the House forthwith, with the following amendment:

Page 135, line 12, after the dollar amount, insert “(reduced by \$10,200,000)”.

Page 131, line 9, after “September 30, 2020” insert “, and \$10,000,000 shall become available on October 1, 2018”.

The SPEAKER pro tempore. The gentlewoman from New Hampshire is recognized for 5 minutes in support of her motion.

Ms. KUSTER of New Hampshire. Mr. Speaker, this is the final amendment to the bill, which will not kill the bill nor send it back to committee. If

adopted, the bill will immediately proceed to final passage as amended.

As a member of the House Veterans' Affairs Committee, I have made robust funding for veterans' healthcare and benefits a top priority.

New Hampshire is one of only three States without a full-service VA Hospital, which creates unique challenges for Granite State veterans' access to care, particularly in the rural parts of my State.

Thankfully for the veterans of New Hampshire and the Nation, this Congress came together to pass historic bipartisan reform for the VA Community Care program, known as the Veterans Choice Program.

That program provided veterans a choice to see their preferred healthcare provider within their community. However, in the wake of the Phoenix VA scandal, the implementation of this program fragmented veterans' care, according to GAO reports, and even extended wait times for veterans using the Choice program.

Reform was much needed, and I was proud to cosponsor the bill known as the VA MISSION Act that would streamline healthcare and ensure continuity of care for those who have "borne the battle."

VA has some of the best healthcare in the country, healthcare that is specialized for the unique wounds of war, both seen and unseen, and healthcare that is provided by physicians experienced in understanding veterans. Integrating it with the rest of our Nation's healthcare is paramount to improving veterans' quality of life.

Yet, despite this historic act of Congress, the Trump administration has indicated that they would not only spurn the will of Congress, but undermine the very system of integrated healthcare that veterans have demanded. This last week, the administration has deemed it necessary to purposefully underfund portions of the reform because it did not meet their desired outcomes.

In other words, and let's be frank, the administration wanted to privatize the VA and was displeased that the Senate, the House, and a near unanimous group of veterans service organizations had worked together to create a common-sense, integrated healthcare system to ensure that veterans received the best care possible.

The possibility that the administration undermines the VA's Community Care program should not be taken lightly. And since the start of this administration, we have seen leaked memos that show the true intent to circumvent the will of Congress and, most notably, to slash homeless veterans' funding at a time when homelessness is on the rise.

My motion to recommit will provide additional funding to the VA medical services account, will ensure that VA hospitals will have the funding to help address the persistent provider shortages that stymie the delivery of qual-

ity medical healthcare for our veterans and will provide the resources they need to give veterans the healthcare they deserve.

It is unconscionable that this administration would purposefully pull the rug out from underneath our veterans by denying them access to convenient care and preferred medical providers. It is time we put partisan politics aside and come together to ensure that all veterans can go to the VA medical centers and receive the care they need.

Mr. Speaker, I yield back the balance of my time.

Mr. FRELINGHUYSEN. Mr. Speaker, I rise in opposition to the motion to recommit.

The SPEAKER pro tempore. The gentleman from New Jersey is recognized for 5 minutes.

Mr. FRELINGHUYSEN. Mr. Speaker, each year, it is our constitutional duty to provide funding for the Federal Government. We began that process on the House floor yesterday, considering three very important funding bills: Energy and Water, Legislative Branch, and Military Construction and Veterans' Affairs.

□ 1130

Mr. Chairman, these three bills focus on bipartisan values, caring for our veterans and military families, rebuilding our Armed Forces, strengthening our national security, and investing in critical and essential water and energy infrastructure. These are among the highest priorities as Congressmen and women. Please vote against the motion to recommit and support this bill.

I yield back the balance of my time.

The SPEAKER pro tempore. Without objection, the previous question is ordered on the motion to recommit.

There was no objection.

The SPEAKER pro tempore. The question is on the motion to recommit.

The question was taken; and the Speaker pro tempore announced that the noes appeared to have it.
