

EXTENSIONS OF REMARKS

HONORING JAMES CARL
ASCHBACHER

HON. JIMMY PANETTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, August 24, 2018

Mr. PANETTA. Mr. Speaker, I rise today alongside my colleague, Congresswoman ANNA ESHOO, to recognize the life and legacy of a beloved member of our community on the central coast of California. James Carl Aschbacher passed away on April 25, 2018 with his wife and several dear friends at his side. While his time on this earth may seem short at 66 years, those who knew him understand that he was someone who made the most out of every moment given to him by following his passion and serving his community.

Born October 9, 1951 in Evanston, IL, James began his career as the proprietor of Atlantis FantasyWorld Comic Book Store with his partner, Joe Ferrara. At the age of 40, James discovered his passion for art and gave up retail to pursue art full time. As many talented artists are, James was entirely self-taught and quickly created a positive reputation for his whimsical and distinct style within the Santa Cruz arts community. He created numerous amazing works of art, but was perhaps known best for his pieces involving figures and animals surrounded by magical symbols.

James also found ways to use his unique talents to serve his community. He was a popular Open Studios artist for over 25 years, and the Chair of the Open Studios Committee for the Arts Council of Santa Cruz County. In addition, he devoted himself to arts education by leading 4th and 5th grade students to create murals at various elementary schools in Santa Cruz County where he helped students to create and paint their own creatures.

James had a genuine love for Santa Cruz and its residents, and the feeling was mutual. Those of us lucky enough to have met or spent time with him remember his enduring kindness, generosity, good humor and work ethic. In life, every day was a celebration for James. We, as a community, celebrate his legacy and a life well lived. Mr. Speaker, I ask that my colleagues join us in honoring the life of James Carl Aschbacher.
