HONORING THE OUTSTANDING GRADUATES OF JOHN J. PERSHING INTERMEDIATE SCHOOL 220

HON. NYDIA M. VELÁZQUEZ

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, June 18, 1999

Ms. VELÁZQUEZ. Mr. Speaker, it is with great pride that I ask you and my colleagues to join me in congratulating special graduates of the 12th Congressional District of New York. I am certain that this day marks the culmination of much effort and hard work which has led and will lead them to continued success. In these times of uncertainty, limited resources, and random violence in our communities and schools, it is encouraging to know that they have overcome these obstacles and succeeded.

These students have learned that education is priceless. They understand that education is the tool to new opportunities and greater endeavors. Their success is not only a tribute to their strength but also to the support they have received from their parents and loved ones.

In closing, I encourage all my colleagues to support the education of the youth of America. With a solid education, today's youth will be tomorrow's leaders. And as we approach the new millennium, it is our responsibility to pave the road for this great Nation's future. Members of the U.S. House of Representatives I ask you to join me in congratulating the following students from IS 220: Salutatorian, Weva Kalidahanova; Valedictorian, Carol Chan.

FAMILIES FIRST ACT

HON. TOM BLILEY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 18, 1999

Mr. BLILEY. Mr. Speaker, in time for Father's Day, I have introduced the Families First Act with Representatives JAMES OBERSTAR, DAVE CAMP, BOBBY SCOTT, DAN BURTON, EARL POMEROY, and JIM DEMINT. This bill that would make adoptions more affordable and provide children with loving homes. Sadly, many families wanting to open their homes and provide love to children are unable to do so because of the extremely high costs of adoption, which range from \$8,000 to \$25,000. We want to alleviate these costs so that all children are given the chance to belong to a family.

The bill would allow penalty-free withdrawals of up to \$5,000 from IRAs for adoption expenses. In recent years, Congress has allowed penalty-free withdrawals for home expenses and college education. The Families First Act would allow people to save the penalty money from early IRA withdrawal and put it toward their children's education. Our bill would enable families to borrow money from themselves to start a family, as opposed to taking out a second mortgage or depleting their savings accounts.

It would also repeal the December 31, 2001 sunset for Employer-Supported Adoption ben-

EXTENSIONS OF REMARKS

efits and make it permanent law. The Families First Act would exclude, for taxation purposes, any adoption benefits people have received from their employer. It is imperative that employers are supportive when employees decide to give a child a home, whether through adoption or birth. Many businesses provide adoption benefits to their employees, and we should do all we can to further promote these benefits.

The Families First Act is a bipartisan bill that emphasizes the importance of placing families first. When it comes to providing a child with a loving home, families must come first—not the IRS. By increasing the options for parents struggling to afford the high costs of adoption, the Families First Act will increase the number of children who will finally have a place to call home next Father's Day.

HON. CURT WELDON

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Mr. WELDON of Pennsylvania. Mr. Speaker, I rise today to honor and pay tribute to my good friend and colleague, Dr. Rocco Leonard Martino, on the occasion of his 70th birthday. Dr. Martino is a pioneer and international authority in the planning and use of computers, as well as a member of the board of Rome's prestigious Gregorian University.

Highlights of Dr. Martino's career include graduating Summa Cum Laude from the University of Toronto in Mathematics and Finance, earning a Ph.D. from the Institute of Aerospace Studies for work in the re-entry of Space Vehicle and receiving an honorary doctorate from Neuman College in 1993 for his contributions in Information Technology. Dr. Martino served as a Professor of Mathematics and Engineering at the University of Waterloo and at New York University, is the founder and Chairman of the Board of CyberNet Group, Inc. and recently completed 25 years of service as Chairman and CEO of XRT, Inc. In his role as a board Member on Rome's Gregorian University he serves as a consultant in the designing of one of the most advanced academic computer systems in the world. A devout Catholic, Dr. Martino is a leader in his local parish, St. Katherine of Siena in Wayne, PA and was formerly president of the Fathers' Club at both St. Aloysius Academy and St. Joe's Prep. Dr. Martino has managed to find a balance between two of his passions, theology and technology, and has contributed enormously to both fields.

13599

Dr. Martino is nothing less than a visionary whose inventions and ideas are bringing computer technology into the next millennium. Yet, even though his scholarly title abbreviations run the alphabet in length (literally 26 letters long,) Dr. Martino will be the first to tell you that the most important thing in his life is not his inventions or titles, but his family. He is the embodiment of hard work, integrity and vision and I applaud his dedication to both his work and his family. I am proud to have Dr. Martino as my constituent, but I am even more honored to have him as my friend.

Mr. HOYER. Mr. Speaker, I rise today to honor an extraordinary woman, Mrs. Marie Crump, as she celebrates a birthday and as the community celebrates her years of leadership and service to Prince George's County.

Mrs. Crump began her service to Prince George's County in the 1950s when she became active in the 14th District Democratic Club and was elected treasurer. She also became quite active with the Young Democrats and soon distinguished herself as an invaluable resource of effort and knowledge.

In addition to volunteering for campaigns, Mrs. Crump also volunteered her time in service to Prince George's County's nonprofit community. She served as the local chair for the Red Cross, The Community Chest and the March of Dimes. In 1962, Mrs. Crump was selected as the Mother's March Chair for Birth Defects of Prince George's County and served in that capacity for 5 years.

As she retired in 1979 from an illustrious career with the County Treasurer's Office, she joined the Board of Directors for the Prince George's Civic Opera and has since devoted countless hours to its development for the enrichment and enjoyment of all Prince Georgians.

Mrs. Crump has spent over 40 years working to improve Prince George's County for all her citizens. She has made a profound impact on all those with whom she has worked and her life has been an example of the noblest of ideals—that of service to others.

Today, on behalf of the citizens of Prince George's County, I offer our thanks and our deepest gratitude for Mrs. Crump's lifelong work and I wish her the best as we recognize the magnitude of the difference she has made and as she celebrates her birthday with family and friends.
