NOT VOTING—5

Brown (CA) Lewis (CA) Martinez
Ford Lucas (OK)

□ 1355

So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. FORD. Mr. Speaker, I missed rollcall vote No. 261, and, if I had been present on final passage H.R. 1218, the Child Custody Protection Act, I would have voted “yes.”

PROVIDING FOR CONSIDERATION OF H.R. 66, ROUTE 66 CORRIDOR ACT

Mr. HASTINGS of Washington. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 230 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 230

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 66) to preserve the cultural resources of the Route 66 corridor and to authorize the Secretary of the Interior to provide assistance. The first reading of the bill shall be dispensed with. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Resources. After general debate the bill shall be considered for amendment under the five-minute rule. It shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule the amendment in the nature of a substitute recommended by the Committee on Resources now printed in the bill. Each section of the committee amendment in the nature of a substitute shall be considered as read. During consideration of the bill for amendment, the Chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 8 of rule XVIII. Amendments so printed shall be considered as read. The Chairman of the Committee of the Whole may: (1) postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment; and (2) reduce to five minutes the minimum time for electronic voting on any postponed question that follows another electronic vote without intervening business, provided that the minimum time for electronic voting on the first in any series of questions shall be 15 minutes. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in

the House on any amendment adopted in the Committee of the Whole to the bill or to the committee amendment in the nature of a substitute. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

□ 1400

The SPEAKER pro tempore (Mr. BURR of North Carolina). The gentleman from Washington (Mr. HASTINGS) is recognized for 1 hour.

Mr. HASTINGS of Washington. Mr. Speaker, for purposes of debate only, I yield the customary 30 minutes to the distinguished gentleman from Ohio (Mr. HALL), pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate only.

Mr. Speaker, H. Res. 230 would grant H.R. 66, the Route 66 Corridor Act, an open rule providing 1 hour of general debate, divided equally between the chairman and ranking member of the Committee on Resources.

The rule makes in order the Committee on Resources amendment in the nature of a substitute as an original bill for the purpose of amendment, which shall be open to amendment by section. The rule authorizes the Chair to accord priority in recognition to Members who have pre-printed their amendments in the CONGRESSIONAL RECORD.

The rule also allows the chairman of the Committee of the Whole to postpone votes during consideration of the bill and to reduce voting time to 5 minutes on a postponed question if the vote follows a 15-minute vote.

Finally, Mr. Speaker, H. Res. 230 provides one motion to recommit with or without instructions.

H.R. 66, the Route 66 Corridor Act, would permit the Secretary of the Interior to support and collaborate with the State and local and private institutions to preserve one of the most famous highways in the United States. The bill, introduced by the gentleman from New Mexico (Mrs. WILSON), would further the preservation and restoration of portions of the highway, businesses and sites of interest during this period of outstanding historic significance.

In its heyday, Mr. Speaker, Route 66 extended from Chicago to Los Angeles, helping businesses to move their products and millions of Americans to move their families westward, primarily between 1933 and 1970.

It also opened up the southwestern landscape to tourism, has been mentioned in books, television, movies and songs. H.R. 66 was reported by the Committee on Resources on a voice vote and there is no controversy surrounding this legislation.

Accordingly, Mr. Speaker, I urge my colleagues to support both the rule and the underlying bill.

Mr. Speaker, I reserve the balance of my time.

Mr. HALL of Ohio. Mr. Speaker, I thank the gentleman from Washington (Mr. HASTINGS) for yielding the customary amount of time, and I yield myself such time as I may consume.

Mr. Speaker, this is an open rule and, as my colleague has described, this rule will equally divide and control the debate of the chairman and the ranking minority member on the Committee on Resources.

The rule permits amendments under the 5-minute rule, which is the normal amending process that we use here in the House. All Members will have the chance to offer germane amendments.

The bill authorizes \$10 million to help preserve historic buildings and sites and highway portions along old Route 66 from Chicago to Los Angeles. The Federal share of any project is limited to 50 percent.

A Federal study completed in 1995 found that Route 66 is nationally significant and that the cultural resources along the road are disappearing.

This is an open rule. It was adopted by voice vote of the Committee on Rules. I urge adoption of the rule.

Mr. Speaker, I yield back the balance of my time.

Mr. HASTINGS of Washington. Mr. Speaker, I yield back the balance of my time, and I move the previous question on the resolution.

The previous question was ordered.

The resolution was agreed to.

A motion to reconsider was laid on the table.

PROVIDING FOR CONSIDERATION OF H.R. 791, STAR-SPANGLED BANNER NATIONAL HISTORIC TRAIL STUDY ACT OF 1999

Mr. HASTINGS of Washington. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 232 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 232

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 791) to amend the National Trails System Act to designate the route of the War of 1812 British invasion of Maryland and Washington, District of Columbia, and the route of the American defense, for study for potential addition to the national trails system. The first reading of the bill shall be dispensed with. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Resources. After general debate the bill shall be considered for amendment under the five-minute rule. It shall be in order to consider as an original bill for the purpose of amendment

under the five-minute rule the amendment in the nature of a substitute recommended by the Committee on Resources now printed in the bill. The committee amendment in the nature of a substitute shall be considered as read. During consideration of the bill for amendment, the chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 8 of rule XVIII. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the committee amendment in the nature of a substitute. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

The SPEAKER pro tempore. The gentleman from Washington (Mr. HASTINGS) is recognized for 1 hour.

Mr. HASTINGS of Washington. Mr. Speaker, for the purpose of debate only, I yield the customary 30 minutes to the distinguished gentleman from Ohio (Mr. HALL), pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate only.

Mr. Speaker, H. Res. 232 would grant H.R. 791, the Star-Spangled Banner National Historic Trails Study Act of 1999, an open rule providing 1 hour of general debate, divided equally between the chairman and ranking minority member of the Committee on Resources.

The rule makes in order the Committee on Resources amendment in the nature of a substitute as an original bill for the purpose of amendment, which shall be open to amendment at any point.

The rule authorizes the Chair to accord priority in recognition to Members who have pre-printed their amendments in the CONGRESSIONAL RECORD. The rule also allows the chairman of the Committee of the Whole to postpone votes during consideration of the bill and to reduce voting time to 5 minutes on a postponed question if the vote follows a 15-minute vote.

Finally, H. Res. 232 provides one motion to recommit with or without instructions.

Mr. Speaker, H.R. 791 would amend the National Trails System Act to designate for study as a potential addition
