ORDER OF PROCEDURE

Mr. LOTT. Mr. President, I believe we have worked out some consent agreements now that will allow the Senate to go forward in a constructive way. One has to do with the campaign finance reform issue, and the other one has to do with how we will handle the intelligence authorization bill this afternoon.

I see Senator MCCAIN here. I know Senator FEINGOLD is here.

CAMPAIGN FINANCE REFORM

I ask unanimous consent that at a time to be determined by the majority leader, after consultation with the Democratic leader, but no later than Tuesday, October 12, 1999, the Senate proceed to the immediate consideration of a bill to be introduced by Senators MCCAIN and FEINGOLD regarding campaign reform, and that the bill be introduced and placed on the calendar by the close of business on Wednesday, September 14, 1999.

I ask unanimous consent that debate on the bill prior to a cloture vote be limited to 3 hours to be equally divided in the usual form.

I also ask unanimous consent that only amendments related to campaign reform be in order, with time on all amendments, first and second degree, to be limited to 4 hours each, equally divided in the usual form, and that if an amendment is not tabled, it be in order to lay aside such amendment for 2 calendar days.

I further ask consent that no sooner than the third day after the bill is brought to the floor, a cloture motion be filed on the McCain-Feingold bill, and if cloture is not invoked, the bill immediately be placed back on the calendar.

Finally, I ask unanimous consent that it not be in order at any time prior to the pendency, or during the remainder of the first session of the 106th Congress, for the Senate to consider issues relative to campaign reform, except as the issues pertain to the appointment of conferees and any conference report to accompany the McCain-Feingold legislation.

The PRESIDING OFFICER. Is there objection?

The Senator from Arizona.

Mr. MCCAIN. Mr. President, reserving the right to object, I yield to the Senator from Kentucky.

Mr. MCCONNELL. Reserving the right to object, I haven't quite finished reviewing this. If the majority leader will give me about 2 minutes, I think I will be ready.

The PRESIDING OFFICER. Are there other reservations of objection?

Mr. MCCAIN. Mr. President, reserving the right to object, I ask, does this mean that the majority leader will not fill up the tree with first- and second-degree amendments? In other words, the intent is to move forward with the amending process, up-or-down votes on the amendments and move forward? That is the intent of the majority leader?

Mr. LOTT. The intent is to have amendments and that they be voted on, on this bill.

My purpose in trying to get this worked out is so we can go ahead and complete our appropriations bills process but also recognizing the Senator's
