

cost communities who need to reduce crime. It will cost homeless people who need a place to stay. It will cost victims of AIDS who need to be cured.

It will cost retirees who need social security; and it will cost hungry people who need to be fed.

I can just see Robin Hood turning over in his grave, I can feel Franklin Delano Roosevelt grimace in pain and I can hear Jesus the Christ saying, as you do unto the least of these my brethren, so have you done unto me.

Can you imagine a tax plan where close to half the benefits would go to the richest 1 percent of the taxpayers, to the average tune of \$54,000.

Yes, under this plan, them that's got are the ones who get. Corporate welfare, their Martini lunches, capital gains tax reduction are all protected, while we can look for cuts in Head Start, money for students with disabilities, after school programs and meals for the elderly would all face serious cuts.

Under this plan roads, bridges and streets could crumble, the 43 million people with no health insurance remain uninsured, the over 5 million in severe need of housing receive no relief and the 34 million people who are labeled as moderately or severely hungry and where parents skip meals so that children can eat will get no help. I can hear Marie Antoinette or someone who does not know the impact or consequences of these cuts saying, let them eat cake.

They cannot eat cake; because there will be none, and if there is, it certainly will not be sweet. But we can vote like the representatives a majority of the people want us to be.

We can vote these cuts down and stand up for the people. I thank you Mr. Speaker and yield back the balance of my time.

The SPEAKER pro tempore. Pursuant to section 2 of House Resolution 256, further consideration of the bill will be postponed until the next legislative day.
