Whereas, actions of one branch of government that infringe upon the duty and authority of another branch erode the Constitution’s checks and balances against abuse of power by any branch;  

Whereas, the United States Supreme Court has asserted that federal judges have the power under the United States Constitution to levy or increase taxes;  

Whereas, this determination places the judicial branch of government in direct competition with state legislatures and limits the fiscal resources available to legislators to serve their constituents’ needs;  

Whereas, it also gives the federal judiciary a virtual veto-proof spending power over political choices and spending priorities of democratically elected state legislatures;  

Whereas, federal courts continue to violate the United States Constitution by ordering states to levy or increase taxes to comply with federal mandates;  

Whereas, a proposed amendment to the United States Constitution to prohibit the judiciary’s encroachment reads: “Neither the Supreme Court nor any inferior court of the United States shall have the power to instruct or order a state or political subdivision thereof, or an official of such state or political subdivision, to levy or increase taxes”; and  

Whereas, encroachments by one branch of government upon the authority of another branch have been conveyed, by constitutional amendment if necessary, to preserve the balance of power the founding fathers constructed;  

Now, therefore, be it Resolved, That the Legislature of the state of Utah urge the President of the United States Senate, and the President of the United States House of Representatives, the United States Supreme Court, and the United States Congress to amend the United States Constitution to prohibit federal courts from levying or increasing taxes;  

Be it further Resolved, That a copy of this resolution be presented to the Speaker of the United States House of Representatives, the President of the United States Senate, and to the members of Utah’s congressional delegation;  

POM–286. A resolution adopted by the City Council of Canton, Ohio relative to the proposed “Civil Asset Forfeiture Reform Act”; to the Committee on the Judiciary.
