The Pleasanton Lions Club has also established informational displays along with literature at the Pleasanton Library, the Lion’s Club visitor/ticket office, the Valleycare Library, Valleycare Mental Center, the Pleasanton Senior Center and the Livermore Veterans Hospital.

On June 11, the Pleasanton Lions Club sponsored their 11th annual golf tournament and dinner to help raise money for scleroderma research. I have been told that the tournament and the subsequent dinner were a roaring success.

It is important that scleroderma be given the attention required to raise awareness and the funds needed to fight this chronic disease. The Pleasanton Lions Club have played a major role in this effort and I thank them for it. I hope others will follow their lead and get the word out to the public about why we need to fight scleroderma.

Mr. LEWIS of Kentucky. Mr. Speaker, I rise today to address the issue of salaries for Members of Congress.

I have spoken time and again about my frustration of having to deal with the issue of automatic cost of living increases for Members of Congress each year. This year was no exception.

Representing a mostly rural district in Kentucky, I believe that I am fairly compensated for my services. It is an honor for me to represent the Second District.

It is important, at a time like this, for us to not lose sight of the fact that in the past several years we have asked America to sacrifice in order to balanced the federal budget. While we, in Congress, have made great strides toward this goal, our job is not yet complete.

I continue to be concerned with the process in which these cost of living adjustments are made. I would rather Congress take an up or down vote on all pay adjustments for Members and have cosponsored legislation to eliminate the cost of living provision all together. This was the manner in which Congress did business for over one hundred and fifty years.

This is the first time in five years I have voted for a cost of living increase. I have to recognize that many of my colleagues are not fortunate enough to live in a low cost area such as the Second District of Kentucky.

This increase is not just for Members of Congress but for the thousands of federal judges and civil service administrators which are leaving at an alarming rate for the private sector. This exodus is depriving the government of some of the best and brightest that we have to offer.

Mr. Speaker, while I supported the increase for these reasons this time, I will not accept it personally. I intend to contribute my share of the cost of living increase to worthwhile causes in the Second District of Kentucky.

Mr. LEVIN, Mr. Speaker, I rise to pay tribute to Police Chief Albert Sadow who retired from Hazel Park, Michigan’s Police Department on July 14, 1999, bringing closure to 38 years of distinguished public service.

Chief Sadow’s career with the City of Hazel Park dates back to 1961 when he worked for the Water and Sewer Department at the hourly rate of $1.67. In addition to holding the civil posts of Assistant City Manager and Personnel Director, Chief Sadow rose through the ranks of the Police Department from Patrolman to Sergeant to Lieutenant, and finally to Chief in 1985.

Under Chief Sadow’s leadership, the City of Hazel Park profited from many positive changes and innovations in public safety. Through the acquisition of state and federal funds, Chief Sadow brought the Hazel Park Police Department into the 21st Century by installing video display terminals, video cameras, radar units and state-of-the-art computer systems in every police cruiser.

Other programs instituted during Chief Sadow’s tenure include the Southeast Oakland Crime Suppression Task Force, Drug Abuse Resistance Education (DARE), the K-9 unit, Motor Vehicle Carrier and Bicycle Patrol.

In his 38 years of service, Albert Sadow never used a sick day, and has been a tireless, and dedicated public servant. Indeed, Hazel Park is as better and safer place thanks to Chief Sadow.

Mr. Speaker, I ask my colleagues to join me in wishing my friend, Albert Sadow, good health and happiness as he and his wife, Virginia, trade in his police car for their motor home, and spend their retirement visiting their three grown children and enjoying life together.

Mr. LEVIN, Mr. Speaker, I rise today, on the brink of a new millennium, not to point out the immaculate flaws of our cherished American dream. Rather, I rise to salute Judge Frank M. Johnson, Jr., a man who Time Magazine in 1967 deemed “one of the most important men in America” and whose life exemplifies the Biblical statement “To whom much is given, much is required.” Judge Johnson is a man who dedicated more than four decades of his life to ensuring
