In particular, I would like to thank the American Subcontractors Association which has headed the broad-based initiative to modernize the Miller Act for their hard work on this bill as well as that of the Associated General Contractors of America and the Surety Association of America, both of which played a critical role in the negotiations which led to this bill.

Mrs. MALONEY of New York. Mr. Speaker, finally I am very pleased to announce that the administration has recently said that it, too, supports the bill. This bill will bring about a common sense reform that will make a tremendous difference for construction subcontractors and their workers who do business with the Federal Government. It will not cost the taxpayers anything, and in fact it might lower the cost of projects.

Mr. Speaker, I urge all Members to support this important bipartisan bill.

Mr. TURNER. Mr. Speaker, I have no further requests for time, and I yield back the balance of the time.

Mr. HORN. Mr. Speaker, I yield myself such time as I may consume.

I just want to, in conclusion, note that the gentleman from Texas (Mr. TURNER), the ranking minority member on the subcommittee, has been very helpful on this; and I mentioned earlier, I will mention again, the gentleman from Pennsylvania (Mr. GEKAS) is a very distinguished legislator from Pennsylvania and a key person on the Committee on the Judiciary, and the gentleman from Illinois (Mr. HYDE) gave the waiver of this bill to the floor, and we are extremely grateful for that bipartisan, bi-committee cooperation.

But in closing, I want to say to the gentlewoman from New York (Mrs. MALONEY) that what is right on the nose of this is a case study in democracy. Everyone that is listening or hearing or reading the Record is going to see this is an example of a constituent walking through their Representative’s door and saying, Look, I’ve had a problem here. Can you do anything about it? A lot of us have had that experience, and the fact is people do not need to go through lobbyists; they do not need to go through people that are at PAC parties or anything else. They can just walk into their legislator, and if they got a good case, something will happen. The gentlewoman from New York (Mrs. MALONEY) showed something that happened, and all of us cooperated to do it because we knew this was just and we needed to update that law, and I would hope that we have a unanimous vote of the House.

I want to thank my own majority staff, George, the chief counsel and staff director, Randy. The counsel and professional staff member have worked with the staff of the gentlewoman from New York (Mrs. MALONEY) and the staff of the gentleman from Pennsylvania (Mr. GEKAS), and we thank them all for their help. I urge adoption of this measure.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. HORN) that the House suspend the rules and pass the bill, H.R. 1219, as amended.

The question was taken.

Mr. HORN. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX and the Chair’s prior announcement, further proceedings on this motion will be postponed.

GENERAL LEAVE

Mr. HORN. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks on H.R. 1219, as amended.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.
