work of Carrollton’s home town hero, former Speaker of the House Henry T. Rainey. A memorial to the famous resident will hang in the new visitors center in Alton. “Rainey put the Alton area into the world trade and transportation market by pushing an appropriation through the U.S. House to build Locks and Dam 26 in Alton in 1938,” Greene County historian Phil Alfred said. Rainey worked closely with President Roosevelt during the depression until his sudden death in 1934.

Although Rainey served in Congress for thirty years and became one of the most powerful speakers in the history of the U.S. House, he never forgot his roots in Carrollton. He always came back to his farm to visit the people of his home town. My colleague Congressman JERRY COSTELLO and I are extremely proud of the residents of the Alton area for taking pride in their community and honoring a great man.

IN HONOR OF SERGEANT JAMES SUK AND HIS 28 YEARS OF SERVICE TO THE RESIDENTS OF UNION CITY, CA

HON. FORTNEY PETE STARK
OF CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES
Tuesday, August 3, 1999

Mr. STARK. Mr. Speaker, I would like to take this opportunity to honor Sergeant James Suk, a dedicated member of the Union City Police Department. Sergeant Suk recently retired from service after twenty-eight years of service, and will be honored by the Union City Police Department at a dinner on August 20, 1999.

Sergeant Suk began his law enforcement career in Union City as a Patrol Officer in 1968, just two years after the Union City Police Department was formed. For the first six years of his career, Jim worked as a regular beat officer, handling calls for service. During this time, he also worked in the Traffic Section and as a detective in the Investigations Section.

In 1974, Jim was promoted to the rank of Police Sergeant and was assigned to the Patrol Division as a Watch Commander. He was the first director of the Youth Services Bureau. He also supervised the Investigations and Juvenile Sections. Jim’s many assignments have included supervision of the Reserve Police Officer Program, the Prisoner Transportation Section, and the Crime Scene Technicians.

During his long tenure at the Union City Police Department, Jim worked for every Chief of Police the department has had, and is one of the first Police Officers to retire.

Each year, members of the Union City Police Officer’s Association vote one outstanding officer as Officer of the Year. In 1996, the honor was awarded to Sergeant James Suk. It was an appropriate recognition for a career of exemplary performance.

James genuinely cares about the people with whom he works. He has taken many new officers under his wing and help guide them in their careers. He is well respected by both his peers and the officers he supervises.

The city will be honoring Sergeant Suk at a retirement dinner on August 20, 1999. I would like to join them in applauding his hard work and dedication. He has a fine record of accomplishments and is an inspiring example of citizenship. I wish Sergeant Suk the best in all his future endeavors.

Mr. SCHAFFER. Mr. Speaker, I rise today to encourage my colleagues to join me in supporting the passage of S. 606. Among other matters already discussed, S. 606 authorizes the U.S. government to finally make good on a $32 million court settlement with the Menominee Indian Tribe in my district. The history of this settlement can be traced to 1954, when the federal government terminated the tribe’s federal trust status and the Bureau of Indian Affairs grossly mismanaged many of the tribe’s assets.

In 1967, the tribe filed a lawsuit in federal court challenging this termination and seeking damages. After decades of litigation, in 1993 Congress passed a congressional reference directing the U.S. Claims Court to determine what damages, if any, were owed to the tribe. In August of last year, more than three decades after the initial suit was filed, the tribe finally settled its claim against the federal government for $32 million.

As the members of this House are aware, Congress must authorize the payment of this court settlement before any U.S. funds can be released. The court has done its job and the tribe has waited long enough. Now it is time for Congress to do its job and agree to this settlement.

S. 606 passed the Senate by unanimous consent and I am not aware of any opposition to this measure in this House. I would like to thank Mr. McCOLLUM for his help and leadership on moving this legislation forward.

I also applaud Senator KOLI for his many years of work on this issue. I have enjoyed the opportunity to partner with him to bring this matter to a close.

Finally, I would also like to thank Menominee Chairman Apeasnahkew for his willingness to work with me to ensure these funds won’t be used to take any land off the tax rolls. These dollars will only be used to improve education, health care and economic opportunities for the tribe and the areas surrounding the reservation.

Again, I encourage all of my colleagues to help me bring to an end a decades-long legal struggle and also provide much-needed financial assistance to one of the most impoverished areas of my Congressional District.
