Mr. STARK. Mr. Speaker, I would like to take this opportunity to honor Sergeant James Suk, a dedicated member of the Union City Police Department. Sergeant Suk recently retired from service after twenty-eight years of service, and will be honored by the Union City Police Department at a dinner on August 20, 1999.

Officer Suk began his law enforcement career in Union City as a Patrol Officer in 1968, just two years after the Union City Police Department was formed. For the first six years of his career, Jim worked as a regular beat officer before being transferred to the Traffic Section and as a detective in the Investigations Section.

In 1974, Jim was promoted to the rank of Police Sergeant and was assigned to the Patrol Division as a Watch Commander. He was the first director of the Youth Services Bureau. He also supervised the Investigations and Juvenile Sections. Jim's many assignments have included supervision of the Reserve Police Officer Program, the Prisoner Transportation Section, and the Crime Scene Technicians.

During his long tenure at the Union City Police Department, Jim worked for every Chief of Police the department has had, and is one of the first Police Officers to retire.

Each year, members of the Union City Police Officer's Association vote one outstanding officer as Officer of the Year. In 1996, the honor was awarded to Sergeant James Suk. It was an appropriate recognition for a career of exemplary performance.

James genuinely cares about the people with whom he works. He has taken many new officers under his wing and help guide them in their careers. He is well respected by both his peers and the officers he supervises.

The city will be honoring Sergeant Suk at a retirement dinner on August 20, 1999. I would like to join them in applauding his hard work and dedication. He has a fine record of accomplishments and is an inspiring example of citizenship. I wish Sergeant Suk the best in all his future endeavors.

Mr. UDALL of New Mexico. Mr. Speaker, H.R. 695 would direct the Secretary of the Interior to convey approximately twenty acres of real property and improvements at an abandoned and surplus ranger station administrative site in San Juan County, New Mexico to San Juan College in Farmington, New Mexico. The Forest Service has determined that the "Old Jicarilla Site," as the site is known, is of no further use because the Forest Service moved its operations to a new administrative facility in Bloomfield, New Mexico several years ago. In fact, the site has been unoccupied for several years.

The College would pay for all lands to be conveyed in accordance with the Recreation and Public Purposes Act and would use the site for educational and recreational purposes. In the event that the land ceases to be used for such purposes, they would revert to the United States.

According to Dr. James C. Henderson, President of San Juan College, "San Juan College has grown to be the fourth largest college in New Mexico. The college serves the people of the Northwest quadrant of the state in numerous ways [by] providing business and industrial training, life-long learning opportunities, and various academic and technical degree programs." The transfer of the "Old Jicarilla Site" to San Juan College to better serve the surrounding community by offering new programs that meet the needs of that community. In addition, the facilities would be available to other civic organizations such as the Scouts and Girls and Boys Club.

This legislation creates a situation in which the federal government, the State of New Mexico, the people of San Juan County, and most importantly, the students and faculty of San Juan College all benefit. I would like to thank Dr. Henderson, Ms. Marjorie Black, Executive Assistant to the President, and the Staff of San Juan College, the Forest Service and the Bureau of Land Management for their hard work directed towards making this transfer a reality. In addition, I would like to thank Representative Wilson for her support as well as my New Mexico colleagues in the Senate; Senator Bingaman, and in particular, Senator Domenici for beginning this effort in the last Congress and for continuing his efforts again this Congress.
