TRIBUTE TO DOROTHY KIRSTEN  
FRENCH AND RICHARD K. EAMER

**HON. BRAD SHERMAN**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, September 13, 1999*

Mr. SHERMAN. Mr. Speaker, I rise today to pay tribute to Dorothy Kirsten French and Richard K. Eamer, co-founders of The John Douglas French Alzheimer's Foundation; and to Dennis F. Holt for his philanthropic work in advancing the research of causes of Alzheimer's disease.

I am happy to report that on Sunday, October 24, 1999, The Founding Associates will celebrate its 15th anniversary during a special ceremony that will honor Dennis F. Holt, Chairman and CEO of Western International Media, Inc., and an active member of the Board of Directors of The John Douglas French Alzheimer's Foundation. Mr. Holt has engaged in philanthropic work to advance research in the causes of Alzheimer's Disease. He has donated \$2 million of broadcast time towards public service announcements in 24 markets. He is a distinguished leader in changing the nature of advertising and media buying practices. Mr. Holt is an inspiration in perseverance and triumph over adversity. He demonstrates an uncommon commitment to help others and exemplifies this commitment with The John Douglas French Alzheimer's Foundation.

Dorothy French and Richard Eamer co-founded The John Douglass French Alzheimer Foundation to honor Dorothy's husband Dr. John Douglas, co-founder of UCLA's Brain Research Institute, and who sadly became a victim of Alzheimer's disease himself in 1989.

Since 1983, the John French Alzheimer's Foundation has been dedicated to finding the cause and cure of Alzheimer's disease and other forms of dementia. The foundation has raised more than \$18 million through its fundraising efforts, and has helped to fund the work of such noted scientists as Dr. Stanley B. Pruisner, a 1997 Nobel Laureate.

Alzheimer's is one of the most costly and debilitating of illnesses, afflicting more than four million Americans every year, slowly robbing them of their memory and ability to care for themselves. As our nation ages, and more and more families face this terrible disease, the need for organizations such as the John Douglas French Alzheimer Foundation will be increasingly important. I am pleased Congress has in recent years substantially increased the nation's investment in medical research. For the current budget year, fiscal 1999, Congress has approved a budget of \$15.6 billion, a 14 percent increase, for the National Institute of Health, which leads the nation's biomedical research effort. This increase will fund important research into understanding and treating Alzheimer's and other diseases.

Mr. Speaker, distinguished colleagues, please join me in honoring Dorothy French, Richard Eamer, and Dennis Holt, three citizens committed to the finding of a cure for Alzheimer's disease and improving the lives of their fellow Americans.

TRIBUTE TO BUDDY G. BELSHE

**HON. CHRISTOPHER COX**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, September 13, 1999*

Mr. COX. Mr. Speaker, I rise today to recognize Buddy G. Belshe, who has completed his 50th year as an ocean lifeguard in Orange County, California.

Buddy Belshe, a longtime lifeguard with the City of Newport Beach, California, has devoted his life to preserving the lives of others. Beginning his career in 1950, he continues to serve today working with and overseeing the number of men and women who keep our Southern California beaches safe and protected.

In addition to his service to the residents and visitors of Newport Beach, Buddy's accomplishments also include his longtime service with the United States Lifesaving Association, where he has served as both Vice President and Secretary, and on the board of the California State Lifesaving Association.

Mr. Speaker, it is with great pleasure that I ask my colleagues to join with me in honoring Buddy G. Belshe. It is fitting that all of us join with the family, friends, and the community of Newport Beach, California in recognizing his lifelong service and dedication to public safety.

DEPARTMENTS OF VETERANS AFFAIRS AND HOUSING AND URBAN DEVELOPMENT, AND INDEPENDENT AGENCIES APPROPRIATION ACT, 2000

SPEECH OF

**HON. CORRINE BROWN**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 9, 1999*

The House in Committee of the Whole House on the State of the Union had under consideration the bill (H.R. 2684) making appropriations for the Department of Veterans Affairs and Housing and Urban Development, and for sundry independent agencies, boards, commissions, corporations, and offices for the fiscal year ending September 30, 2000, and for other purposes:

Ms. BROWN of Florida. Mr. Chairman, once again, the Republican leadership is attempting to cut housing programs that assist our nation's most vulnerable citizens. In the midst of

one of the greatest economic expansions our country has ever known, we should be doing everything we can to help people move from homelessness to home ownership, and public housing is critical in this transition.

All the talk about revitalization and economic integration becomes mere rhetoric when we see such drastic funding cuts proposed for our nation's most impoverished communities.

While the President's budget would have increased vital investments in families and communities by \$2 billion, the Republican version of this bill, if passed, would have a devastating impact on these same communities nationwide.

In my district, Florida's third, the effects of these cuts could prove disastrous. Jacksonville stands to lose more than \$5 million if the VA-HUD bill passes, Orlando could lose \$1.9 million, and Daytona could lose \$842,000.

These cuts would be devastating to the families that rely on public housing services. The number of families with worst case housing needs—defined as paying more than 50 percent of income on rent—remains at an all-time high. Furthermore, families in the transition from welfare to work have a special need for assistance since housing is typically their greatest financial burden.

The slight increase in section 8 funding is not enough, since virtually all other housing programs designed to help the needy, such as HOPE VI, Community Development Block Grants, and of particular concern to me are the funding cuts for Brownfields clean up and development, and lead based paint abatement, especially since there is a new superfund site in my district!

Overall, the cuts represent an estimated 156,000 fewer housing units for low-income families; 16,000 homeless families and persons with AIDS who will not receive vital housing and related services; and 97,000 jobs that will not be generated in communities that need them.

For these reasons, I urge my colleagues to vote against H.R. 2684.

CONGRATULATING PHILIP J.  
MCLEWIN ON HIS RETIREMENT

**HON. MARGE ROUKEMA**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Monday, September 13, 1999*

Mrs. ROUKEMA. Mr. Speaker, I rise to congratulate Philip J. McLewin on the occasion of his retirement as president of the Bergen County Central Trades and Labor Council of the AFL-CIO. Mr. McLewin has been a dedicated and respected labor leader in northern New Jersey, fighting for the rights of working men and women as they seek to achieve the American dream. Mr. McLewin exhibited progressive leadership, building coalitions and

consensus among labor groups and working with business management to achieve the goals of employers and employees alike. His success was symbolic of a time when the industrial revolution had blossomed into a spirit of cooperation between labor and management that helped give the United States the leading economy of the world.

Mr. McLewin actively participated in the Council's activities for 25 years. He began in 1974 as a labor educator, teaching worker education courses at Ramapo College, where he is still employed as a professor of economics. He was elected president of the council in 1983 and served 16 years before his retirement this year.

By bringing together affiliated local unions, Mr. McLewin was able to form a unified and highly effective voice for labor in Bergen County. Under his leadership, the council played a key role in endorsing and electing political candidates, lobbying for worker-friendly legislation and fighting against opponents of labor. He rekindled the grass roots activism of trade unionists in Bergen County in support of workers on strike, those whose jobs were threatened by plant closings or privatization, and supporting efforts to organize new unions or expand union membership. Under his tenure, the number of local unions affiliated with the Council more than doubled and participation of local unions in the Council's activities increased tenfold.

One of Mr. McLewin's proudest accomplishments was the establishment of the United Labor Agency of Bergen County, which assists union members with individual and family social service needs.

AFL-CIO President John Sweeney recognized Mr. McLewin's leadership when he appointed him to the 24-member National Central Labor Council Advisory Committee in 1995 to help develop the regeneration of labor councils across the country.

In addition to heading the Bergen County Central Trades and Labor Council, Mr. McLewin was vice president of the New Jersey Industrial Council and a former president of American Federation of Teachers Local 2274. He was a member of the AFT bargaining team and state council.

Mr. McLewin has been an active leader in the local community, serving on the board of directors for New Jersey Citizen Action, on the leadership team of the Bergen County Workforce Investment Board and working extensively with the United Way.

Born in Portland, Maine, he moved to San Diego at the age of six. He is a graduate of San Diego State University and holds a master's degree in economics from the University of California at Riverside and his doctorate in economics from Cornell University. He moved to Bergen County in 1974. He and his wife, Lynne, have been married 37 years and have two sons.

I ask my colleagues in the House of Representatives to join me in congratulating Mr. McLewin on his successful career and in wishing him the best in his retirement.

TRIBUTE TO IRA FREEMAN

**HON. HOWARD L. BERMAN**

OF CALIFORNIA

**HON. BRAD SHERMAN**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, September 13, 1999*

Mr. BERMAN. Mr. Speaker, my colleague, Mr. SHERMAN, and I, rise to pay tribute to our good friend, Ira Freeman, who is this year's recipient of the Annual Achievement Award from Action Democrats of the San Fernando Valley. Ira Freeman has built his life on the proposition that we are put on earth to help others. The list of organizations, associations and causes that have benefitted from Ira's tireless activism is almost as enormous as his heart. We have no idea how he has managed—for nearly 40 years—to balance his busy and distinguished career with his myriad civic and political activities.

In 1964, Ira opened Key Pharmacy—a community resource pharmacy—in North Hollywood. While building a very successful business, he also played a leadership role within his profession. From 1972 to the present, Ira has served as a board member of the Pharmacists Professional Society of the San Fernando Valley. He is a member, a past-Treasurer and a past-President of the statewide Pharmacists Political Action Committee and from 1996 to 1998 was Chief Financial Officer of the United Pharmacists Network.

A tireless booster of his community, Ira served as President of the Sun Valley Chamber of Commerce in 1985 and again in 1988. He has been a member of the Sun Valley Chamber Board for 14 years, and was appointed by Assemblyman Bob Hertzberg to his Small Business Advisory Commission.

Ira loves politics. He is a voter, contributor, fund raiser, volunteer and unofficial advisor. Virtually every campaign in the San Fernando Valley has benefitted from Ira's hard work and generosity. He has served on the Leadership Council of the Democratic Party of the San Fernando Valley, and is a member of Action Democrats, Democrats for Change and the Sherman Oaks Democratic Club.

Ira gives his talents and resources to charitable causes ranging from AIDS to Diabetes. He is a contributing member to The Executives, a support group for the Jewish Home for the Aging and works with the Fair Housing Council of the San Fernando Valley.

Ira has been awarded the Circle of Friends Award by the Juvenile Justice Connection Project (1987), the Daren McDonald Award from the Independent Living Centers of Southern California (1994) and the Helen and Sam Greenberg Award, as well as recognition from the California Pharmacists and the Sun Valley Chamber of Commerce.

We ask our colleagues to join us in saluting Ira Freeman, whose selfless acts and dedication to this community inspire us all. We are proud to be his friend.

EXPRESSING THE SENSE OF THE CONGRESS THAT THE PRESIDENT SHOULD NOT HAVE GRANTED CLEMENCY TO TERRORISTS

SPEECH OF

**HON. CAROLYN C. KILPATRICK**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 9, 1999*

Ms. KILPATRICK. Mr. Speaker, I rise today in opposition to H. Con. Res. 180, a concurrent resolution expressing the sense of Congress that the President should not have granted clemency. This resolution is largely another attempt to smear the policy of an Administration that has been under scrutiny for quite some time now. I will not support transferring a battle regarding our Administration's scruples into attempts to reflect a similar suspicious light on our Administration's policy.

This resolution was not reviewed by the Judiciary Committee, which is the Committee of referral. In fact, the resolution was not even submitted until one day before the vote. Most of the Puerto Rican nationalists who were granted clemency have already served at least 19 years of their sentences. Our Constitution clearly states that the President has the sole and unitary power to grant clemency. It does so because the President is uniquely positioned to consider the law and facts that apply in each request for clemency. We, as individual Members of Congress, have neither the time nor the staff to individually review the Administration's belief that the sentences were out of proportion with the offenses. For this precise reason, bills are referred to the committees that can provide such expertise. It is a shame that we would not take the time to allow expert evaluation of the level of merit behind this resolution and refer this resolution to the Judiciary Committee.

This is neither the time nor the topic for political pandering. Terrorism and clemency are matters to be taken very seriously. They are not to be used for political games. I will not support turning the fight against terrorism into a political game, and that is why I am voting against this bill on final passage.
