

were employed by an employer other than the federal government.

To correct this inequity, my proposal would enable the federal government to enroll an employee and his or her family in the FEHB Program when a State court orders the employee to provide health insurance coverage for a child of the employee. If the affected employee is already enrolled for self-only coverage, the employing agency would be authorized to change the enrollment to self and family. If the affected employee is not enrolled in the FEHB Program, the employing agency would be required to enroll him or her under the standard option of the Service Benefit Plan, Blue Cross Blue Shield.

Finally, the employee would be barred from discontinuing the self and family enrollment as long as the court order remains in effect, the child meets the statutory definition of family member, and the employee cannot show that the child has other insurance.

I am very pleased about the broad constituency that supports my proposal. Among the groups that have offered support for the change are the American Payroll Association, which represents employers, the Center for Law and Social Policy, which represents the rights of indigent parents and several state child support program officials.

I am also pleased to introduce this important legislation during National Payroll Week—September 13–17—and to have the support of those who are key to the wage and medical support withholding process.

Please join me and Representatives ELEANOR HOLMES NORTON and CONNIE MORELLA in cosponsoring this worthwhile measure. It will help our efforts to ensure that our children have access to needed health insurance coverage.

CONGRATULATIONS ON THE NAMING OF THE GLORIA S. WILLIAMS BUILDING AT WILLIAM PATERSON UNIVERSITY

HON. DONALD M. PAYNE

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Monday, September 13, 1999

Mr. PAYNE. Mr. Speaker, I would like to call to the attention of my colleagues here in the House of Representatives a very special event which will take place on Tuesday, September 14, 1999. On that date, the campus of New Jersey's William Paterson University will undergo a transformation which, in itself, exemplifies their commitment to their mission of providing quality instruction in an environment of leadership and diversity. This transformation is the renaming of one of the University buildings in honor of a remarkable person, the late Gloria S. Williams. This ceremony marks a truly historic event, the first time that a structure has been named for an African-American on the campus of William Paterson University.

Gloria S. Williams, a native of Newark, excelled throughout her educational career here in New Jersey. She began her quest for knowledge in Newark's public school system and it eventually led her to William Paterson University where she received her Bachelor's

degree in Business Administration with a minor in Economics. Throughout her rich life, Gloria S. Williams made certain to place the needs of others before those of herself. This selfless behavior was evident in her decision to share her knowledge and experiences as a teacher in the Paterson School District after her college graduation. Her experiences at William Paterson University was not simply limited to an undergraduate education. As an undergraduate, Gloria was an employee of the University and immediately following graduation she remained with the University as a dorm assistant and summer camp coordinator. After that, her career at William Paterson flourished. Gloria held many important positions including Residence Hall Director, Assistant Registrar, and ultimately she was named Associate Director of the Advisement Center where she was well known for always having an open door. Because of Gloria's rich involvement with others and with William Paterson University, it is a fitting tribute that the University chose to name a building in her honor. Gloria S. Williams was also very active in the church. As a youngster she was a member of St. Luke's A.M.E. Church where her parents, Daisy and O'Donnel Williams, were lifelong members. While living in Wayne, New Jersey, Gloria joined New A.M.E. Zion Church, where she served diligently on the Scholarship Committee. After returning to Newark and joining St. James A.M.E. Church, Gloria realized her ambition to become a religious counselor.

Mr. Speaker, I know my colleagues join me in congratulating William Paterson University as they honor Gloria S. Williams in this way. Her life story embodies all the aspects that educational institutions strive for—determination, diligence and dedication. By naming a building in her honor, William Paterson University will preserve for future generations the admirable legacy of a great woman, Gloria S. Williams.

IN HONOR OF MR. MANUEL MOTA

HON. XAVIER BECERRA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, September 13, 1999

Mr. BECERRA. Mr. Speaker, it is with utmost pleasure and privilege that I rise today to recognize a wonderful American, Mr. Manuel "Manny" Rafael Geronimo Mota, for his spirited work with youth, his humanitarian service, and his outstanding accomplishments as a major league baseball player and coach. Through his compassion for others and his infectious enthusiasm for life, Manny has served as a model citizen for all Americans.

Born in Santo Domingo, Dominican Republic on February 13, 1938, Manny Mota grew up loving the game of baseball. Soon, Manny realized that he had a gift for the grand old game. At the tender age of 19, Manny demonstrated a keen eye at the plate when he joined the minor leagues. Within a few years, Manny ascended to the major leagues and soon established himself as a premier hitter.

Manny joined the Los Angeles Dodgers in 1969 and contributed to Dodger success from

1969–1982. As a player for the Dodgers, Manny established the all-time major league record for pinch-hits with 150. Manny batted .304 over his entire 20-year major league career with Montreal, Pittsburgh, San Francisco, and Los Angeles. Manny Mota was selected to the 1973 National League All-Star team and led the league with a .351 batting average at the All-Star Break. When you add his tenure as a coach for the Los Angeles Dodgers, Manny has served the Dodgers for 30 years.

Just as important as Manny Mota's contributions on the field are his contributions off the field. Over a quarter of a century ago, Manny Mota established the Manny Mota International Foundation with the intention of giving youth opportunities to reach their full potential and pursue a quality education. Manny has used baseball as his medium to instruct and motivate Los Angeles youth. The Manny Mota International Foundation awards five \$1,000 scholarships to Los Angeles area students each year.

Manny Mota's generosity extends beyond the borders of the United States. Manny has worked hard to raise money to build a medical clinic, baseball field, and school in the Dominican Republic. Manny Mota was at the forefront of relief efforts when natural disasters devastated the Dominican Republic, Central America, and other regions of Latin America. Repeatedly, Manny demonstrates that he does not forget his roots, as he swiftly extends aid to those who are disadvantaged.

Manny has also served as a loving caretaker of a successfully family. He resides with his wife Margarita in Glendale and is the proud father of eight children: Cecilia, Jose, Andres, Domingo, Manuel, Maria, Rafael, and Antonio. His wife and children remain active in foundation activities and embrace the same commitment to public service that has inspired Manny to share his gifts with others.

Just as Manny so often delivered "in the pinch" at the plate, so has he delivered "in the pinch" in life. Mr. Speaker, family and friends of Manny Mota gathered at the California Plaza Watercourt in Downtown Los Angeles, California on Saturday, August 28, 1999 to celebrate the 30th anniversary of his association with the Los Angeles Dodgers, it is with great pride that I ask my colleagues to join me today in saluting this exceptional man.
