

usually only appropriated funding at about the 8-percent level; and

Whereas, the California Master Plan for Special Education was approved for statewide implementation in 1980 on the basis of the anticipated federal commitment to fund special education programs at the federally authorized level; and

Whereas, the Governor's Budget for the 1999-2000 fiscal year proposes \$2.2 billion in General Fund support for the state's share of funding for special education programs; and

Whereas, the State of California anticipates receiving approximately \$410,500,000 in federal special education funds under Part B of IDEA for the 1999-2000 school year, even though the federal authorized level of funding would provide over \$1.8 billion annually to California; and

Whereas, local educational agencies in California are required to pay for the underfunded federal mandates for special education programs, at a statewide total cost approaching \$1 billion annually, from regular education program money, thereby reducing the funding that is available for other education programs; and

Whereas, the decision of the Supreme Court of the United States in the case of Cedar Rapids Community Sch. Dist. v. Garret F. (1999) 143 L.Ed 2d 154, has had the effect of creating an additional mandate for providing specialized health care, and will significantly increase the costs associated with providing special education services; and

Whereas, whether or not California participates in the IDEA grant program, the state has to meet the requirements of Section 504 of the federal Rehabilitation Act of 1973 (29 U.S.C. Sec. 701) and its implementing regulations (34 C.F.R. 104), which prohibit recipients of federal financial assistance, including educational institutions, from discriminating on the basis of disability, yet no federal funds are available under that act for state grants; and

Whereas, California is committed to providing a free and appropriate public education to children and youth with disabilities, in order to meet their unique needs; and

Whereas, the California Legislature is extremely concerned that, since 1978, Congress has not provided states with the full amount of financial assistance necessary to achieve its goal of ensuring children and youth with disabilities equal protection of the law; now, therefore, be it

*Resolved by the Assembly and Senate of the State of California, jointly,* That the Legislature respectfully memorializes the President and Congress of the United States to provide the full 40-percent federal share of funding for special education programs so that California and other states participating in these critical programs will not be required to take funding from other vital state and local programs in order to fund this underfunded federal mandate; and be it further

*Resolved,* That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, to the Majority Leader of the Senate, to the Chair of the Senate Committee on Budget, to the Chair of the House Committee on the Budget, to the Senate Committee on Appropriations, to the Chair of the House Committee on Appropriations, to each Senator and Representative from California in the Congress of the United States, and to the United States Secretary of Education.
