DR. TERRY STRAETER: A
COMMUNITY SERVANT

HON. BOB FILNER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, September 27, 1999

Mr. FILNER. Mr. Speaker, I am honored to rise today to express my admiration and thanks to a leader in San Diego. Dr. Terry Straeter has been a part of our community and given of himself for many years. I am honored to have been invited to participate in an important event to be held this week at the National Air and Space Museum to pay tribute to this innovative and dedicated man.

Dr. Straeter got his start at the National Aeronautics and Space Administration during the 1970s, a time when our missions to the moon were coming to an end and NASA was once again looking to "push the envelope" in space exploration. Serving at the Langley Research Center in Hampton, Virginia, Terry was performing much of the important research that would lead to more and more innovation.

But then, San Diego got lucky. Terry went into the private sector, holding several posts with General Dynamics, eventually coming to beautiful San Diego to lead a group of tremendously dedicated men and women serving at Marconi Information Systems and Marconi Integrated Systems. And quite frankly, Mr. Speaker, our community has not been the same since Terry and his lovely wife Jinny arrived.

Terry is a strong supporter of our United Way campaign. He takes precious moments of his day to work with kids and help them to understand how important our free market economy is by participating in Junior Achievement. He has reached out to those children whose lives are affected by the daily challenges of diabetes by serving as the Corporate Recruitment Chairman of the 1998 Juvenile Diabetes Foundation's "Walk to Cure Diabetes." And all the while running one of the most successful and innovative high technology companies in our city, the State of California, and indeed, within our nation.

I am proud to offer my congratulations to Dr. Terry Straeter on this important occasion when we will honor him in a glowing tribute at the National Air and Space Museum. Terry, we appreciate you and we thank you for your service.

EXTENSIONS OF REMARKS

TRIBUTE TO BARRIE AND
MICHAEL GROBSTEIN

HON. BRAD SHERMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, September 27, 1999

Mr. SHERMAN. Mr. Speaker, I rise to pay tribute to Barrie and Michael Grobstein, who will be honored this year with the Circle of Life Award, given annually for service on behalf of the Jewish Home for the Aging, the largest continuing residential care facility in Southern California. Barrie and Michael are truly worthy of this distinguished award.

Through their involvement with The Executives, a group of business leaders from the San Fernando Valley formed to support this critically-needed facility, the Grobsteins have been instrumental in ensuring that the Jewish Home for the Aging has the financial support it needs to continue to provide seniors with the highest level of care. With the help of Barrie and Michael, The Executives has become one of the Los Angeles area's most distinguished and successful charitable organizations.

Michael has served as a founding member, executive committee member, and as president for three years of The Executives and its predecessor, The Valley Jewish Business Leaders Association.

The Jewish Home for the Aging is a truly unique facility. The average age of its 750 residents is 90 years. Each of its two campuses has a full-service medical clinic with state-of-the-art equipment and is staffed by on-site physicians, nurses, and medical and rehabilitation therapists. The Home's medical department is affiliated with UCLA's Division of Geriatric Medicine, and has developed a national reputation for its research in aging, long-term care, and Alzheimer's disease.

Barrie and Michael have been instrumental in making all this possible.

In addition to his work on behalf of the Jewish Home for the Aging, with Barrie's support Michael has served on the board of many other charitable organizations, including the Institute for Arteriosclerosis Research, Temple Valley Beth Shalom, International College, Ryokan College, the Pacific Association of Schools and Colleges, two organizations supporting the premier cancer research charity City of Hope, the West Coast Father's Day Council for the Juvenile Diabetes Foundation, Sherman Oaks Hospital, and many others. Barrie also has been active in education on the danger of cults, serving as a Speaker for the Jewish's Federation's Anti-Cult Movement. She is also a long-term member of Valley Beth Shalom's Sisterhood.

The Grobstein's efforts on behalf of these charities and community groups have been paralleled by success in the business world. With Barrie's help, Michael's accounting practice grew from a one room office in 1967 to almost two floors in the same office building today and in one of the largest regional CPA firms in Los Angeles.

Mr. Speaker, Michael and Barrie Grobstein, who this year celebrated their 36th wedding anniversary, are two of the San Fernando Valley's finest community leaders. I urge you and all my colleagues to join me today in honor of

their achievements. They have truly served their community with distinction.

IN MEMORY OF KEITH D. OGLESBY

HON. JIM DeMINT

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Monday, September 27, 1999

Mr. DeMINT. Mr. Speaker, today I introduced a bill to honor Keith D. Oglesby, the late Postmaster General of the Greenville, South Carolina Post Office. I am joined by the entire South Carolina delegation in this request to honor Keith Oglesby by renaming the Orchard Park Station of the Greenville Post Office as the Keith D. Oglesby Station.

Mr. Oglesby was a tireless worker, community activist, and beloved boss. His involvement with charitable organizations aided those in the Greenville community, the state of South Carolina, and the nation as a whole. Mr. Oglesby was the chairperson for Greenville County's Combined Federal Campaign, hosted the First-Day of Issue ceremonies for the Organ & Tissue Donation Stamp, filled Christmas stockings for the Salvation Army, coordinated postal blood drives, participated in March of Dimes WalkAmerica and the American Cancer Society's Relay for Life. Additionally, he received the Greenville Family Partnership's Volunteer of the Year Award in 1997.

As a supervisor, Mr. Oglesby always told his workers to "Do the right thing," and this motto permeated his actions and expectations. Local postal customers, employees of the Greenville Post Office, and higher management of the United States Postal Service recognize the contributions of Keith Oglesby to his community and his faithful service to this nation. He was honored posthumously with his second Benjamin Award—the Postal Service's top public relations honor given to recognize community outreach accomplishments.

The unexpected death of Mr. Oglesby shocked and saddened the community of Greenville, South Carolina. As we grieve his loss, we would like to pay tribute to Mr. Oglesby by renaming a facility in his honor. The Keith D. Oglesby Station would be a permanent memorial of his steadfast service to our community and the United States Postal Service.
