

and others, there is no security in India. That is why the Sikhs of Khalistan, the Muslims of Kashmir, the Christians of Nagaland, and others seek their independence.

I call on my colleagues to support an internationally-supervised plebiscite in Punjab on the question of independence. These people should be given the same opportunity that citizens of Puerto Rico and Quebec have received—the chance to decide their political future and status in a democratic vote.

Many believe that the breakup of India is inevitable. Since India now has nuclear weapons, the democratic countries of the world, led by the United States, must work to make sure that if this happens, it happens peacefully like in Czechoslovakia (now the Czech Republic and Slovakia), not violently like in Yugoslavia. We can prevent another Yugoslavia type crisis from breaking out in South Asia by encouraging the democratic process in the subcontinent. Let us take this stand and help ensure democracy and stability throughout the region.

TRIBUTE IN HONOR OF VERN AND NORMA BATES

HON. JAMES A. BARCIA

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 1999

Mr. BARCIA. Mr. Speaker, I rise today in honor of Mr. and Mrs. Vern and Norma Bates on the occasion of their 50th wedding anniversary celebration. The Bateses were married in my home town of Bay City, Michigan, on June 3, 1950, thus beginning the marriage which would see them to the close of this century, and into the next millennium. During this half century together they have developed a marriage which remains one that all of us in the Fifth Congressional District aspire to and admire.

In July 1950, Vern and Norma Bates began their married life together in Caro, Michigan, where Vern established his own barber business, and together, the couple began their many civic contributions. During these early years, they were blessed with a kind and loving family, with the arrival of their three children, Annette, Timothy, and James. Today, the Bateses are proud grandparents of Chad, Eric, Jodi, and Scott.

In 1962, Vern Bates accepted a position with the Michigan Department of Licensing and Regulation, first as a barber, and later as a hearing officer. He remained there until his retirement in April 1992. For 12 years, Mr. Bates was a member of the Caro School Board, where he served as President.

In 1988, Norma Bates was elected County Commissioner for the Village of Caro, Indian Fields and Wells Townships. Previously, she had served as Board Chairperson as well as on numerous other boards and committees in the community. She is currently serving in her fifth term in office.

Vern and Norma Bates have contributed greatly to the Caro community. They are active members of the St. Paul Lutheran Church of Caro, where both have held numerous offices and positions. They are leaders in the local Little League. Their civic contributions to

the community and public service are exemplary. Indeed, Vern and Norma Bates are beloved by their family, honored by their neighbors, and venerated by the Caro community.

Mr. Speaker, I am sure that you will agree that both Vern and Norma's many life accomplishments can be attributed to their great commitment to each other, to their commitment to a marriage which weathers any storm and upholds all sacred vows. Mr. Speaker, I urge you and our colleagues to join with me in honoring Mr. and Mrs. Vern and Norma Bates, on this celebration of their 50 years of marriage.

TRIBUTE TO ALBERT CHEN

HON. GARY G. MILLER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 1999

Mr. GARY MILLER of California. Mr. Speaker, I rise today to recognize Mr. Albert Chen of Chino, California, a constituent of mine from the 41st congressional district.

Mr. Chen is the founder and Chief Executive Officer (CEO) of Telamon Electronics, which provides pre-installation assembly, material management and other services to the high-tech industry in Southern California. This 10-year old company has annual revenues in excess of \$140 million and is headquartered in Chino. As one of the highest tax-generators of the 2,100 businesses in the region, Telamon Electronics currently adds approximately \$1 million annually in tax revenue to our area.

Under Mr. Chen's capable leadership, Telamon Electronics recently brokered a \$120 million business deal with two other leading national high-tech companies, GTE and Nortel Networks. This new working relationship will provide new jobs, new opportunities, and new services for the residents of Chino, western San Bernardino County and eastern Los Angeles County. I believe this is a perfect example of big business working with small business to the mutual benefit of the economy and our diverse society.

I congratulate Mr. Chen on his recent successes, and I welcome the new business partnerships between Telamon, GTE and Nortel Networks to my congressional district. Together, this new "team" will be providing a valuable service to the high-tech industry, while continuing to develop and implement cutting edge Internet technology.
