20 YEARS OF AFFORDABLE HOUSING

HON. BOB FILNER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 7, 1999

Mr. FILNER. Mr. Speaker, I rise today to pay tribute to the San Diego Housing Commission on the occasion of its 20th anniversary. During these two decades, the Housing Commission has helped to provide approximately a half million San Diegans with quality housing opportunities. In the process, neighborhoods have been revitalized and the economy vastly improved.

The Housing Commission has invested billions of dollars in San Diego, resulting in the development of 10,000 apartment units—including nearly 5,500 designed for lower income San Diegans—and in the stabilization of rents for thousands of San Diegans through rental assistance.

The Housing Commission has been a leader in our nation. Its approach to developing and managing its 1,860 public housing units has earned it acclaim and national awards. The awards recognize the Commission for the design and maintenance of its properties and for the Commission's philosophy of distributing public housing throughout the city.

The residents in San Diego public housing benefit from the Housing Commission's pro-

grams that have set national standards in helping residents achieve self-sufficiency. The six learning opportunity centers at the Commission's sites provide a way for residents to escape dependence on welfare.

The residents are active partners with the Commission in improving their lives—the Small Business Administration and San Diego Chamber of Commerce Welfare-to-Work Entrepreneur of the Year in 1998 was won by a Housing Commission resident, Yohannes Miles, who became a painting contractor. Needless to say, Mr. Miles is now a former client of the Commission—he has moved into his own home!

The Housing Commission has improved our whole City. It has helped more than 8,000 families rehabilitate their homes and has paved the way for 3,100 low- to moderate-income people to purchase their first home.

The Housing Commission employees are dedicated—15 have been with the agency since its founding. In its 20 years, Commission employees have helped the agency win countless national awards and honors, including high performance ratings each year from the Department of Housing and Urban Development, the first Award of Excellence for Enduring Design from the National Association of Redevelopment Officials, and an award for consensus building in developing public housing.

I want to wish the employees and the officials of the San Diego Housing Commission, and the forward thinking city leaders who started the agency, a happy anniversary. May you provide many others with the basic opportunity and right of housing in San Diego in the years to come.

CALVARY CHILDREN'S CENTER

HON. BOB BARR

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 7, 1999

Mr. BARR of Georgia. Mr. Speaker, it is my distinct honor today to recognize an exceptional organization that has made a significant difference in the lives of hundreds of Georgia's children. That organization is Calvary Children's Home.

The Calvary Children's Home was founded in 1966 by Reverend Ben F. Turner, and has been located in Cobb County, Georgia, for 33 years. Rev. Turner's first vision of Calvary took place on the streets of Jerusalem, when a poor woman offered to sell her baby to his tour group for money to support her other children. Then, in 1965 a local father and mother of six were returning from shopping when both were killed in an automobile accident. However, as much as the children were disturbed by the loss of their parents, they were equally upset with the prospect of being separated from each other in the foster care system, especially after such a great loss.

In September 1997, Rev. Turner's ultimate dream was finally realized, as the Calvary Children's Home moved from its original dormitory-style complex into three beautiful homes located on 13 acres of land near Powder Springs, Georgia. In January a new administrative center featuring a dining hall, library, and counseling center was completed
