

dedicated their lives to God, country and family. Robert and Dorothy recently celebrated their 60th wedding anniversary with their two daughters and their families from Iowa and Oklahoma.

Dorothy and Robert, or "Bob" as he is known to family and friends, were married on September 23rd, 1939, in Sioux City, Iowa. Bob began working for Standard Oil in 1934. The former Dorothy Lindberg worked outside the home as a telephone operator during the early years of their marriage.

In 1944, Bob left his young family to serve on the U.S.S. LST 896 during World War II where he served as Motor Machinist's Mate, Third Class. Meanwhile, Dorothy kept up with her work at the telephone company and raised her young daughter Carol with the help of her mother. After surviving, with his shipmates, two typhoons near Okinawa, Bob was discharged at the end of the war.

Happily reunited, Bob and Dorothy continued to raise Carol, and soon welcomed a second daughter, Janet, to the world. Bob's work with Standard oil eventually moved the family from Iowa to Overland Park in 1962 where he worked until his retirement in 1977. Both Bob and Dorothy proceeded to serve in retirement as community volunteers. Bob also worked as a manager of field personnel during the 1980 United States Census.

Bob and Dorothy are proud grandparents of four grown grandchildren, continue to live in Overland Park, Kansas, and remain active members of Faith Lutheran Church in Prairie Village, Kansas. Bob also remains committed to working on his golf handicap.

Mr. Speaker, please join me in congratulating Bob and Dorothy on a remarkable 60 years of marriage.

#### MAINTAIN UNITED STATES TRADE [MUST] LAW RESOLUTION

### HON. LANE EVANS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 19, 1999*

Mr. EVANS. Mr. Speaker, I have joined 200 of my colleagues as cosponsor of the Maintain United States Trade [MUST] Law Resolution. This bill is about more than steel. It is about the over 290 products from 59 different countries that are being dumped on open markets.

All American products, such as steel, agricultural goods and manufacturing items are currently protected under the antidumping and countervailing duties laws. However, some countries would like to open debate on these laws. Opening these rules to renegotiation could only lead to weakening them, which would in turn lead to even greater abuse of the world's open markets, particularly that of the United States.

When the World Trade Organization's Ministerial Conference meets Seattle on November 30 through December 3, a new round of trade negotiations will be held. The MUST resolution will request that the President and his trade representatives refrain from renegotiating international agreements governing antidumping and countervailing measures.

The President must not participate in any international negotiation in which antidumping

or antisubsidy rules are part of the negotiating agenda. He should also not submit for congressional approval agreements that require changes to the current antidumping and countervailing duty laws and enforcement policies of the United States. Above all, he must enforce antidumping and countervailing duty laws vigorously in all pending and future cases.

The MUST resolution has wide bipartisan support from Members from 37 States from every region of the country. Already, successful antidumping cases have been filed on behalf of producers of industrial goods, chemicals, pharmaceuticals, advanced technology products, agricultural goods, and the American steel industry.

No longer can we stand idly by as more and more workers face unemployment lines and uncertain futures. Foreign governments are shielding their industries from the fallout of the Asian financial crisis—it is time we stood up for our own. We must fight for American jobs. I urge the House leadership to bring the Maintain United States Trade [MUST] Law Resolution to the floor as soon as possible.

### HON. JAY INSLEE

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 19, 1999*

Mr. INSLEE. Mr. Speaker, I rise today on behalf of Shoreline Bank in Shoreline, Washington. On Friday, October 15th, I was honored to attend a ribbon cutting celebration to commemorate the opening of Shoreline Bank. This bank is truly the symbol of a vibrant, thriving community because when individuals recognized the need for a new bank, they came together to form Shoreline Bank. Shoreline Bank will serve local customers and businesses to help provide economic growth within the neighborhood.

Community banks, like Shoreline Bank, are the lifeblood of our communities. Just as local grocers know the buying habits of their regular customers, community banks understand the financial needs of their community. I am proud to have this community-based financial institution in the 1st Congressional District. I am sure that they will be a beneficial addition to the city of Shoreline.

I invite my colleagues to join me in saying: Welcome to the neighborhood, Shoreline Bank.

#### HONORING THE 75TH ANNIVERSARY OF THE J.E. DUNN CONSTRUCTION COMPANY

### HON. KAREN MCCARTHY

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 19, 1999*

Ms. MCCARTHY of Missouri. Mr. Speaker, today I take great pride in recognizing the J.E. Dunn Construction Company. This year they celebrate 75 years of excellence as one of Kansas City's most established and respected builders.

In 1924, John Ernest Dunn founded the family owned business of constructing residential homes in our community. Today, the third generation of Dunns lead the company in its numerous high profile projects and generous civic contributions. For 75 years, the Dunns have etched the Kansas City skyline, and built a reputation of integrity and concern for the people in our region. This anniversary marks their outstanding dedication to building relationships and developing our community.

J.E. Dunn Construction Company is made up of construction companies in Oregon, Colorado, Minnesota, Texas, and Missouri. In our own greater metropolitan area the Dunns have been instrumental in the building of the Stowers Institute for Cancer Research, the renovation of the historic Muelbach Hotel and Union Station, and the impressive coiled design of the Reorganized Church of Latter Day Saints Temple in Independence. In addition to these projects, the Dunns employ over a thousand people in Kansas City who have worked on the International Sprint Campus, the Charles Evans Whittaker Federal Courthouse where my Fifth District Office is located, and a number of hospitals including Children's Mercy, the Lee's Summit Hospital, and Saint Luke's.

Beginning with John Ernest Dunn, the entire Dunn clan continues to practice the tradition of serving others. William H. Dunn, Sr., his sons, and scores of his extended family play important roles in the social development of our region. The Boy Scouts of America, the Kansas City Chamber of Commerce, and the Partnership for Children have benefitted from their involvement. The Dunn family participates on several boards and organizations like the United Way, the Salvation Army, the Nelson-Atkins Museum, Rockhurst University, and many other worthy causes.

In celebration of this significant mark, I am honored to recognize their efforts and legacy. Mr. Speaker, please join me in congratulating the Dunn family and the entire Dunn organization for 75 years of service to the community and fine craftsmanship left to signify the standard they have set.
