PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-369. A resolution adopted by the House of the Legislature of the State of Michigan relative to hazardous materials facilities; to the Committee on Environment and Public Works.

HOUSE RESOLUTION NO. 223

Whereas, Federal law under Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA) requires identifying the locations of facilities which handle hazardous materials and also requires the development of a plan for communities to respond to hazardous material releases and to establish right-to-know provisions for hundreds of substances identified as extremely hazardous materials plus an additional 1,000 potentially hazardous substances and toxic chemicals; and

Whereas, More than 3,200 businesses and industries within the Commonwealth of Pennsylvania have been officially identified as being within the SARA Title III planning requirements; and

Whereas, The time frames for reporting chemicals used by facilities under SARA Title III may be considered ineffective at times due to the length of the required reporting period; and

Whereas, Conforming the time frames for reporting Material Safety Data Sheets to State and local officials, mirroring Occupational Safety and Health Administration requirements on the reporting of hazardous materials, may lead to an enhanced and more accurate reporting system; and

Whereas, The establishment of Hazardous Material Exposure Parameters around hazardous material facilities and the requirement of direct reporting to residences and businesses within these parameters may lead to the increased safety of our communities; therefore be it

Resolved, That the House of Representatives of the Commonwealth of Pennsylvania respectfully request that the Congress of the United States pursue amendments to SARA Title III to ensure higher levels of safety for communities which have hazardous material facilities within their borders; and be it further

Resolved, That copies of this resolution be transmitted to the presiding officers of each house of Congress and to each member of Congress from Pennsylvania.
