

Mr. President, I am pleased to note that there are many individuals willing to open their hearts and homes to children whose families are in crisis. These special people play an indispensable role in helping children heal—providing children with a stable and secure environment in which they can grow and develop into successful adults.

Mr. President, approximately 520,000 children live with foster families—about 150,800, or 29 percent, of whom are children living with relatives who are willing to take in relative children, providing them with guidance and a caring and positive home environment. It is in honor of these individuals that I stand today, for without their selflessness, many of the close to 160,000 children would either remain in unhealthy and unsafe environments or be uprooted and placed in temporary group homes. Relatives who take on the responsibility of parents deserve special recognition for their long-lasting contributions to their children and to the larger community.

It is my hope that all of my colleagues will join with me in recognition of all of this country's relatives, who as parents, have had an incalculable positive impact in the lives of young children in need of a family and home.

#### AMENDMENTS SUBMITTED

##### AFRICAN GROWTH AND OPPORTUNITY ACT

##### FEINGOLD AMENDMENTS NOS. 2427-2428

(Ordered to lie on the table.)

Mr. FEINGOLD submitted two amendments intended to be proposed by him to the bill (H.R. 434) to authorize a new trade and investment policy for sub-Saharan Africa; as follows:

##### AMENDMENT NO. 2427

Strike sections 111 through 114 and insert the following:

##### SEC. 111. ENCOURAGING MUTUALLY BENEFICIAL TRADE AND INVESTMENT.

(a) FINDINGS.—Congress makes the following findings:

(1) A mutually beneficial United States Sub-Saharan Africa trade policy will grant new access to the United States market for a broad range of goods produced in Africa, by Africans, and include safeguards to ensure that the corporations manufacturing these goods (or the product or manufacture of the oil or mineral extraction industry) respect the rights of their employees and the local environment. Such trade opportunities will promote equitable economic development and thus increase demand in African countries for United States goods and service exports.

(2) Recognizing that the global system of textile and apparel quotas under the MultiFiber Arrangement will be phased out under the Uruguay Round Agreements over the next 5 years with the total termination of the quota system in 2005, the grant of additional access to the United States market in these sectors is a short-lived benefit.

##### (b) TREATMENT OF QUOTAS.—

(1) KENYA AND MAURITIUS.—Pursuant to the Agreement on Textiles and Clothing, the United States shall eliminate the existing quotas on textile and apparel imports to the United States from Kenya and Mauritius, respectively, not later than 30 days after each country demonstrates the following:

(A) The country is not ineligible for benefits under section 502(b)(2) of the Trade Act of 1974 (19 U.S.C. 2462(b)(2)).

(B) The country does not engage in significant violations of internationally recognized human rights and the Secretary of State agrees with this determination.

(C)(i) The country is providing for effective enforcement of internationally recognized worker rights throughout the country (including in export processing zones) as determined under paragraph (5), including the core labor standards enumerated in the appropriate treaties of the International Labor Organization, and including—

(I) the right of association;

(II) the right to organize and bargain collectively;

(III) a prohibition on the use of any form of coerced or compulsory labor;

(IV) the international minimum age for the employment of children (age 15); and

(V) acceptable conditions of work with respect to minimum wages, hours of work, and occupational safety and health.

(ii) The government of the country ensures that the Secretary of Labor, the head of the national labor agency of the government of that country, and the head of the International Confederation of Free Trade Unions-Africa Region Office (ICFTU-AFRO) each has access to all appropriate records and other information of all business enterprises in the country.

(D) The country is taking adequate measures to prevent illegal transshipment of goods that is carried out by rerouting, false declaration concerning country of origin or place of origin, falsification of official documents, evasion of United States rules of origin for textile and apparel goods, or any other means, in accordance with the requirements of subsection (d).

(E) The country is taking adequate measures to prevent being used as a transit point for the shipment of goods in violation of the Agreement on Textiles and Clothing or any other applicable textile agreement.

(F) The cost or value of the textile or apparel product produced in the country, or by companies in any 2 or more sub-Saharan African countries, plus the direct costs of processing operations performed in the country or such countries, is not less than 60 percent of the appraised value of the product at the time it is entered into the customs territory of the United States.

(G) Not less than 90 percent of employees in business enterprises producing the textile and apparel goods are citizens of that country, or any 2 or more sub-Saharan African countries.

(H) The country has established, or is making continual progress toward establishing—

(i) a market-based economy, where private property rights are protected and the principles of an open, rules-based trading system are observed;

(ii) a democratic society, where the rule of law, political freedom, participatory democracy, and the right to due process and a fair trial are observed;

(iii) an open trading system through the elimination of barriers to United States trade and investment and the resolution of bilateral trade and investment disputes; and

(iv) economic policies to reduce poverty, increase the availability of health care and educational opportunities, expand physical infrastructure, and promote the establishment of private enterprise.

(2) OTHER SUB-SAHARAN COUNTRIES.—The President shall continue the existing no quota policy for each other country in sub-Saharan Africa if the country is in compliance with the requirements applicable to Kenya and Mauritius under subparagraphs (A) through (H) of paragraph (1).

(3) TECHNICAL ASSISTANCE.—The Customs Service shall provide the necessary technical assistance to sub-Saharan African countries in the development and implementation of adequate measures against the illegal transshipment of goods.

(4) OFFSETTING REDUCTION OF CHINESE QUOTA.—When the quota for textile and apparel products imported from Kenya or Mauritius is eliminated, the quota for textile and apparel products from the People's Republic

of China for each calendar year in each product category shall be reduced by the amount equal to the volume of all textile and apparel products in that product category imported from all sub-Saharan African countries into the United States in the preceding calendar year, plus 5 percent of that amount.

(5) DETERMINATION OF COMPLIANCE WITH INTERNATIONALLY RECOGNIZED WORKER RIGHTS.—

(A) DETERMINATION.—

(i) IN GENERAL.—For purposes of carrying out paragraph (1)(C), the Secretary of Labor, in consultation with the individuals described in clause (ii) and pursuant to the procedures described in clause (iii), shall determine whether or not each sub-Saharan African country is providing for effective enforcement of internationally recognized worker rights throughout the country (including in export processing zones).

The Secretary shall take into consideration the comments received in making a determination under such paragraph (1)(C).

(B) CONTINUING COMPLIANCE.—In the case of a country for which the Secretary of Labor has made an initial determination under subparagraph (A) that the country is in compliance with the requirements of paragraph (1)(C), the Secretary, in consultation with the individuals described in subparagraph (A), shall, not less than once every 3 years thereafter, conduct a review and make a determination with respect to that country to ensure continuing compliance with the requirements of paragraph (1)(C). The Secretary shall submit the determination to Congress.

(C) REPORT.—Not later than 6 months after the date of enactment of this Act, and on an annual basis thereafter, the Secretary of Labor shall prepare and submit to Congress a report containing—

(i) a description of each determination made under this paragraph during the preceding year;

(ii) a description of the position taken by each of the individuals described in subparagraph (A)(ii) with respect to each such determination; and

(iii) a report on the public comments received pursuant to subparagraph (A)(iii).

(6) REPORT.—Not later than March 31 of each year, the President shall publish in the Federal Register and submit to Congress a report on the growth in textiles and apparel imported into the United States from countries in sub-Saharan Africa in order to inform United States consumers, workers, and textile manufacturers about the effects of the no quota policy.

(c) TREATMENT OF TARIFFS.—The President shall provide an additional benefit of a 50 percent tariff reduction for any textile and apparel product of a sub-Saharan African country that meets the requirements of subparagraphs (A) through (H) of subsection (b)(1) and subsection (d) and that is imported directly into the United States from such sub-Saharan African country if the business

enterprise, or a subcontractor of the enterprise, producing the product is in compliance with the following:
