

they were only telling us about a couple. So, again, this is another thing that we have asked for is, give us a listing of all the duplicate payments that were made under this old accounting system and did you recover them.

Because maybe some schools maybe did not know they got a duplicate payment and so they maybe spent it, and now all of a sudden they have got to be put on a repayment schedule to get the money back.

Sloppy fiscal management is not in the best interest of anybody. It is not in the best interest of the taxpayer. It is not in the best interest of the Department of Education. And it is not in the best interest of local school districts, either.

Mr. SCHAFFER. Mr. Speaker, to go back to one of the remarkable quotes that my colleague referenced a little earlier, I do not want to name the Member in particular, but one of our colleagues blasted our visit to the Department of Education. He said in the quote, and this is an AP story, he blasted our efforts as "storm trooper tactics" of the three Republicans who visited Friday on the Department of Education.

Mr. HOEKSTRA. Mr. Speaker, I thank the gentleman from Colorado (Mr. SCHAFFER) for participating in the special order.
