S. Con. Res. 67. A concurrent resolution to authorize the printing of "The United States Capitol" A Chronicle, Design, and Politics"; considered and agreed to.

#### STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mrs. BOXER:

S. 1840. A bill to provide for the transfer of public lands to certain California Indian tribes; to the Committee on Indian Affairs.

##### CALIFORNIA INDIAN LAND TRANSFER ACT

Mrs. BOXER. Mr. President, today I am introducing the California Indian Land Transfer Act, which would transfer to eight California tribes approximately 3,500 acres of Bureau of Land Management (BLM) land to be used for housing construction, grazing, resource protection, and non-gaming economic development.

The eight tribes are the Pit River Tribe (Modoc County), the Fort Bidwell Indian Community (Modoc County), the Pala Band of Mission Indians (San Diego County), the Cuyapaipe Band of Mission Indians (San Diego County), the Manzanita Band of Mission Indians (San Diego County), the Barona Band of Mission Indians (San Diego County), and the Morongo Band of Mission Indians (Riverside County).

All of the parcels of BLM land are contiguous to existing reservation trust lands and have been formally classified as suitable for disposal through the BLM land use planning process.

Many California Indian tribes now lack reservations of sufficient size to provide housing or an economic base adequate to meet the needs of their members and their families. Other California Indian reservations have such poor quality lands that the tribal options for economic development are extremely limited. This situation derives from the complex history of federal-tribal relations in California. Instead of the approximately 8.5 million acres of land promised in the treaties, the California tribes now reside on a little more than 400,000 acres. Approximately one-third of California's 107 federally recognized tribes have a land base of less than 50 acres; approximately two-thirds have a land base of
