MOTION TO INSTRUCT CONFEREES ON H.R. 2990, QUALITY CARE FOR THE UNINSURED ACT OF 1999

Mr. DINGELL. Mr. Speaker, I offer a motion to instruct conferees on the bill (H.R. 2990) to amend the Internal Revenue Code of 1986 to allow individuals greater access to health insurance through a health care tax deduction, a long-term care deduction, and other health-related tax incentives; to amend the Employee Retirement Income Security Act of 1974 to provide access to and choice in health care through association health plans; to amend the Public Health Service Act to create new pooling opportunities for small employers to obtain greater access to health coverage through HealthMarts; to amend title I of the Employee Retirement Income Security Act of 1974, title XXVII of the Public Health Service Act, and the Internal Revenue Code of 1986 to protect consumers in managed care plans and other health coverage; and for other purposes.

The SPEAKER pro tempore (Mr. LATOURETTE). The Clerk will report the motion.

The Clerk read as follows:

Mr. DINGELL moves that the managers on the part of the House at the conference on the disagreeing votes of the two Houses on the Senate amendment to the bill H.R. 2990 be instructed to insist on the provisions of the Bipartisan Consensus Managed Care Improvement Act of 1999 (Division B of H.R. 2990 as passed by the House), and within the scope of conference to insist that such provisions be paid for.

The SPEAKER pro tempore. The gentleman from Michigan (Mr. DINGELL) and the gentleman from Virginia (Mr. BLILEY) each will control 30 minutes.

The Chair recognizes the gentleman from Michigan (Mr. DINGELL).

Mr. DINGELL. Mr. Speaker, I yield myself 2 minutes.

Mr. Speaker, we will be shortly appointing conferees to the bipartisan Managed Care Improvements Act. Earlier this month, the House by an overwhelming bipartisan vote of 275-151 approved a strong bill to protect patients' rights. Before voting on final passage, the House rejected three substitutes. We will shortly be going to conference with the Senate.

It will be noted that a number of the conferees appointed by the Senate and perhaps by the Speaker may not have shared the position of the House and in fact have voted against the bill. That is why this bipartisan motion to instruct is so important. It is a reminder to our conferees that the House voted for strong protections for patients and rejected weaker ones. This instructs the conferees to support the position of the House.

Specifically, it is a proposal that covers all health plans, not just a limited few. We want a bill that lets the doctors decide what is in the best interest of the patient, not health insurance bureaucrats. We want a bill that has a
