

a resolution the Yountville Veterans Home residents and staff suggested:

RESOLUTION ENCOURAGING THE AMERICAN PEOPLE TO COMMEMORATE AND RECOGNIZE THE SERVICE AND SACRIFICE OF THOSE WHO DURING THE VIETNAM ERA SERVED IN THE ARMED FORCES OR IN CIVILIAN CAPACITIES IN SUPPORT OF UNITED STATES MILITARY OPERATIONS IN SOUTHEAST ASIA AND ELSEWHERE IN THE WORLD

Whereas the United States Armed Forces conducted military operations in Southeast Asia during the period (known as the "Vietnam era") from February 28, 1961, to May 7, 1975:

Whereas during the Vietnam era more than 2,590,000 American military personnel served in the Republic of Vietnam or elsewhere in Southeast Asia in support of United States military operations in Vietnam, while millions more provided for the Nation's defense in other parts of the world;

Whereas during the Vietnam era untold numbers of civilian personnel also served in support of United States operations in Southeast Asia and elsewhere in the world;

Whereas May 7, 2000, marks the 25th anniversary of the closing of the period known as the Vietnam era;

Whereas citizens throughout the United States traditionally commemorate the service and sacrifice of the Nation's veterans on November 11th each year, the date designated by law as "Veterans Day"; and

Whereas Veterans Day, 1999 would be an appropriate occasion to begin a period for observance of that anniversary and to recognize and appreciate the individuals who served the Nation in Southeast Asia and elsewhere in the world during the Vietnam era: Now, therefore, be it

*Resolved*, That the American people are encouraged through appropriate ceremonies and activities, to recognize and appreciate the selfless sacrifice of the men and women, both military and civilian, who during the Vietnam era served the Nation in the Republic of Vietnam and elsewhere in Southeast Asia or otherwise served in support of United States operations in Vietnam and in support of United States interests throughout the world.

I commend the resolution to all Americans and thank the individuals at the California Veterans Home in Yountville for proposing it as part of this year's Veterans Day observance.

TRIBUTE TO DANIEL J. "DUKE"  
MCVEY

HON. IKE SKELTON

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, November 3, 1999*

Mr. SKELTON. Mr. Speaker, today, I wish to recognize the outstanding achievements of Daniel J. "Duke" McVey, of Jefferson City, Missouri. McVey, who has been president of the Missouri AFL-CIO since 1982, will retire at the end of the year.

Duke McVey has been a truly outstanding civic leader for the AFL-CIO and for the State of Missouri. McVey has been a Member of Pipefitters Local 562, St. Louis, Missouri, since 1954. In 1978, he was elected Secretary-Treasurer of the Missouri State Labor Council for the AFL-CIO, a position he served until 1982. McVey was then elected President of

the Missouri AFL-CIO in 1982. In the 17 years he has headed the Missouri AFL-CIO, he has raised the level of involvement by unions in governmental affairs.

In addition to his service in the AFL-CIO, McVey has been a leader in his community by serving on various councils and committees. He currently serves on the Missouri Training and Employment Council, and has been a member of Trustees of Blue Cross and Blue Shield of Missouri since 1992. McVey serves on the Missouri Business Council, the Missouri Task Force on Workers Compensation, the Commission on Management and Productivity, and the Missouri State Council on Vocational Education. Since 1994, McVey has served on Missourians for Equal Justice, the Governor's partnership on the Transition from School to Work, and Goals 2000 State Panel. McVey served as the Literacy Investment for Tomorrow (LIFT) Board President in 1995, and he is a member of the Missouri Global Partnership, the Children's Trust Fund, and the Commission on the Future of the South.

Duke McVey has been an extraordinary leader for labor, for his community, and for his State. I know the House will join me in paying tribute to this outstanding leader and wishing him and his family—his wife Arlene, and his children, grandchildren, and great grandchildren—all the best in the years ahead.

Mr. McINNIS. Mr. Speaker, I would like to take a moment to recognize the career of one of Colorado's leading ladies, and distinguished member of the Bayfield School District Board of Education, Katherine L. Phelps. In doing so, I would like to honor this individual who, for many years, has exhibited dedication and experience in the education system of Bayfield, Colorado.

Throughout the course of her distinguished career, Katherine's dedication to our children has been unparalleled. She has consistently worked with the board, the district, and the community to make the Bayfield schools the best they could be.

Aside from her involvement in the school district, she also takes on an active role in the community. She is a member of the School Accountability Committee, the 4-H club, the booster club, and numerous sports programs.

Together with her husband, Arvin, she has five children: Sharla, Rick, Trent, Dion, and Wendy. She also has seven grandchildren and one on the way. Undoubtedly, these fine young people will carry the torch of dedication and leadership that their mother embraces so diligently.

It is with this, Mr. Speaker, that I say thank you to Katherine Phelps for her exceptional service on the Bayfield School District Board of Education. Because of Mrs. Phelps' dedicated service, it is clear that Colorado is a better place. For many years to come, her legacy of hard work and dedication will be remem-

bered. I wish her all the best in her well deserved retirement and in all future endeavors.

U.S. POLICY TOWARD NORTH  
KOREA

HON. TONY P. HALL

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, November 3, 1999*

Mr. HALL of Ohio. Mr. Speaker, I rise today to express concern over some of the findings of the Republican task force formed to examine U.S. policy toward North Korea.

Most troubling to me is its assertion that there have been significant diversions of food aid we have donated in response to that country's famine. All evidence suggests that this is just not true. Moreover, it is clear—to me, to our military stationed in South Korea, to policymakers in Washington, Seoul and Tokyo, and to attentive observers—that U.S. food aid to North Koreans is thawing 50 years of icy hostility toward Americans. Our wheat and corn, and our aid workers, are putting the lie to decades of Pyongyang's propaganda about American intentions. We are proving by our presence to all who see us and our sacks of food that Americans are compassionate people who will not stand by while innocent Koreans starve and suffer.

As you know, I have visited North Korea five times—not out of any particular interest in the country, but because their people are suffering. It is a famine that, I believe, history will mark as one of this decade's worst.

In my trips, I always have brought my own translator as well as a member of our armed forces. Other members of my delegations have included a Marine who served in the Korean War—Congressional medal of honor winner General Ray Davis; a doctor from the Centers for Disease Control; reporters from USA Today and the Washington Post; an agriculture expert; and a Korean-American economist who specializes in humanitarian aid.
