STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. BINGAMAN (for himself and Mr. DOMENICI):
S. 366. A bill to amend the National Trails System Act to designate El Camino Real de Tierra Adentro as a National Historic Trail; to the Committee on Energy and Natural Resources.

Mr. BINGAMAN. Mr. President, I rise today to introduce a bill to amend the National Trails System Act to designate El Camino Real de Tierra Adentro as a National Historic Trail. Senator DOMENICI is once again a co-sponsor of this legislation which enjoyed bipartisan support in both the Senate and in the House in the last Congress. I want to thank Senator DOMENICI for his continued support of this bill.

While we passed this bill last year in the Senate, it appeared that there just wasn't enough time for the House to go through its process on the bill at the end of the 105th Congress. My hope is that we will be able to move this bill through the Senate quickly this year and that the House will pass it as well.

While this legislation is important to my home state of New Mexico, it also contributes to the national dialogue on the history of this country and who we are as a people. In history classes across the country, children learn about the establishment of European settlements on the East Coast, and the east to west migration which occurred
