LEGISLATIVE PROGRAM

(Mr. BONIOR asked and was given permission to address the House for 1 minute.)

Mr. BONIOR. Mr. Speaker, I rise for the purpose of inquiring from the majority leader the schedule for the remainder of the week and for next week.

Mr. ARMEY. Mr. Speaker, will the gentleman yield?

Mr. BONIOR. I yield to the gentleman from Texas.

Mr. ARMEY. Mr. Speaker, I am pleased to announce that we have completed legislative business for the week. I thank all my colleagues for their hard work and patience this past week as we labored to wrap up the legislative session.

The House will next meet on Monday November 8 at 12:30 p.m. for morning hour, and at 2 o'clock p.m. for legislative business. We will consider a number of bills under suspension of the rules, a list of which will be distributed to Members' offices later today. On Monday we do not expect recorded votes until 6 o'clock p.m.

On Tuesday, November 9, the House will take up H.R. 3073, the Fathers Count Act of 1999, and H.R. 1714, the Electronic Signatures in Global National Commerce Act, both subject to a rule. We are also likely to consider a number of bills under suspension of the rules and any appropriations business ready for consideration.

Mr. Speaker, authorizing committees are hard at work wrapping up key bills with their Senate counterparts, so we expect a number of conference reports next week, including H.R. 1554, the Satellite Home Viewer Act, H.R. 100, the FAA Reauthorization Act, H.R. 1555, the Intelligence Authorization Act for Fiscal Year 2000, and H.R. 1180, the Work Incentives Improvement Act of 1999.

Mr. Speaker, the House will also pass a rule allowing suspensions on any day of the week, provided there are two hours of prior notification to the House. We will, of course, consult the minority leader should we add suspensions to Wednesday's schedule.

Mr. Speaker, we are obviously making good progress on our appropriations business. The continuing resolution passed by the Congress this week will be in effect until November 10, and we are all working hard to finish our business by that date. I will, of course, try to keep Members apprised of any scheduling changes as soon as we have that information.

Mr. Speaker, with that I want to thank the gentleman for yielding.

Mr. BONIOR. I thank my colleague for his information. We can assume late evenings until we finish, is that a relatively accurate assessment of where we are in the process, until we finish this session?

Mr. ARMEY. Yes, I think Members should understand that we will be coming back Monday night; we would be working Monday night, Tuesday, and hoping to finish on Wednesday. All the conferees on the various appropriations bills are going to be working over the weekend and working hard. So we should expect to see long days, perhaps periods where we go into recess subject to the call of the Chair.

These are frustrating times, but they are times where once the logistical work of moving paperwork and these things are fulfilled, and with any good fortune and good work and the continued cooperation across the aisle and across the long corridor, hopefully we can meet our objective to complete our work by Wednesday, sometime in the evening.

Mr. BONIOR. I thank the gentleman.

CRITICS QUESTION USEC'S REQUEST FOR \$200 MILLION

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Ohio (Mr. STRICKLAND) is recognized for 5 minutes.

Mr. STRICKLAND. Mr. Speaker, I rise today to speak about an issue that is of great importance to our Nation and I believe to our Nation's national security.

A few months ago we chose unwisely, I believe, to privatize the uranium enrichment industry, taking this from a government-owned and operated industry and turning it over to the private sector.

Now, the Government supposedly received about \$1.9 billion from the sale of this industry, but immediately after privatization, or shortly after privatization, we forced the taxpayers to spend \$325 million to keep a deal with the Russians, enabling us to bring materiel from their dismantled warheads into our country. This private industry is now asking for an additional \$200 million bailout from this Congress and from the taxpayer.

Jonathan Riskind, who writes for the Columbus Dispatch, has recently authored an article on this privatization arrangement and the request for \$200 million, and I would like to share some of the comments that were contained in Mr. Riskind's Columbus Dispatch article.

He begins by saying the Federal corporation that was created to cut the costs of running Southern Ohio's uranium enrichment plant wants a \$200 million bailout from the taxpayer. Critics, ranging from lawmakers to arms control experts, say the request is further evidence, further evidence, that officials made a bad decision in privatizing the United States Enrichment Corporation.

At its plants in Piketon, Ohio, and in Paducah, Kentucky, USEC converts
