The PRESIDENT pro tempore. We will now be led in prayer by Father Paul Lavin, St. Joseph’s Catholic Church, Washington, DC. We are pleased to have you with us.

PRAYER

The guest Chaplain, Father Paul Lavin, offered the following prayer:

In the book of Ecclesiastes we hear:
A good name is better than ointment, and the day of death than the day of birth. It is better to harren to a wise man's re-buke than to harren to the song of fools. For as the cracking of thorns under a pot, so is the fool's laughter. Better is the end of speech than its begin-ning; better is the patient spirit than the lofty spirit.—Eccl. 7:1-8.

Let us pray:
As this session of the Senate draws to a close, let the end of our speech be better than the beginning. Let the decisions we have made and the ones we will make in these closing hours reflect Your will and be pleasing to You. May the time we and our staffs spend with our families and with those we represent be really times of re-creation in Your Spirit, and may all of us return here safely.
May the gifts of the Father, Son, and Holy Spirit unite us in faith, hope, and love, now and forever. Amen.

PLEDGE OF ALLEGIANCE

The Honorable WAYNE ALLARD, a Senator from the State of Colorado, led the Pledge of Allegiance as follows:
I pledge allegiance to the Flag of the United States of America, and to the Repub-lic for which it stands, one nation under God, indivisible, with liberty and justice for all.

AMENDMENT NO. 2752

The PRESIDING OFFICER. Under the previous order, the Senate will now be 1 hour of debate on the Wellstone amendment No. 2752.

Mr. WELLS. Mr. President, I ask unanimous consent that the order for the quorum call be rescinded.

The PRESIDING OFFICER. Without objection, it is so ordered. The clerk will call the roll.

Mr. WELLS. Mr. President, I yield 10 minutes to Senator DORGAN.

The PRESIDING OFFICER. The Senator from North Dakota is recognized.

Mr. DORGAN. Mr. President, first of all, I commend Senator WELLSTONE for his leadership on this issue. I rise to support the amendment that he has offered. I have been involved with Senator WELLSTONE in constructing this proposal. The proposal very simply is to try to have a time out of sorts with respect to the mergers that are occur-ring in the agricultural processing in-dustries. The question at the root of all of this is, What is the value of a family farm in our country and do we care about whether this country has family farms and to what extent?

If we do, if we care about keeping family farmers in our country’s future, then we must do something about the concentration that is occurring and plugging the arteries of the free mar-ket system in the agricultural econ-omy. Family farmers are not able to compete in a free and open system. It is just not happening. Why? Because of these mergers and concentration in the large agricultural industries.

Let me show you with this chart what is happening to family farmers. The family farm share of the retail cereal grains dollar has gone down, down, and way down. Why? Why is the family farm share of the food dollar going down? Because as my friend from Min-nesota likes to say, the big food giants have muscled their way to the dinner table. He is absolutely correct. They are grabbing more of the food dollar.

The family farmer gets less. The food processors are making substantial amounts, record dollars, and the family farmers are, unfortunately, not able to make it.

The farm share of the retail pork dol-lar is down, down, way down. The family farm share of the retail beef dollar? Exactly the same thing.
