Mr. HANSEN. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

Mr. GEORGE MILLER of California. Mr. Speaker, I yield such time as he may consume to the gentleman from New Mexico (Mr. UDALL).

Mr. UDALL of New Mexico. Mr. Speaker, pursuant to the accommodation that provides for a transfer by the Secretary of the Interior of real property and improvements at an abandoned and surplus ranger station in the Carson National Forest to Rio Arriba County—

This site is known locally as the Old Coyote Administration Site, and it is located near the town of Coyote, New Mexico. This site will continue to be used for public purposes, and may be used as a community center, fire station, fire substation, storage facilities, or space to repair road maintenance equipment or other county vehicles.

Mr. Speaker, the Forest Service has moved its operations to a new facility and has determined that this site is of no further use. Furthermore, the Forest Service has notified the General Services Administration that improvements to the site are considered surplus and the sites are available for disposal.

In addition, the lands on which the facility is built is withdrawn public domain land, and falls under the jurisdiction of the Bureau of Land Management. Since neither the Bureau of Land Management nor the Forest Service has future plans to utilize this site, the transfer of the land and the facilities to Rio Arriba County would create a benefit to a community that would make productive use of it.

This county is one that has a heavy Federal land presence. This will enable them to utilize the land that they have not been able to have and be able to do some very productive things.

In summary, this legislation creates a situation in which the Federal government, the State of New Mexico, and the people of Rio Arriba County all benefit. I urge my colleagues to support this bill. It is a good bill. I also want to thank our senior Senator from New Mexico, Senator DOMENICI, for all his hard work on this bill over the years.

Mr. GEORGE MILLER of California. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

Mr. HANSEN. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks on S. 349 and R. 129.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Utah?

There was no objection.

ANNOUNCEMENT OF MEASURES TO BE CONSIDERED UNDER SUSPENSION OF THE RULES

Mr. HANSEN. Mr. Speaker, pursuant to House resolution 374, I announce the following measures be taken up under suspension of the rules:

S. 1398, Regarding Coastal Barriers; H.R. 3381, OPIC reauthorization; H. Con. Res. 128, Treatment of Religious Minorities in Iran.

MINUTEMAN MISSILE NATIONAL HISTORIC SITE ESTABLISHMENT ACT OF 1999

Mr. HANSEN. Mr. Speaker, I move to suspend the rules and pass the Senate bill (S. 382) to establish the Minuteman Missile National Historic Site in the State of South Dakota, and for other purposes.

The Clerk read as follows:

S. 382

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE. This Act may be cited as the “Minuteman Missile National Historic Site Establishment Act of 1999”.

SEC. 2. FINDINGS AND PURPOSES.

(a) FINDINGS.—Congress finds that—

(1) the Minuteman II intercontinental ballistic missile (referred to in this Act as “ICBM”) launch control facility and launch facility known as “Delta 1” and “Delta 9”, respectively, have national significance as the best preserved examples of the complex national character of American history during the Cold War;

(2) the facilities are symbolic of the dedication and pride in the armed forces exhibited by the missileers of the Air Force stationed throughout the upper Great Plains in remote and forbidding locations during the Cold War;

(3) the facilities provide a unique opportunity to illustrate the history and significance of the Cold War, the arms race, and ICBM development; and

(4) the National Park System does not contain a unit that specifically commemorates or interprets the Cold War.

(b) PURPOSES.—The purposes of this Act are—

(1) to preserve, protect, and interpret for the benefit and enjoyment of present and future generations the structures associated with the Minuteman II missile defense system;

(2) to interpret the historical role of the Minuteman II missile defense system (A) as a key component of America’s strategic commitment to preserve world peace; and

(B) in the broader context of the Cold War; and

(3) to complement the interpretive programs relating to the Minuteman II missile defense system offered by the South Dakota Air and Space Museum at Ellsworth Air Force Base.

SEC. 3. MINUTEMAN MISSILE NATIONAL HISTORIC SITE. (a) ESTABLISHMENT.—

(1) IN GENERAL.—The Minuteman Missile National Historic Site in the State of South Dakota (referred to in this Act as the “historic site”) is established as a unit of the National Park System.

(2) COMPONENTS OF SITE.—The historic site shall consist of the land and interests in land comprising the Minuteman II ICBM launch control facilities, as generally depicted on the map referred to as “Minuteman Missile National Historic Site”, numbered 406/80,008 and dated September, 1998, including—

(A) the area surrounding the Minuteman II ICBM launch control facility depicted as “Delta 1 Launch Control Facility”; and

(B) the area surrounding the Minuteman II ICBM launch control facility depicted as “Delta 9 Launch Facility”.

(3) AVAILABILITY OF MAP.—The map described in paragraph (2) shall be on file and available for public inspection in the appropriate offices of the National Park Service.

(4) ADJUSTMENTS TO BOUNDARY.—The Secretary of the Interior (referred to in this Act as the “Secretary”) is authorized to make minor adjustments to the boundary of the historic site.

(b) ADMINISTRATION OF HISTORIC SITE.—The Secretary shall administer the historic site in accordance with this Act and laws generally applicable to units of the National Park System, including—

(1) the Act entitled “An Act to establish a National Park Service, and for other purposes”, approved August 25, 1916 (16 U.S.C. 1 et seq.); and

(2) the Act entitled “An Act to provide for the preservation of historic American sites, buildings, objects, and antiquities of national significance, and for other purposes”, approved August 21, 1935 (16 U.S.C. 461 et seq.).

(c) COORDINATION WITH HEADS OF OTHER AGENCIES.—The Secretary shall consult with the Secretary of Defense and the Secretary of State, as appropriate, to ensure that the administration of the historic site is in compliance with applicable treaties.

(d) COOPERATIVE AGREEMENTS.—The Secretary may enter into cooperative agreements with appropriate public and private entities and individuals to carry out this Act.

(e) LAND ACQUISITION.—

(1) IN GENERAL.—Except as provided in paragraph (2), the Secretary may acquire land and interests in land within the boundaries of the historic site by—
November 17, 1999

CONGRESSIONAL RECORD—HOUSE

30021

(A) donation;
(B) purchase with donated or appropriated funds; or
(C) exchange or transfer from another Fed-
eral agency.

(2) PROHIBITED ACQUISITIONS.—

(2) CONTAMINATED LAND.—The Secretary shall not acquire any land under this Act if
the Secretary determines that the land to be acquired is contaminated with hazardous substances (as defined in section 101 of the Comprehensive En-
vironmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. 9601)), unless, with respect to the land, all remedial action necessary to protect human health and the environment has been taken under that Act.

(B) SOUTH DAKOTA LAND.—The Secretary may acquire land or an interest in land owned by the State of South Dakota only by donation or exchange.

(1) GENERAL MANAGEMENT PLAN.—

(1) IN GENERAL.—Not later than 3 years after the date funds are made available to carry out this Act, the Secretary shall prepare a general management plan for the his-
toric site.

(2) CONTENTS OF PLAN.—

(A) NEW SITE LOCATION.—The plan shall in-
clude all appropriate locations for a visitor facility and administrative site within the areas depicted on the map described in subsection (a)(2) as—

(i) “Support Facility Study Area—Alter-
native A’’; or

(ii) “Support Facility Study Area—Alter-
native B’’.

(B) NEW SITE BOUNDARY MODIFICATION.—On a determination by the Secretary of the ap-
propriate location for a visitor facility and administrative site, the boundary of the his-
 toric site shall be modified to include the selected site.

(3) COORDINATION WITH BADLANDS NATIONAL PARK.—In developing the plan, the Secretary shall consider coordinating or consolidating appropriate administrative, management, and personnel functions of the historic site and the Badlands National Park.

SEC. 4. AUTHORIZATION OF APPROPRIATIONS.

(1) IN GENERAL.—There are authorized to be appropriated such sums as are necessary to carry out this Act.

(2) AIR FORCE FUNDS.—

(1) TRANSFER.—The Secretary of the Air
Force shall transfer to the Secretary any funds specifically appropriated to the Air
Force in fiscal year 1999 for the maintenance, protection, or preservation of the land or interests in land described in section 3.

(2) USE OF AIR FORCE FUNDS.—Funds trans-
ferred under paragraph (1) shall be used by the Secretary for establishing, operating, and maintaining the historic site.

(c) LEGACY RESOURCE MANAGEMENT PRO-
GRAM.—Nothing in this Act affects the use of any funds available for the Legacy Resource Management Program being carried out by the Air Force that, before the date of enact-
ment of this Act, were directed to be used for resource preservation and treaty compli-
ance.

The SPEAKER pro tempore. Pursuant
to the rule, the gentleman from Utah (Mr. HANSEN) and the gentleman from California (Mr. GEORGE MILLER) each will control 20 minutes.

The Chair recognizes the gentleman from Utah (Mr. HANSEN).

Mr. HANSEN. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, S. 382, introduced by Senator TIM JOHNSON from South Da-
kota, authorizes the establishment of the Minuteman Missile National His-
 toric Site in the State of South Dakota as a unit of the National Park System.

The recognition should also go to the gen-
tleman from South Dakota (Mr. THUNE), who has worked very hard to move this bill forward through the House.

Mr. Speaker, in 1961, at the height of the Cold War, the United States de-
ployed the Minuteman Interconti-
nental Ballistic Missile. By 1963, Ells-
worth Air Force Base in South Dakota had a large combat-ready missile wing with 165 sites. With the collapse of the Soviet Union, the Cold War effectively ended, and in 1991 the United States signed the Strategic Arms Reduction Treaty with the Soviet Union.

START I required that all Minute-
man II missiles be deactivated, and in fact, the Delta Nine launch silo is the only IBM launch tube remaining. A special resource study which was com-
pleted in 1995 by the Departments of the Interior and Defense determined that establishing the Minuteman Mis-
sile National Historic Site was suitable and feasible.

This Site will be comprised of sepa-
rate and discrete areas consisting of the Delta One launch control facility, the Delta Nine launch facility, along with a proposed visitor center adminis-
trative facility. The Secretary of the Interior is also directed to prepare a man-
agement plan for the site, in co-
 ordination with the Badlands National Park.

This bill is supported by the adminis-
tration and the minority, and I urge my colleagues to support S. 382.

Mr. Speaker, I reserve the balance of my time.

Mr. GEORGE MILLER of California.

Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, S. 382, as just explained by the subcommittee chair, establishes the Minuteman National Historic Site in South Dakota to encompass both the Delta One and Delta Nine missile sites at Ellsworth Air Force Base.

We have no problem with this legisla-
tion, and recommend its passage.

Mr. Speaker, I have no further re-
quests for time, and I yield back the balance of my time.

Mr. HANSEN. Mr. Speaker, I yield such time as he may consume to the gentleman from South Dakota (Mr. THUNE).

Mr. THUNE. Mr. Speaker, I thank the gentleman for yielding time to me.

Mr. Speaker, first let me thank the distinguished gentleman from Utah (Mr. HANSEN), the chairman, for all his help in moving this legislation.

The other body has passed Senate bill 382, the Minuteman Missile National Historic Site Establishment Act of 1999, by unanimous consent back on March 25, 1999, and I urge the House to pass the bill today.

I, like many other Americans, grew during the Cold War when tensions between America and the Soviet Union were at their highest point. My memo-
ries of this time are vivid. I remember Vietnam, the renewed arms race, and the immense pride and patriotism that I felt when the Berlin Wall came down.

During this period, 150 Minuteman II missiles remained on nuclear alert at Ellsworth Air Force Base.

In western South Dakota, the 44th Missile Wing blended with the scenery with the Black Hills as a backdrop. Spread out over 13,500 square miles, the soldiers grew to know the locals and the locals the soldiers. On the Fourth of July, 1994, when the wing was deacti-
vated, something was missing on the high plains of western South Dakota.

On occasion, I still meet soldiers who manned the silo stationed at Ells-
worth, and they tell me how wonderful the people of South Dakota are.

Mr. Speaker, I grew up in Murdo, South Dakota, just 15 miles east on Interstate 90 from the Delta-1 Com-
mand Center. Surrounding that center were 10 nuclear missiles. In South Da-
kota, an important reality of the Cold War existed. For current generations and generations to come, the creation of the Minuteman Missile National Historic Site would provide an oppor-
tunity to see what happened behind the scenes.

We can learn more about the story of the lives of the officers and men who lived and worked in the mis-
sile silos and command centers.

Our opportunity to preserve this piece of history is limited because all Minuteman II silo launchers have been eliminated except for the site des-
egned Delta-9. Delta-1 and Delta-9 provide a unique opportunity to pre-
save that history. Under an inter-
agency agreement between the Air Force and the National Park Service, this site has been temporarily pre-
served. However, this agreement has expired, prompting the need for imme-
diate legislative action.

Congressional action on Senate bill 382 also bears important national security implications. The Ballistic Missile Development Organization’s National Missile Defense Program, which relies on the boosters from Minuteman missiles in testing. However, the Strategic Arms Reduction Treaty, or START, pre-
cludes the use of encryption tech-
ology during flight tests until all mis-
siles of a type have been retired or turned into a museum. Preservation of this site would eliminate the security concern.

From a purely practical standpoint, the site is conveniently located along the major access highway to the Black Hills National Forest, Mount Rush-
more National Monument and the Bad-
lands National Park. The Minuteman Missile site would form a mutually
beneficial relationship with the existing attractions.

Mr. Speaker, we now face a crucial point that demands action. In addition to the encryption issue, an important landmark would be lost forever should the site be destroyed. These sites serve as an important reminder of our Cold War strategy and should be preserved for today and future generations.

Mr. Speaker, there is a sign painted on the door leading into the Delta-1 control room. Below a pizza box someone wrote, and I quote, “Worldwide delivery in 30 minutes or less, or your next one is free.” Dark humor, I know, but it was a reality. Civilization as we all know it could have been destroyed in 30 minutes. The character and personalities of our soldiers who served a critical role in the defense of our Nation should be preserved.

Mr. Speaker, I therefore ask the House to join me in supporting this important legislation and to move closer to the establishment of what would prove to be an invaluable asset to this Nation.

Mr. Speaker, I thank the gentleman from Utah (Mr. HANSEN) for his work in helping us move this legislation forward.

First, let me thank Chairman YOUNG and Chairman HANSEN for all their help moving this legislation. The other body passed S. 382, the Minuteman Missile National Historic Site Establishment Act of 1999, by unanimous consent on March 25, 1999, and I urge the House to pass the bill today.

I, like many Americans, grew up during the Cold War when tensions between America and the Soviet Union were at their highest point. My memories of this time are vivid. I remember Vietnam, the renewed arms race, and the immense pride and patriotism I felt when the B-52 bomber took off. During this period, 150 Minuteman II missiles remained on nuclear alert at Ellsworth AFB.

In western South Dakota, the 44th missile wing blended with the scenery with the Black Hills as a backdrop. Spread out over 13,500 square miles, the soldiers grew to know the locals and the locals the soldiers. On occasion, I still meet soldiers who manned the silos stationed at Ellsworth, and they tell me how wonderful the people of South Dakota are.

I grew up in Murdo, South Dakota, just 60 miles east on I-90 from the Delta One command center. Surrounding that center were 10 miles east on I–90 from the Delta One control room. Below a pizza box, someone wrote, “World-wide delivery in 30 minutes or less or your next one is free.” Dark humor, I know, but it was a reality. Civilization as we all know it could have been destroyed in 30 minutes. The character and personalities of our soldiers who served a critical role in the defense of our nation should be preserved.

I, therefore, ask the House to join me in supporting this important legislation and move closer to the establishment of what would prove to be an invaluable asset to our Cold War strategy and should be preserved for today and future generations.

There is a sign painted on the door leading into the Delta One control room. Below a pizza box, someone wrote, “World-wide delivery in 30 minutes or less or your next one is free.” Dark humor, I know, but it was a reality. Civilization as we all know it could have been destroyed in 30 minutes. The character and personalities of our soldiers who served a critical role in the defense of our nation should be preserved.

I, therefore, ask the House to join me in supporting this important legislation and move closer to the establishment of what would prove to be an invaluable asset to this Nation.

I rise in support of S. 382 with one reservation. I do not oppose the establishment of the Minuteman Missile National Historic Site in the State of South Dakota. I do, however, have significant concerns with directing the Secretary of the Air Force to transfer funds to the Secretary of the Interior for the purpose of establishing, operating, and maintaining the site.

In my judgment, the financial responsibility for maintaining the National Park System does not rest with the Department of the Air Force. Section 4(b)(1) of the bill provides for such a transfer of funds. However, I would note that the funds specified for transfer in section 4(b)(1) have expired. In the interest of facilitating the establishment of the Minuteman Missile National Historic Site, I saw no need, as a member of the Committee on Resources, to strike the most provision concerning the transfer of funds and thereby send the bill back to the Senate at this late date in the session.

As a member of the Committee on Armed Services and Chairman of the Subcommittee on Military Installations and Facilities, I want to note further that an authorization to transfer such funds is properly within the jurisdiction of the Committee on Armed Services. I think it is fair to say that the Committee, and certainly this member, would oppose any effort to compel the Secretary of the Air Force to utilize military construction, operations and maintenance, or other funds authorized and appropriated for fiscal year 2000 to support the establishment, operations, and maintenance of this site. Mr. HANSEN. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore (Mr. LAHOOD). The question is on the motion offered by the gentleman from Utah (Mr. HANSEN) that the House suspend the rules and pass the Senate bill, S. 382.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the Senate bill was passed.

A motion to reconsider was laid on the table.

GENERAL LEAVE

Mr. HANSEN. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and add extraneous material on S. 382, the Senate bill just passed.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Utah?

There was no objection.

PERSONAL EXPLANATION

Mr. HILL of Montana. Mr. Speaker, I was unavoidably detained on Tuesday, November 16, for personal medical leave. Should I have been present for rolcall votes 587 through 595, I would have voted the following way:

On rolcall vote 587, I would have voted yes; on rolcall vote 588, I would have voted yes; on rolcall vote 589, I would have voted yes; on rolcall vote 590, I would have voted yes; on rolcall vote 591, I would have voted yes; on rolcall vote 592, I would have voted yes; on rolcall vote 593, I would have voted yes; on rolcall vote 594, I would have voted yes; on rolcall vote 595, I would have voted yes.

CITY OF SISTERS, OREGON, LAND CONVEYANCE

Mrs. CHENOWETH-HAGE. Mr. Speaker, I move to suspend the rules and pass the Senate bill (S. 416) to direct the Secretary of Agriculture to convey to the city of Sisters, Oregon, a certain parcel of land for use in connection with a sewage treatment facility, as amended.

The Clerk read as follows:
