

THE 100TH ANNIVERSARY OF THE
FRATERNAL ORDER OF EAGLES
AERIES #33 and #34

HON. BRUCE F. VENTO

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 16, 1999

Mr. VENTO. Mr. Speaker, I want to note for the U.S. House of Representatives the 100th Anniversary of St. Paul, Minnesota's Fraternal Order of Eagles, Aerie #33 which was founded in 1899 and Minneapolis Aerie #34 which was founded the same year. These anniversaries are being celebrated this month with gatherings which reflect on the century of service and the positive impact upon families and communities as a result of the Fraternal Order of Eagles Aeries #33 and #34 in Minnesota.

The Minnesota chapters of the Eagles in 1998 alone raised \$838,000 and nationally, the Fraternal Order of the Eagles (F.O.E.) donated \$7 million to the Max Baer Heart Fund, \$6 million for the Jimmy Durante Crippled Children and Cancer fund, \$4 million for Alzheimer's research and \$1.5 million to the Make a Wish Foundation.

These contributions speak for themselves as to the important role and spirit of care for those in need the F.O.E. has performed. Equally important are the local efforts and contributions of time and funds to youth and families in many local communities across the nation which has helped to sustain athletic and recreational activities and involvement that has enabled participation by many low and moderate income children and youth.

Even at a dinner celebrating their 100th anniversary in St. Paul, the volunteer athletic club of young men involved in boxing, and servers for the event were generously handed \$200 in tips and the regular monthly support for their program monthly.

Certainly, as we emphasize the investment in families and communities and recognize anew today the importance of such private community based efforts, we should give a big thanks to the F.O.E. and especially recognize a century of service for St. Paul F.O.E. #33 and Minneapolis F.O.E. #34 in Minnesota. Their leadership and commitment to people has helped shape our cities, state and nation and certainly we hope that the F.O.E. will have positive success for the next century. They are an outstanding, quintessential example of the American spirit of generosity and grassroots non-profit self help that have well served our nation in the past, today and hopefully for the millennium.

TRIBUTE TO BRIAN LANCE
GUTLIEB

HON. ANTHONY D. WEINER

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 16, 1999

Mr. WEINER. Mr. Speaker, I rise today to recognize an upstanding member of our community who is being recognized by the Brighton-Atlantic Unit #1672 of B'nai Brith on the occasion of its 1999 Youth Services Award Breakfast.

Brian Lance Gotlieb has earned a well-deserved reputation as a tireless fighter on behalf of the youth in our community, and is rightfully honored for his achievements by B'nai Brith on this special occasion.

Gotlieb, who serves as the liaison to Intermediate School 303 and Public Schools 90, 100, 209 and 253, is currently working on different ways to protect our community's children. As a member of the District 21 School Board, he has initiated the process of identifying unsafe streets throughout District 21 to ensure the safety of all pedestrians. And, throughout this school year, Gotlieb will be hosting a series of Child Safety Programs that will provide parents with free copies of their children's fingerprints along with Polaroid pictures to present to law enforcement personnel in the event of an emergency.

Further, as my Deputy Chief of Staff, Brian Lance Gotlieb has served as my liaison to the Board of Education and School Construction Authority for the last three years. In addition,

he is primarily responsible for the intake and resolution of constituent concerns in my Community Office located in the Sheepshead Bay section of Brooklyn.

Gotlieb, who credits his late mother, Myrna, with teaching him the importance of helping others and being active in the community, created the highly successful organization Shorefront Toys for Tots in 1995. Founded in his mother's memory, Shorefront Toys for Tots has helped bring Chanukah cheer to more than 7,500 underprivileged children in the Shorefront community.

As a student at the Rabbi Harry Halpern Day School and its Talmud Torah High School division, Gotlieb packed and delivered Pass-over packages to aid needy senior citizens. Gotlieb strengthened his bond with the Jewish community as an undergraduate and graduate student through his involvement with the Jewish Culture Foundation at New York University and B'nai B'rith Hillel at the University of Florida, where he served as a Reporter for the Jewish Student News.

Gotlieb is a member of Community Board 13 and serves on it's Education and Library and Youth Services committees. He also serves his neighbors as a member of the Board of Directors in Section 4 of Trump Village and as an Executive Board member of the 60th Precinct Community Council.

Mr. Speaker, I applaud the members of Brighton-Atlantic Unit #1672 of B'nai Brith for recognizing the achievements of Brian Lance Gotlieb, a tireless worker for the people of Brooklyn and Queens.

INTRODUCTION OF DICKINSON
DAM BASCULE GATES SETTLEMENT
ACT

HON. EARL POMEROY

OF NORTH DAKOTA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 16, 1999

Mr. POMEROY. Mr. Speaker, I rise today to introduce the Dickinson Dam Bascule Gates Settlement Act to bring closure to a long-standing issue between the city of Dickinson, North Dakota and the Bureau of Reclamation. The legislation would permit the Secretary of the Interior to accept a one-time lump sum payment of \$300,000 from the city of Dickinson in lieu of annual payments required under the city's existing repayment contract for the construction of the bascule gates on the Dickinson Dam.

In 1950, a dam was constructed on the Heart River in North Dakota to provide a supply of water to the city of Dickinson. However, by the 1970s, the need for additional water in the area was identified. Early in the 1980s the bascule gates were constructed as a Bureau of Reclamation project to provide additional water storage capacity in Lake Patterson, the reservoir created by the Dickinson Dam. At the time, the city expressed concern about the cost and viability of the gates. Prior to the placement of the gates in North Dakota, no testing on the gates had been conducted at any location in a northern climate. Unfortunately, this significant oversight proved fatal for the gates. In 1982, shortly after the start of
