Mr. KINGSTON. Mr. Speaker, since October 1924 over three million men and women have benefited from the superb communication and leadership programs of the Toastmasters. I am one of those 3 million. Today, I want to recognize Toastmasters International now in their 75th year of existence, and wish to commend the Savannah, Georgia, Toastmasters Club 705 on their own 50th anniversary.

Seventy-five years ago, Dr. Ralph C. Smedley, met a group of men in the basement of a YMCA in Santa Ana, California and formed a club “to afford practice and training in the art of public speaking and in presiding over meetings, and to promote sociability and good fellowship among its members.” Since 1924 that small group of men has grown into a remarkable non-profit organization with over 174,900 members representing 8,642 clubs in more than 60 countries around the world.

Toastmasters International has been referred to as “the world’s premier self-improvement club.” Through seventy-five years, millions of men and women have improved their leadership skills, self-confidence and communications abilities through the public speaking programs of Toastmasters International. "Home Improvements" star Tim Allen, Miss America 1996 Tara Dawn Holland, and Georgia Senator Sam Nunn are credited with being "celebrity Toastmasters." But it is our local businesses, Governments, and communities that benefit from the abilities gained by those who choose to become better listeners, thinkers, and speakers through involvement in this organization.

The Savannah, Georgia, Toastmasters Club 705, was chartered in 1949 and recently celebrated their 50th Anniversary. The third oldest of 179 chapters in Georgia, Club 705 members pride themselves on the long history of the organization, their outstanding members, and their standards of conduct that have improved many an individuals communications and leadership skills. The old stories of the six foot tall street traffic light that was used as a timer, the Claxon that provided a deafening overtime sound, or the infamous "AH Bucket" a tin can into which marbles were thrown whenever a speaker used a “non-word" reflect some of the tools of the trade to build talent in a fun, exciting atmosphere.

Over the passed 50 years the many members of Club 705 have developed their talents over time and have mentioned many a rookie in their communications ability. These are extraordinary members like Fred Stephens, Dick Piazza, Jack Homans, bill Kearny, Maggie Edinfield, Linda Cole, the current senior member Neil Bodenstein, and many others. Rookies like myself sincerely appreciate what Toastmasters has done for us and for our communities, improving the listening, thinking, and speaking abilities of millions through their dedication and time. Special thanks to the current officers of Club 705, President Earl Berksteiner, Vice Presidents Peggy Kelsker Gunn and Teresa Martinez, Secretary Debbie Cameron, Treasurer Michael Dubberly, and Sergeants at Arms Mark Stall and Neil Bodenstein. Congratulations to Toastmasters International and to Savannah Club 705—Happy Anniversary—here’s to you!
