The proposed LEAP Act we are introducing would create a strictly voluntary employment verification program to address those faults. It will grant all participating employers access to information regarding a newly hired employee's eligibility to work in this country, and it will be available to all states. This Member is pleased to be an original cosponsor of this legislation, urges Members to cosponsor it, and strongly supports the passage of LEAP early in the next session of the 106th Congress.

HON. MARCY KAPTUR
