

status quo. It would preserve the historical self-employment tax treatment of farm rental agreements, equating them with landlords in small businesses and commercial properties. The 1957 tax law was designed to benefit retired farmers of that generation so they would qualify for Social Security.

Congress does not intend that farm owners be treated differently from other real estate owners, other than they have been historically. We need clarity provided in our legislation in order to turn back an improper, unilateral, and targeted IRS expansion of settled tax law.

I urge my colleagues to join us in addressing this unfair position taken by the Internal Revenue Service.

Mr. President, I ask unanimous consent that the text of the bill be printed in the RECORD.

There being no objection, the bill was ordered to be printed in the RECORD, as follows:
