

(NOW), at both the state and national levels. Recently, Minnesota NARAL established the Betty Benjamin Leadership Development Fund to help identify, educate and train interested Minnesota college students for future leadership roles.

Benjamin's tireless efforts and many accomplishments on behalf of women's right to choose may best be explained in her own words: "My concern is that the full range of safe reproductive choices will be accessible to all our daughters and granddaughters. To make that a reality there is much each person can do." Betty Benjamin's life is a testament to her words.

Mr. Speaker, I am pleased to honor Betty Benjamin in celebration of Women's History Month. I thank her for her contributions to both the state of Minnesota and to our country, and I wish her continued successes in the future.

SUPPORT PASSAGE OF H.R. 912,
THE MEDICAL USE OF MARIJUANA ACT

HON. FORTNEY PETE STARK

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 13, 1999

Mr. STARK. Mr. Speaker, I rise today in strong support of H.R. 912, The Medical Use of Marijuana Act, introduced by Representative BARNEY FRANK. This bill would move marijuana from Schedule I of the Controlled Substances Act to Schedule II of the Act, allowing physicians to prescribe marijuana to patients with a clear medical need for the drug.

Institute of Medicine studies have shown that components of marijuana relieve symptoms associated with terrible diseases such as AIDS, cancer, glaucoma, and epilepsy. The New England Journal of Medicine also supports the medical use of marijuana in relieving the symptoms linked with these illnesses. As an appetite stimulant, marijuana can help prevent the weight loss associated with cancer and AIDS. It can alleviate the nausea and vomiting associated with cancer chemotherapy. Marijuana has also been proven to provide some relief to patients with glaucoma and epilepsy. Additionally, marijuana can provide pain relief to millions of patients suffering from conditions ranging from post-surgery pain to chronic muscle spasms. Often the alternative pain relief options for these conditions have serious side effects such as liver and kidney damage, stomach bleeding, and ulcers. Marijuana has never been shown to cause death or serious illnesses such as these.

Opposition to medical marijuana use has often focused on the belief that legalizing the drug for medical use will lead to an increase in its recreational use. I do not condone recreational use of marijuana, nor does H.R. 912 seek to increase illicit use. This bill is simply meant to treat marijuana as we treat drugs such as morphine. It would only be available to those with a doctor's prescription.

A recent Institute of Medicine report entitled "Medicine and Health Flash," concluded that there is no convincing data to support the belief that the medical use of marijuana will lead to an increase in its illicit use. The point

of making marijuana a Schedule II drug is so that it can be regulated as closely as other prescription drug with the potential for abuse. As we have learned in the failing, "War on Drugs," treating marijuana as an illicit drug in all circumstances not only fails to curb its recreational use, it eliminates a potential treatment for some of the most painful and terrible diseases. Treating marijuana as a prescription drug will give doctors more alternatives for alleviating the pain and suffering of their patients.

H.R. 912 would allow for the use and possession of marijuana by those who have been prescribed the drug by a physician. Passage of this bill will succeed in opening the door to increased research into the ways marijuana can be of a medicinal value. We must not eliminate the drug as a potential tool for alleviating the suffering of millions of Americans. I urge my colleagues to support the Medical Use of Marijuana Act.

TRIBUTE TO WILLIAM
ZIMMERSPITZ

HON. JIM SAXTON

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 13, 1999

Mr. SAXTON. Mr. Speaker, I rise today to pay tribute to my dear friend, William Zimmerspitz, who is being honored this evening for his contributions to the community and his efforts on behalf of Judaism. Born in 1926 in Crakow, Poland, Bill survived the horrors of the Crakow-Plascow, Auschwitz, Rounienburg-Sachsenhausen and Mauthausen concentration camps during World War II.

Arriving in America in 1949, Bill lived first in Pennsylvania. He served as Vice President of Congregation Ohev Zedek, and was an active supporter of its day school, Beth Jacob, for 13 years. Oftentimes, when funds were low at the day school, Bill personally provided funding to meet the school's expenses. Bill Zimmerspitz is justly proud of his service as President of the Sabbath Observance Council of Pennsylvania.

Congregation Sons of Israel in Cherry Hill, New Jersey, is fortunate to number him among its dedicated Board members. At Congregation Sons of Israel, Bill takes an active part in various charitable efforts, most notable of which is the Gerniot Chesed fund, of which he was Chairman. Through this fund, those in need secure loans at favorable rates of interest.

As Chairman of the Cherry Hill Political Action Committee, Bill has provided outstanding leadership and much time and effort to influence U.S. policy on many issues of importance. Members of the U.S. Congress, governors and other government officials have been better able to do their jobs because of his extensive efforts.

Bill has served for several years on New Jersey's Commission of Holocaust Education, for which he spent a great deal of time traveling the State of New Jersey providing a vivid "verbal picture" of life in the ghetto and of his deep hope and belief that events such as these should never happen again.

Bill's reputation as a noted lecturer, teaching today's youth of the devastating consequences of hatred cannot be overemphasized. Unfortunately, health problems have surfaced which cause him to be unable to carry out the rigorous schedule he believes is necessary to continue his mission.

Mr. Zimmerspitz met his wife, Nancy, while living in Philadelphia, and there founded the W-Z Jewelry Company. Bill and Nancy have two daughters, Faye and Rochelle, and five grandchildren, of whom they are very proud. Three grandchildren, Aviva, Ricky and Ami live in Israel while two grandchildren, Jennifer and Ricky, live in Clifton, New Jersey.

While his contributions to Holocaust education will surely be missed, I am pleased to pay tribute to William Zimmerspitz, a true gentleman and one of the finest human beings I have ever had the privilege of knowing. A finer man you will never meet.
