Whereas the Final Report of the Ministry of Defense of the Defense Committee of the German Bundestag states unequivocally that, following an investigation, the Directorate of Flight Safety of the German Federal Armed Forces assigned responsibility for the collision to the Aircraft Commander/Commandant of the Luftwaffe Tupelov TU-154M aircraft for flying at a flight level that did not conform to international flight rules;

Whereas the families of the members of the United States Air Force killed in the collision have filed claims against the Government of Germany; and
