THE PRESIDING OFFICER. The Senator from Ohio.

Mr. VOINOVICH. Thank you, Mr. President. I thank the Chair and I thank the Senator from Texas for letting me talk about the tragic death of two great Americans.

TRIBUTE TO TWO BRAVE AMERICAN SOLDIERS

Mr. VOINOVICH. Mr. President, yesterday, our Nation suffered our first casualties in the war of Yugoslavia. An Apache helicopter crashed in the Albanian mountains on what has been called a "routine training mission."

Two brave American soldiers—Chief Warrant Officer Kevin L. Reichert and Chief Warrant Officer David A. Gibbs—lost their lives for our Nation. They are heroes.

Kevin Reichert, 28 years old, was born in Chippewa Falls, WI, and David Gibbs hailed from Massillon, OH, which is west of Canton and about an hour or so south of Cleveland. He was 38 years old, married and had three children.

David joined the Marine Corps right out of Washington High School back in 1980. After 4 years of service, he left the Marines, only to enlist in the Army 18 months later.

His mother, Dorothy Gibbs, said he enlisted in the Army so he could fly helicopters. She said it was "his dream" and "he was so happy when he flew." She also said he hoped to retire in 2 years to pursue a career in airport management.

From all accounts, David had accepted the dangers of flying military aircraft. He knew there was a chance there could be a problem.

David told his mother that he was so concerned about his mission in Kosovo, and she is quoted as saying:

He didn't feel prepared enough because he didn't know enough about the terrain.

She also said:

He hadn't gotten the terrain map and he was concerned about that.

A couple of weeks ago, I spoke to the Senate Armed Services Committee chairman, Senator WARNER, and I expressed my concern to him about the number of Ohioans who have been killed in helicopter accidents.

To illustrate, since 1991, 32 men and women from Ohio have died serving their Nation, not counting the Persian Gulf war. Of this number, 11 died in helicopter crashes. That is 34 percent of them. Why so many deaths from helicopters? All these deaths, but for one, were in noncombat situations.

Our military operates sophisticated machinery. Our mechanics are the best trained in the world. Our pilots are trained to meet and respond to all contingencies. Again, the question is: Why so many deaths due to helicopter accidents?

Remember, this is the second such accident in 9 days involving Apache helicopters in Albania. Are we giving our pilots specific and correct intelligence so they can avoid accidents or, worse, possible enemy fire?

Mr. President, I will not go into what is right or wrong about being in Yugoslavia, but we are at war and we have to ensure that our men and women have all the necessary tools to do their job and that the equipment they use is the best and we have the finest maintenance.

In the investigation that will follow the accident, I think it is imperative—in fact it is essential—that we find out whether there was a problem with the equipment in the helicopter or, in the alternative, whether it had proper maintenance.

War is serious business. People's lives are on the line, and there can be no room for error. If faulty equipment, lack of equipment, lack of communications, or improper information led to the death of these two men, it is critical that our military take necessary steps to correct such errors.

I am heartened in the knowledge that a peaceful settlement of this war appears to be in the works. However, I am saddened that it could not have come sooner to prevent the deaths of these two brave men and the destruction of Yugoslavia.

The United States owes David and Kevin a debt of gratitude that we will never be able to repay for they have paid the ultimate sacrifice. As John says in chapter 15:13, "Greater love has no man than this, that a man lay down his life for his friends."

Our thoughts and our prayers go out to David's family and especially to his wife Jean and three children, Allison, Megan, and David, and also his mother Dorothy, who lost David's father just this past Christmas.

As one who has lost a child, I know the days and months ahead will be dif-

ficult as the family deals with their grief and the absence of the physical presence of their father. I pray that the words of Matthew 5:4, "Blessed are they that mourn, for they shall be comforted," apply to their family.

Thank you, Mr. President.
