life's vocation. You must have a buoyant spirit, a gentle touch and an infinite amount of patience.

I would like to take this opportunity to especially congratulate one of these exemplary individuals on Guam, Ms. Barbara Gilman. She is Guam's 1999 Teacher of the Year and provides her excellent skills to the students of John F. Kennedy High School as their Physical Education instructor. It is not enough that Ms. Gilman has been featured in publications and the media, she has also won numerous awards on Guam such as the 1998 Outstanding Pacific Educator and a Resolution from the 24th Guam Legislature. Ms. Gilman's experiences are diverse. She is not only a current member of Phi Delta Kappa, the Guam Track and Field Association and the American Alliance for Health, Physical Education, Recreation and Dance, she is also involved in staff development leadership activities such as the current chair of the Fifth Guam Teacher Forum, a coordinator and presenter at the 1998 Women in Sports Day, and the 1995-1996 chair of the Governance Committee in Goals 2000. Ms. Gilman is an accomplished teacher and community leader. With 30 years of quality teaching experience under her belt, it is small wonder that she is being honored this year as Guam's Teacher of the Year.

I had a meeting with Ms. Gilman and she expressed to me the concerns teachers from all over the nation have expressed during their conference here in Washington in April. Among their concerns are students' equal access to education resources and funding, the improvement of teaching conditions through reduced class sizes and increasing access to equipment and communications, the encouragement of teacher development and leadership through the creation of teacher forums and mentoring programs, and the promotion of public understanding of involvement in educational issues such as school safety and certification.

The concerns listed by the Teachers of the Year are already addressed by President Clinton's plans to improve our nation's educational system. With the collaboration of Congress and under the leadership of Secretary Richard Riley, one of our nation's foremost educators, the U.S. Department of Education has implemented the first phase of its Class Size Reduction Initiative, a policy that sets out to hire 100,000 new teachers over the next seven years.

In light of the recent rash of school violence, the Safe Schools/Healthy Students Initiative grant program is timely. The program would fund 50 communities for up to three years to link existing and new services and activities into a comprehensive community-wide approach for violence prevention and child development.

The teachers and children on Guam will certainly benefit from these programs, and I will work hard to ensure that Congress will continue to support these programs.

Again, to America's teachers, I congratulate you on this special occasion. To our Guam teachers, you deserve our sincerest gratitude for your leadership and guidance in our island's schools. To Ms. Barbara Gilman, thank you for your dedication to our island's children and for exemplifying the values and talents of a true teacher and mentor.

FIRST BAPTIST CHURCH OF SHEEPSHEAD BAY CELEBRATES CENTENNIAL ANNIVERSARY

HON. ANTHONY D. WEINER

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 6, 1999

Mr. WEINER. I rise today to invite my colleagues to pay tribute to the First Baptist Church of Sheepshead Bay on the occasion of its Centennial Anniversary.

The members of the First Baptist Church of Sheepshead Bay have long been known for their commitment to community service and to enhancing the quality of life for all New York City residents.

This is not only a festive happening, it is a chance for all of us to celebrate and pay tribute to a group of individuals who have dedicated their lives to spreading the word of God and to providing spiritual comfort to their friends and neighbors.

Knowing that the men of the Sheepshead Bay Race Track and their families needed a place to worship, Mother Maria J. Fisher held prayer meetings either in her parlor or in the front rooms of charitable community residents. The First Baptist Church of Sheepshead Bay, which was formally incorporated by the State of New York in 1901, was organized on May 21, 1899 by Mother Fisher and the Reverend George O. Dixon of Alexandria, Virginia. Members who attended the Church's organizational session included: Messrs. Joseph Braxton, Tom Greene, William Jackson and Mesdames Edna Adams, Jessie Bogart, Bertha Greene, Anne Johnson, Ida Shaw, Susie Tucker, and Mary Woods. Members who were not already Christians were converted and baptized in the Concord Baptist Church of Brooklyn, New York.

Upon their return to Sheepshead Bay, they joined forces with Mother Fisher to create the First Mission. The site of the Mission was on the corner of Avenue X and East 15th Streets. An old ice box was used for the Pulpit and the members donated lamps and chairs for the Church to use. When it was difficult to meet at the Church, members would convene at the home of Mother Fisher, who lived at 2362 East 15th Street.

Mrs. Lena McMillian served as the Mission's first organist while Mesdames Sarah Lowe, Alice Robinson, Fannie Winston, Bertha Greene, Fannie Brown and William Forehand raised their voices to the Lord in the Mission's first choir. While serving as the Church's first Sunday School Superintendent, Mrs. Fannie Winston started the tradition of providing area youngsters with the moral precepts that they would need to grow into law-abiding adults.

The members of the First Baptist Church of Sheepshead Bay have long been known as innovators and beacons of good will to all those with whom they come into contact. Through their dedicated efforts, they have each helped to improve my constituents' quality of life. In recognition of their many accomplishments on behalf of my constituents, I offer my congratulations to the First Baptist Church of Sheepshead Bay on the occasion of its Centennial Anniversary.

INTRODUCTION OF THE YOUTH VIOLENCE PREVENTION PACKAGE

HON. PETER A. DeFAZIO

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 6, 1999

Mr. DeFAZIO. Mr. Speaker, I am proud to introduce legislation today to help combat the growing problem of youth violence in America. I began this effort last year in response to the needs identified following shooting at Thurston High School, in my hometown of Springfield, Oregon.

This legislation is designed to prevent youths from turning to violence by providing adequate crisis intervention and support services and to limit opportunities for troubled kids to obtain firearms. Politicians talk a lot about helping kids, but when it comes to putting money on the table, programs that invest in our children continue to go underfunded. We must do better, or we will continue to see tragedies like those in Littleton, Springfield, Jonesboro, Edinboro, West Paducah, and Pearl. My package will boost funding for prevention and intervention programs that have a proven track record for helping at-risk kids and families in crisis.

Following the Thurston shootings, community leaders, educators, law enforcement and medical professionals as well as Thurston students and their families worked to develop an action plan identifying several grant programs that address specific needs in our communities. However, to develop new initiatives
