STEPHEN M. BARROUK HONORED
HON. PAUL E. KANJORSKI
OF PENNSYLVANIA
IN THE HOUSE OF REPRESENTATIVES
Monday, May 24, 1999

Mr. KANJORSKI. Mr. Speaker, I rise today to pay tribute to a distinguished community leader and my good friend, Mr. Stephen M. Barrouk. In June, Leadership Wilkes-Barre will honor Steve with the group's 1999 Distinguished Leadership Award. I am pleased and proud to have been asked to participate in this richly deserved tribute.

A native of Wilkes-Barre, Steve graduated from E.L. Meyers High School. He earned a B.A. degree in Urban Studies/Economics and a Master's Degree in Public Administration from the University of Pittsburgh. Steve went on to serve in the Department of City Development in Pittsburgh and later as the Deputy Director of the Allegheny County Department of Development. He also served as Executive Director of the Allegheny County Industrial, Hospital and Higher Education Authorities.

Steve returned to Northeastern Pennsylvania to become the President/CEO of the Greater Wilkes-Barre Chamber of Business and Industry and its affiliates, the Greater Wilkes-Barre Industrial Fund and the Greater Wilke-Barre Chamber of Commerce. He is also a member of the Luzerne County Convention Center Authority, the Pennsylvania Economic Development Association, the American Chamber of Commerce Executives, and the Industrial Development Research Council.

Steve serves on the board of the Economic Development Council of Northeastern Pennsylvania, the United Way of Wyoming Valley, the Ethics Institute, Blue Cross of Northeastern Pennsylvania, and the Downtown Task Force of Wilkes-Barre. Steve also serves on the board of the Earth Conservancy, a nonprofit, charitable organization that is restoring, preserving, and developing more than 17,000 acres of land throughout Luzerne County previously owned by a bankrupt coal company. He also played an important role in helping to win an American Heritage River designation for the Upper Susquehanna-Lackawanna Waterways.

I have worked closely with Steve on countless projects to improve the quality of life for Northeastern Pennsylvania. Despite the enormity of the challenges he has faced on complex projects such as restoring the former Pomeroy's building in downtown Wilkes-Barre, creating a new sports area/convention center, and the day-to-day work of attracting new industries to our area, Steve has always shown the utmost devotion to the community. He leads his organization with the highest level of professionalism.

Over the past several years, I have enjoyed working with Steve Barrouk to promote economic development in Northeastern Pennsylvania. Steve's efforts have literally helped create thousands of jobs in the Wyoming Valley. I am pleased to join Leadership Wilkes-Barre in thanking Steve Barrouk for his efforts. Luzerne County will undoubtedly benefit from his further labors in the years ahead.

ANIMAL CRUELTY LEGISLATION
HON. ELTON GALLEGY
OF CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES
Monday, May 24, 1999

Mr. GALLEGY. Mr. Speaker, criminals should not profit from illegal acts. That is why I introduced H.R. 1887 last week that will ban illegal, disgusting acts that are occurring nationwide.

People around the country are making "crush videos." The videos feature women wearing spiked heals. The videos are sold nationwide to people who enjoy this type of so-called "foot fetish." and sellers of the video are making millions of dollars.

The acts of animals cruelty featured in the video are illegal under state law. However, according to District Attorney Michael Bradbury of Ventura County, California, it is difficult to prosecute these acts under state animal cruelty laws. First, a District Attorney must identify the individual in the video. This is a difficult task given the fact that most of the time, only the actress' legs are shown. Second, it is difficult to prove that the act featured in the video occurred with in the statute of limitations. Third, local animal cruelty laws do not prohibit the production, sale, or possession of the video. There are also no federal laws that could be used to prosecute the individuals.

Sick criminals are taking advantage of the loopholes in the local law and the lack of federal law on animal cruelty videos. This is a serious problem. Thousands of these videos are being sold. Thousands of dollars are being made by not closing these loopholes and allowing this sick behavior, we are encouraging people to profit from violating the state animal cruelty laws. This must be stopped!

H.R. 1887 will put a stop to this offensive behavior. This legislation is narrowly tailored to give something back to his community. He is the chairman of the Bayshore Senior Day Center Board of Advisors, a lifeline to many area senior citizens, providing meals, companionship and daily activities. As chairman of the Buck Smith Memorial Foundation, he has overseen the granting of scholarships to deserving students. The Bayshore Hospital Health Care Center selected Mr. Scudiery as chairman of the Board of Trustees, where he is responsible for land acquisition and construction of facilities.

In recognition of all his hard work and generosity—and in spite of his natural sense of modesty—Vic Scudiery has received countless honors from civic and charitable organizations throughout New Jersey, including the Bayshore Senior Center, Brookdale College, Knights of Columbus, Society of St. Anthony of Padua, the NAACP, and various municipal and Democratic organizations.

On this occasion, Mr. Speaker, I am honored to join with the Women's Democratic Club of Monmouth County, and the many friends of Victor Scudiery, in paying tribute to a great chairman and one of our most distinguished citizens.
