The SPEAKER pro tempore. Under the Speaker’s announced policy of January 6, 1999, and under a previous order of the House, the following Members will be recognized for 5 minutes each.

### PERSONAL EXPLANATION

Mr. BERRY. Mr. Speaker, unfortunately, I missed rollcall votes number 147 and 148 on Monday, May 24, 1999, because I was attending a funeral of a dear friend.

Had I been present, I would have voted “yea” on both of these votes.

After looking at the Federal order system, they have concluded that the Federal order system that we have had in this country for six decades is little more than a tax on milk. It is a milk tax that consumers are paying all across this land. It is a milk tax to the tune of about $1 billion each and every year.

Now, the reason I come forward today is because of a battle that I believe is going to be on this floor tomorrow and, quite frankly and unfortunately, probably on this floor for weeks and months to come.

Some weeks ago, Secretary Dan Glickman proposed a final order on the Federal order system for dairies. And in that Federal order, Secretary Glickman proposed a very minor change to the Federal order system, a very modest change. And it is true, it will benefit Wisconsin farmers, dairy farmers, but again in a very modest way.

Now, it may be ironic to some of you that I come here today to support a proposal from a Democrat administration. But I come forward because this
