as the Chairman Emeritus on the Board and pursue his involvement in civic and community service at a national level. I know his valuable work will continue as he serves on the boards of the Independent Sector, the Council on Foundations, America’s Promise, the Alliance for Youth, American College Testing, and the Corporation for National Service.

During his tenure as Chairman of the Board for the Ewing Marion Kauffman Foundation, Mr. Rogers was instrumental in the development of the strategic direction of both Foundation operating divisions: Youth Development and the Kauffman Center for Entrepreneurial Leadership. Under his guidance, these two divisions have effectively impacted youth development and entrepreneurial causes.

Before his career with Ewing Marion Kauffman, Mr. Rogers had a distinguished career in the private sector, working for Coopers and Lybrand, TWA, Waddell and Reed, and Gateway Capital. This experience, as well as his personal life experiences have allowed him to shape and guide the Ewing Marion Kauffman Foundation to a position as an effective leader of youth development programing and entrepreneurship training into the new millennium.

Mr. Rogers is an inspiration to me—his dedication and commitment to public service serves as example to all of us who work to make our constituents lives better. Please join me in thanking him for his service to our community and the nation, Mr. Speaker.

A TRIBUTE TO THE MAXEY FAMILY

HON. BOB SCHAFFER
OF COLORADO
IN THE HOUSE OF REPRESENTATIVES
Thursday, May 27, 1999

Mr. SCHAFFER. Mr. Speaker, I rise today to pay tribute to the Maxey Family in the 4th District of Colorado. Started by Loren Maxey in 1969, Maxey Companies will celebrate their thirtieth anniversary this June.

When Maxey Companies was started thirty years ago it was comprised of one division. Today Carl Maxey, Loren’s son, and his wife Marla have expanded the company to four divisions. This expansion took twelve years of labor which I believe mirrors the work ethic of Colorado’s 4th District.

Today Maxey Companies’ four divisions manufacture, equip, distribute and sell trailers, truck bodies, truck equipment and snow removal equipment. Mr. Speaker, on June 4th, 1999, Maxey Companies will officially open the doors to an expansion of Max-Air Trailer Sales, 9715 Brighton Road, Brighton, Colorado.

On a personal note Mr. Speaker, I have known the Maxey family for many years and am proud to count them among the best of my friends. The Maxeys are known widely as a family dedicated to their community.

The Maxeys are always there for their friends, neighbors and associates. I know of no family that outpaces the Maxeys when it comes to volunteerism and leadership. Loren, for example, has punctuated his community dedication by distinguished service on the Fort

EXTENSIONS OF REMARKS

Collins City Council. Carl, has emerged as one of Fort Collins’ most respected business leaders. Kathy Maxey, and Marla Maxey have accumulated countless hours of volunteer time too, serving area youth and those suffering mental illness and developmental disabilities.

As a strong close-knit family, the Maxeys are the finest example of real America. The loving bond of the Maxey family is their trademark. A model for all, the Maxeys inspire those who know them through their honesty, hard work, generosity, kindness, and peity.

I hereby commend the example of the Maxeys to my colleagues in Congress and salute this brilliant Colorado Family upon their great success.

The entire Maxey family, their business, employees, and their collective good works are truly among Colorado’s greatest assets.

IN RECOGNITION OF ELMER LEE CHANEY ON THE OCCASION OF HIS RETIREMENT FROM JACKSONVILLE STATE UNIVERSITY

HON. BOB RILEY
OF ALABAMA
IN THE HOUSE OF REPRESENTATIVES
Thursday, May 27, 1999

Mr. RILEY. Mr. Speaker, I rise today to recognize Elmer Lee Chaney, Professor of Educational Psychology and Educational Resources at Jacksonville State University, Jacksonville, Alabama, on the occasion of his retirement from the university after 37 years.

Elmer Chaney came to Jacksonville State University from North Carolina where he attained his Bachelor of Arts degree from Elon College and his Masters of Education and Guidance degree from the University of North Carolina. He was also certified as a Licensed Guidance Counselor in North Carolina. He started his teaching career as a teacher of English and French at Bethany High School and Waldensboro High School in North Carolina and was honored as Teacher of the Year at Bethany High School in 1958.

Elmer Chaney began his college teaching career at Jacksonville State University in 1962 as Assistant Professor of Educational Psychology. In addition to his duties as a professor, he has served on and chaired a number of committees at the university including screening committees for educational faculty members, the Committees for Educational Resources, the Off Campus Commuter College Committee, and the Assessment Committee.

Elmer Chaney has also been involved in community activities. He has always been a fundraiser for Big Brothers and Big Sisters, but his greatest contribution to the community is his love of the reed organ. Mr. Chaney is an accomplished organist and carillonneur at the Church of St. Michael and All Angels in Aniston, Alabama. He is a member of the Reed Organ Society and owns a number of outstanding instruments.

Elmer Chaney has been a vital part of Jacksonville State University. His presence at the university is felt in so many ways. I salute him for his dedication to his students, to Jacksonville State University and to the field of Education.

INTRODUCTION OF THE FEDERAL OIL AND GAS LEASE MANAGEMENT IMPROVEMENT ACT OF 1999

HON. BARBARA CUBIN
OF WYOMING
IN THE HOUSE OF REPRESENTATIVES
Thursday, May 27, 1999

Mrs. CUBIN. Mr. Speaker, production of oil and gas from our public lands is fast becoming a rarity. Today I am introducing a bill, together with Rep. Joe Sken of New Mexico, which we trust will stem this decline, and encourage investment in federal mineral leases. We call it the Federal Oil and Gas Lease Management Improvement Act of 1999. Senator Murkowski has already introduced a companion bill in the other body.

The “oil patch” in the United States is in tough shape. Consumers blissfully enjoyed record low gasoline prices until very recently, but producers have suffered immeasurably from the diminished proceeds they have received for their crude oil for many, many months. Even the recent slow climb back to semi-respectable oil and gas prices in the last few weeks has turned back down again in the last week of trading. Our bill, is will provide some incentives to federal oil and gas lessees to “stay the course” when prices drop below $18 per barrel, or $2.30 per million BTU’s for
