

service to charities and civic organizations within his community and state. He has served as Chairman of the Metro-Jackson Chamber of Commerce, Jackson United Way and the Multiple Sclerosis Chapter of Mississippi.

While Chairman of the Metro-Jackson Chamber of Commerce, Don was instrumental in forming the Metro Economic Development Alliance which unites economic development professionals in the Jackson area and encourages a team effort in recruiting new industry to the area. He served as the first chairman of the Metro Jackson Housing Partnership. Don has also been a leader of national organizations as well. He serves as a National Trustee of Boys and Girls Clubs of America and just last year served as Chairman of the Board of Directors of the Business and Industry Political Action Committee in Washington, DC.

Duane O'Neill, who is President of the Metro-Jackson Chamber of Commerce, said, "Don Meiners personifies a visionary leader, and he possesses the technical skills to translate that vision into action. His unquestioned integrity has always brought people together in an atmosphere of cooperation."

I am personally grateful for Don's work and involvement to help improve the state's economy. As an example of his outstanding community service, in 1996, Don Meiners was recognized as the outstanding volunteer of the year in economic development for the state of Mississippi.

Don has been married for 42 years to his high school sweetheart, Pat, who has been a tremendous asset to him and to the communities where they have lived. They have two sons, Chris and Chuck, and a daughter-in-law Pam. When I asked Don what he would do in retirement he quickly mentioned spending time with the "light of his life", his granddaughters Hannah and Mallory.

Mr. President, it is a pleasure for me to bring to the attention of the Senate the career and influence of my friend Don Meiners, and to thank him for his many years of service to Entergy and the people of Mississippi. Mississippi is a better place because of him. While Don is retiring from the utility business, I know he will go on working to help make life better in his community and in our state.

I wish Don and Pat much continued success and happiness in the years ahead.
