Mr. LANTOS. Mr. Speaker, I invite my colleagues to join me today in paying tribute to Mr. Robert Anderson, who is retiring after two distinguished decades as President of the San Mateo County Central Labor Council. During his remarkable tenure as San Mateo’s top advocate for working people, innumerable working men and women have benefited enormously from Mr. Anderson’s dedication to improving working and living conditions for families in San Mateo County and for employees of the airline industry nationwide.

Bob Anderson, a member of International Association of Machinists, Local Lodge 781, is a former United Airlines Mechanic, and currently he serves as ground safety coordinator for IAM District 141. His outstanding career as a labor advocate includes his efforts to establish, build and chair the San Francisco Airport Labor Coalition and its predecessor, the Airport Health and Safety Coalition. He has served on the advisory boards of the California Occupational Safety and Health Administration and the Labor Occupational Health Program at the University of California, Berkeley.

Mr. Speaker, the labor movement’s involvement and effectiveness in our community has been greatly strengthened through Bob Anderson’s dedication and service on the Central Labor Council’s Committee on Political Action, which supported local, state and national officeholders who share labor’s progressive social values. He worked tirelessly against the passage of Proposition 226, the anti-working family initiative which was rightly rejected by California voters in June of 1998.

Bob Anderson’s most memorable achievement is the establishment of PALCARE, San Mateo County’s community based, flexibly scheduled childcare center which opened in 1993. For twelve years Bob was undeterred in his determination to establish this affordable, non-traditional hours. Mr. Anderson leaves an enduring legacy through his establishment of this safe, happy haven for the children of those who contribute to San Mateo’s thriving economy.

Mr. Speaker, Bob Anderson will be honored at the 20th Annual Banquet of the Committee on Political Education on Saturday, June 19, 1999. I join with those who commend his lifelong, selfless quest to better the lives of his fellow working men and women, and I extend my most enthusiastic wishes for a blissful and happy retirement as he embarks on this new chapter in his life.
learn about the new home for the Pegasus Program for handicapped riders, particularly after working hard to pass a law which directs a study to ways to improve disabled access to outdoor recreation on public lands.

The Pegasus Program is indeed intriguing. I commend Mr. and Mrs. Penton for their creativity and for their innovative approach to bettering the lives of the disabled. The Pegasus Program, however, benefits more than just the disabled. They use wild horses trained by inmates at the Canon City correctional facility. Because wild horses have no natural predators, they tend to overpopulate and overgraze public lands. Sadly, these symbols of the American West out-compete wildlife, and eventually themselves. What a unique opportunity through the Pegasus Program to help wild horses, give prison inmates constructive and rewarding work, and help the disabled overcome their physical limitations. With heartfelt pride, I thank Mr. and Mrs. Penton for their work.
