and I want to applaud the financial services industry for their extraordinary record of meeting their CRA obligations. At present, it is estimated that almost 98 percent of all financial institutions have achieved a satisfactory or better CRA compliance. We need to keep and strengthen CRA.

READINESS AND MORALE A PROBLEM WITH U.S. MILITARY

One of the articles in this plan that was put together called on the interested parties to find practical measures for a parallel solution to three tasks, without regard to sequence: the stopping of the bombing, the withdrawal of Serbian armed forces from Kosovo, and the cessation of the military activities of the KLA.

That is where the G-8 is headed now. But they should have stopped the bombing, and they should not today be threatening Belgrade with further bombing if there is not a signature on the dotted line today.

AMERICAN TAXPAYERS ARE NOT UNDERTAXED

Let us get together and cut taxes across the board on all Americans, and let us get rid of this horrible tax, the death tax, where the Federal Government can take up to 55 percent of what Americans earn during the course of their lives, even though they have been taxed for that over and over again over the course of their lives.

One memory I have from when I was young was my grandmother. She came to this country. She worked 7 days a week, every day that I can remember, walking half a mile to get on the bus and go to work. She was a restaurant worker. She would come back late at night after dark. I lost her a few years ago. The last things she said to me was she had two dreams she did not accomplish in the United States: one, to visit the Pope; and two, to own her own home.

This week is National Homeownership Week and it is a time that we can appreciate the growth our Nation has made in homeownership, and it is also when we realize how much more we have to do to help people own that little piece of the American dream, their own home.

I hope that this week we all gather together and work very hard to ensure that there are ways, like CRA and other ways, to help people become homeowners in the United States.

AMERICAN NUCLEAR TECHNOLOGY SECRETS STOLEN BY CHINA

Tell the truth, Bill Richardson. It was this administration that publicly released the documented evidence relating to the W-87 warhead in the U.S. News and World Report, July 31, 1995.

AMERICA SHOULD GUARD AMERICAN BORDERS

It is so bad, experts now admit it is even possible for terrorists to smuggle nuclear weapons across our border. And after all this, the White House wants to send 7,000 American soldiers to guard the borders of Yugoslavia.

I dream up here in America should be guarding the borders of Europe and Yugoslavia. America should be guarding the borders of America for the American people. Think about that.
