Mr. GREEN of Texas. Mr. Speaker, I rise today to honor the achievement of Rebecca Krepick. On May 29, 1999, Rebecca graduated from Klein High School. I ask my colleagues in the House of Representatives join me in congratulating her and her family.

Although this achievement deserves recognition in and of itself, Rebecca accomplished much more. When she was in second grade, the Anthony Robinson Foundation offered 600 students a $20,000 scholarship if they maintained a B+ average, participated in community service, and were a model student for 10 years. On the day of graduation, less than thirty of these students completed the program. Rebecca’s achievement should be recognized and commended.

Rebecca and her fellow scholarship recipients are examples of what is right with public education. They should be held up as role models for other students everywhere to emulate.

Rebecca plans to use the scholarship at the University of Houston, one of the finest universities in our nation. Rebecca’s parents, Mr. and Mrs. George Barbosa, family, friends and community are very proud of her. We wish her well in her future education pursuits. Mr. Speaker, I ask that all Members join me in congratulating Rebecca Krepick for her outstanding achievement.
