ADDITIONAL STATEMENTS

MAXINE WHITNEY

• Mr. LAUTENBERG. Mr. President, the mark of a truly great person may be identified by their generosity, and generosity is the reason I rise today. I would like to honor Mrs. Maxine Whitney, a long-time Fairbanks, AK resident, businesswoman and philanthropist, for her multi-million dollar contribution of Native Alaskan artwork to the Prince William Sound Community College in Valdez, AK.

For the past 50 years in Alaska, Mrs. Whitney and her husband, Jesse, have traveled extensively in rural Alaska to gain a deeper understanding and appreciation of Native people and cultures. During their travels, Maxine amassed what is reportedly the world's largest private collection of Native Alaskan art and artifacts.

Maxine's hobby of collecting Native Alaskan art soon became a much larger commitment when she purchased a small private museum in Fairbanks to house her treasures. For nearly 20 years, Maxine's Eskimo Museum showcased Native Alaskan history and the important contribution Native culture has had on the formation of Alaskan society. Mrs. Whitney maintained the museum from 1969 until the late 1980s.

Maxine's dedication to the arts is apparent from her recent donation of her extensive collection of Native Alaska art to Prince William Sound Community College, part of the University of Alaska education system. The collection, known as the Jesse & Maxine Whitney Collection, is the nucleus of the college's Alaska Cultural Center. This multi-million dollar donation will provide a means for all visitors to the center to learn about past and present Native Alaskan cultures as well as the history of Alaska.

Mrs. Whitney's dedication to keeping the Native Alaskan history alive should be celebrated. Her generous gift will enhance the knowledge and appreciation of Native cultures. It is people like Maxine Whitney, a patron of the arts and education, who enrich our lives with their gracious gifts.

In donating the Whitney Collection, Maxine has provided a world-renowned educational gem for all who visit the collection . . . she has provided a unique legacy for all Alaskans, and for all Americans. Thank you Maxine Whitney.●

#### THE HOTEL DOHERTY 75TH ANNIVERSARY

● Mr. ABRAHAM. Mr. President, I rise today to acknowledge and congratulate the Doherty family as they celebrate the 75th Anniversary of the Hotel Doherty on June 5, in Clare, Michigan.

The Hotel Doherty was established in 1924 by the late Michigan State Senator A.J. Doherty, Clare's mayor at the time. The Doherty was built to replace the Caulkins House in 1920, with local people donating the money to purchase the land.

The Hotel Doherty is one of the last historic landmark hotels in Michigan. What makes it even more unique is that it has remained as a single-family owned and operated business during all 75 years.

Clare's downtown business district has remained vibrant with the help of the Hotel Doherty. The Doherty is an excellent example of how small businesses are the backbone of Michigan's economy. I commend the Doherty family on their 75 years of business and I wish them all the best for future generations.●

#### JUNE DAIRY MONTH

● Mr. FEINGOLD. Mr. President, June is a very special month for this na-

tion's dairy industry. It is the month farmers and consumers join together to commemorate the contributions and history of our great dairy industry by celebrating National Dairy Month.

Even before the 1937 inception of National Dairy Month, Wisconsin led the nation in milk and cheese production. Even today, Wisconsin leads the nation in cheese volume, processing nearly 90 percent of the more than 22 billion pounds of milk produced into cheese. More than 350 varieties of cheese are produced in the state, including, Cheddar, American, Muenster, Brick, Blue and Italian, not to mention the famous Limburger cheese variety, which is only produced in Wisconsin. Also, Wisconsin buttermakers produce nearly 25 percent of the America's butter supply.

National Dairy Month is the American consumer's oldest and largest celebration of dairy products and the people who have made the industry the success it is today. During June, Wisconsinities will hold nearly 100 dairy celebrations across our state, including dairy breakfasts, ice cream socials, cooking demonstrations, festivals and other events. These events all highlight the quality, variety and great taste of Wisconsin dairy products and honor the producers who make it all possible.

June Dairy Month is a time to celebrate America's dairy industry and Wisconsin dairy's proud tradition and heritage of quality. It provides Wisconsin's dairy farmers a special time to reflect on their accomplishments and those of their ancestors, and to look forward to continued success in the future.

Wisconsin was nicknamed America's Dairyland in the 1930s, but it became a leader in the industry soon after the first dairy cow came to Wisconsin in the 1800's. Dairy history and the state's history have been intertwined from the beginning. Why, before Wisconsin was even declared a state, Wisconsin's first cheese "factory" established when one clever Wisconsinite combined milk from her cows with milk from her neighbor's cows and made it into cheese.

Other Wisconsin dairy firsts include: the development of Colby cheese in 1874, the creation of brick cheese in 1875, the first dairy school in America—established in 1891 at the University of Wisconsin at Madison, the first statewide dairy show in the U.S. in 1928, and the creation of the world-record holding 40,060 pound, Grade-A Cheddar cheese in 1988. And Wisconsin also can claim one of the best-tasting inventions in the history of dairy industry: the creation of the first ice cream sundae in 1881.

Also unique to Wisconsin's dairy industry is the crowing of "Alice in Dairyland." This lucky young woman serves as the state's dairy ambassador all over the country, and often in other

parts of the world. Last year's Alice, Jennifer Hasler of Monroe, represented Wisconsin well as she promoted Wisconsin's agriculture in California, Arizona, Minnesota and even Japan. She generated millions of dollars in unpaid advertising for hard working Wisconsin farmers. I congratulate her on her achievements and her hard work and wish the new Alice good luck in her year serving Wisconsin agriculture.

I am proud to honor this great American tradition—proud to honor the dairy producers not only in Wisconsin, but also those across this great nation.●

#### GIRL SCOUT TROOP 327 CELEBRATES 25 YEARS OF SERVICE

● Mr. ABRAHAM. Mr. President, I rise to recognize the 54 participants of Girl Scout Troop 327 from Wayne County, Michigan, as they celebrate 25 years of continuous service at the Mackinac Island Scout Camp.

Based in Grosse Pointe, the Troop recruits girls from Livonia, Dearborn, and the entire east side of Detroit. This combined group from the Michigan Metro Girl Scout Council will be traveling to Mackinac Island on Thursday, June 24, 1999 to celebrate their 25th Anniversary of service to the Island.

While on the Island, the Girl Scouts will continue their commitment to be better citizens through community service and goodwill deeds. In cooperation with the Mackinac Island State Park Commission, they plan to greet visitors in various public buildings, give directions to tourists, paint dilapidated park benches, and clean up heavily traveled park trails. The beauty of the Island will undoubtedly be preserved because of the Girl Scouts' service and dedication.

Past experiences have enabled Troop 327 to gain a wealth of information about the world around them. As members of Governor Engler's Honor Guard, the girls have been responsible for raising 26 United States flags over the country's National Cemeteries, Post Cemetery, and another at the Governor's summer residence. Through their experiences, the Girl Scouts have become more mature while gaining valuable life and human relations skills.

Earning the "Gold Award" and "Silver Award" for their active participation in community service, members of the Troop continue to exemplify their self-professed national motto: "Girl Scouting: where girls grow strong."

As individuals, communities and businesses strive to make positive impacts on the world, our younger community sets an example for every generation to follow. I urge my colleagues to join me in praising these girls for their continued efforts. The service provided by Girl Scout Troop 327 has left a mark on their lives, and in future
