

helpings of southern hospitality. Anyone who has ever attended one of these barbecues knows firsthand the affection Blackman residents show their community and fellow man. I hope the next 50 Blackman Barbecues are as rewarding and successful as the first 50.

I congratulate each and every resident in the Blackman community for an event steeped in sincere respect for wholesome family values and traditions. And although there are many Blackman residents responsible for the success and longevity of the barbecue, the following have contributed and are still contributing immensely to the popular fund-raiser: D.H. HONORING TEMPLE KOL AMI ON
ITS 25TH ANNIVERSARY

HON. PETER DEUTSCH

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 15, 1999

Mr. DEUTSCH. Mr. Speaker, I rise today in honor of Temple Kol Ami in Plantation, Florida, on the occasion of its 25th Anniversary. It is a pleasure for me to have the opportunity to celebrate the congregation's longstanding commitment and outstanding service to the Broward County community.

For the past quarter century, Plantation has witnessed the steady growth of Temple Kol Ami within the Jewish community. From its humble start of just a few members in 1975, the Temple has flourished into a congregation of over eleven hundred families. With this dramatic growth of its membership, Temple Kol Ami responded to the demand for new space with various additions over the years including a new sanctuary and the recent dedication of the Elizabeth Shoshanna Harr Education Center. This extensive expansion of the organization is a testament to the Temple's strong community involvement and outreach efforts.

Over the course of the past 25 years, Temple Kol Ami has consistently maintained sharp focus on the needs of the congregation. Throughout these years of amazing development, the Temple has continued to serve its members and community while upholding the customs of Jewish life within the traditions of Reform Judaism. While upholding a tradition of excellence in spirituality, the Temple has also made the teaching of Judaism a top priority through the establishment of an Early Childhood Program, a Religious School, Adult Education Programs, and a Day School.

Mr. Speaker, Temple Kol Ami has spent the last twenty five years demonstrating its strong commitment to the spiritual well-being and Jewish education of its congregation while maintaining an excellent standard of community involvement. I am extremely proud to celebrate this anniversary with the members of Temple Kol Ami, for their devotion to the Jewish faith and contributions to the surrounding community are truly evident during this glorious time of reflection upon their 25 years of success.

EXTENSIONS OF REMARKS

RENEWAL WEEK

HON. RON PACKARD

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 15, 1999

Mr. PACKARD. Mr. Speaker, this week is "Renewal Week" and I would like to express my strong support for the efforts of the Renewal Alliance. The Renewal Alliance is a bicameral group of Republican Senators and Representatives dedicated to civic and legislative efforts to reduce poverty in America.

This week, my colleagues on the Renewal Alliance and I will highlight the important role of institutions such as the family, neighborhoods, schools, houses of worship, and charitable organizations. The concept behind this is to strengthen communities and serve the poorest among us. In other words, it's a matter of neighbors helping neighbors.

I am personally concerned about the continued moral decline in our nation. We need to get back to the basics. This can be done by emphasizing values and personal responsibility over hands-outs, which will instill diligence, self-help, and accountability to our society. These are the qualities that make good workers and prosperous Americans.

Mr. Speaker, we can accomplish so much more when we work together and build partnerships between citizens and community-based organizations. I applaud my fellow members of the Renewal Alliance for their selfless dedication to their communities and I encourage those who are not members of the Renewal Alliance to get involved and make a difference.

INTRODUCTION OF FRAUD AND
REIMBURSEMENT REFORM PRO-
VISIONS TO FUND FULLY THE
MEDICARE EARLY ACCESS ACT
OF 1999

HON. FORTNEY PETE STARK

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 15, 1999

Mr. STARK. Mr. Speaker, today, a number of House members are introducing the Medicare Early Access Act of 1999 to help people between 55 and 65 years of age obtain affordable health insurance.

The proposal is almost fully funded over time through a requirement that beneficiaries pay for their own coverage. But there is an initial start-up cost to the program, and a temporary subsidy is necessary to mitigate "adverse selection" costs attributable to the fact that sicker-than-average individuals who are desperate for health insurance may sign up in disproportionate numbers for the program.

To ensure that Medicare's trust funds are not hurt by this new program, I am introducing a package of anti-fraud and administrative improvement provisions that will raise more than enough money to fund the start-up of the Medicare Early Access Act. These provisions are changes that we ought to be making anyway to strengthen the program, and I am pleased that they fund this important new expansion of health insurance.

June 15, 1999

Over the long run, enactment of these provisions will help reduce Medicare's long-term financial problems.

Below is a brief description of the provisions. The bill will:

Pay for covered Medicare drugs on the basis of actual acquisition cost instead of the artificially high level of average wholesale price minus 5%, which was established by the Balanced Budget Act of 1997;

Lower Medicare payments for Epogen from \$10 to \$9 per 1,000 units. Epogen is now Medicare's most expensive drug, and taxpayers pay more than 80% of the cost;

Reform Medicare's partial hospitalization benefit. In a recent audit, the HHS Inspector General found Medicare payments for partial hospitalization services had a 90% error rate;

Improve the accuracy of Medicare's secondary payer provisions to require health plans and employers to provide insurance data on covered enrollees;

Allow Medicare to get a volume discount by contracting with HHS-designated "Centers of Excellence" for complex operations at hospitals that have better-than-average outcomes.

TRIBUTE TO ALHAMBRA, ILLINOIS

HON. JOHN SHIMKUS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 15, 1999

Mr. SHIMKUS. Mr. Speaker, I would like to take this opportunity to join the community of Alhambra, Illinois in celebrating its 150th birthday. A celebration of the sesquicentennial is being held June 18 through 20.

The history of the community will come to life with the festivities. Co-chairpersons Deb Reckman and Joe Dauderman invite the public to join in on the weekend of activities to celebrate the long, colorful history of the town.

I commend the citizens of Alhambra for celebrating their rich history and ancestor heritage during this celebration. It is important to remember pioneer families such as those of James Farris, Robert Aldrich, William Hoxsey and William Pitman whom first rode across Illinois to settle along Silver Creek. These festivities will help the citizens of today gain a greater understanding and respect for their city's past.

The Alhambra banners say "Moving Forward Into the Next Century." I as well as community of Alhambra are looking forward to that to seeing Alhambra continue on its path into the next century and wish them the best of luck in achieving great things.
