

The amendment I am offering also includes several provisions dealing with the delivery of mental health services to youth in the juvenile justice system. These provisions include: allowing the use of funds in the formula and block grant programs for mental health services, training and technical assistance for service providers, and a study on the provision of mental health services to juveniles. Congresswoman ROUKEMA has provided the Committee with vital information on the importance of mental health services for at-risk juveniles and juvenile offenders and should be commended for her work in this area.

I have also noticed that a number of proposed amendments attempt to direct that a portion of funding under the Prevention Block Grant Program be used for specific purposes. The Committee created the block grant by combining a number of existing discretionary programs. We did this to provide States and local communities with broad flexibility in designing programs to meet their local needs. Putting any restrictions on the use of these funds would tie the hands of local communities who are in the best position to know how to address their unique problems with juvenile crime.

Mr. Speaker, there are few programs at the federal level which provide services directed at preventing juvenile crime, particularly programs to provide assistance to juvenile offenders.

It is my hope that we can keep the focus of my amendment on providing assistance to this high-risk population and other juveniles at risk of involvement in delinquent activities.

I urge my Colleagues to support my amendment when it is offered and to support the Rule under which this legislation is being considered.

Mr. DREIER. Mr. Speaker, I yield back the balance of my time, and I move the previous question on the resolution.

The previous question was ordered.

The SPEAKER pro tempore. The question is on the resolution.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. MOAKLEY. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Evidently a quorum is not present.

The Sergeant at Arms will notify absent Members.
