

adjusted by annual inflation in Federal Employee Health Benefits Program (FEHBP) average premium increase.

Eligibility: Anyone not participating in subsidized employer plan or public plan, or eligible for Medicare.

**QUALIFIED HEALTH INSURANCE**

Is private sector insurance sold through new HHS Office of Health Insurance (OHI).

Insurance must be guaranteed issue/no waiting period, no pre-existing condition, community rated policies.

OHI may negotiate on price, ensure quality of providers and adequacy of benefit package (Like the Office of Personnel Management does for FEHBP now), and hold open enrollment periods to facilitate comparison pricing.

Every insurer selling to FEHBP must offer to sell similar policies to OHI, but may also offer zero premium policies.

OHI will serve as an administrative device to move tax credit from IRS to the insurer selected by the individual, thus providing 'advance funding' and preventing fraud.

Effective date: 2001.

Financing: Not spelled out in bill. Can be surplus, business tax, VAT, insurer/provider surtax, savings from reduced subsidies to providers to provide for the uninsured.

**IMPROVEMENTS TO THE  
ENDANGERED SPECIES ACT**

**HON. KEN CALVERT**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 17, 1999*

Mr. CALVERT. Mr. Speaker, the Endangered Species Act of 1973 was well-intentioned legislation. But the Fish and Wildlife Service, especially in California, is working outside of the ESA and undermining its original intent.

Today, I am dropping the third in a series of single-issue bills to make common sense corrections to the ESA. My bill would prohibit the use of any information obtained by trespassing on privately owned property without the consent of the owner. This bill would restrict Fish and Wildlife from using any information that was illegally obtained to declare habitat or otherwise administer the Endangered Species Act.

It is common sense that trespassing is illegal. We all know that. Yet I continue to hear, over and over, that Fish and Wildlife is using information that was questionably obtained to administer the ESA. Mr. Speaker, the Fish and Wildlife Service is not above the law. While Fish and Wildlife employees may or may not be the ones doing the actual trespassing, they have continually shown a disregard for how information was obtained, thereby encouraging trespassing.

In May, the Resources Committee held a hearing with community officials and landowners to outline the problems they are having with Fish and Wildlife's implementation of the ESA. Every member of Congress needs to sit up and take notice and talk to their local officials. This is not just a problem in California, but in places as far east as North Carolina and as far north as Washington.

I'm frustrated, Mr. Speaker. So frustrated that I will introduce one ESA reform bill every

**EXTENSIONS OF REMARKS**

week until the field hearing on July 9. This is a call to common sense.

**RECOGNITION OF COMMAND SERGEANT MAJOR DAVID HENDERSON'S RETIREMENT**

**HON. ROBIN HAYES**

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 17, 1999*

Mr. HAYES. Mr. Speaker, I ask my colleagues to join me in paying tribute to Command Sergeant Major David Henderson, who will retire from the Army on Monday, June 21, 1999. CMS Henderson has distinguished himself through more than twenty-five years of service to this great nation. I've had the privilege of getting to know CMS Henderson over the last several months, and it is clear after a moment in his company that he possesses a most unique quality of leadership. Like so many of our nation's great figures, CMS Henderson leads by example, bringing out the very best of all those who serve under his command. His genuine concern for and commitment to his soldiers serve as a model for others who seek to inspire excellence.

Over the last ten years, CMS Henderson has served as his unit's senior Non-Commissioned Officer. He has thrice led his men into combat missions which include Operations Urgent Fury, Just Cause, and Desert Shield/Storm. CMS Henderson's service during training, field exercises, and forward deployments is exemplary in every respect.

Mr. Speaker, the Army and our nation will lose a fine soldier this coming Monday. And while his departure from service is a loss for this country, I'm confident that he has instilled in many young men and women the motivation to strive for the best. I'm honored that I will be a guest at CMS Henderson's retirement ceremony. I ask that my colleagues join me in expressing our heartfelt gratitude to CMS Henderson and in wishing him the absolute best in his future endeavors.

**IN HONOR OF THE LATE MS.  
ELIZABETH JEAN BAIN**

**HON. SCOTT McINNIS**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 17, 1999*

Mr. McINNIS. Mr. Speaker, it is with great sadness that I wish to take this moment to recognize the remarkable life and significant achievements and contributions of one of Colorado's finest, Ms. Elizabeth Jean Bain. Ms. Bain passed away on Monday, June 14, 1999, at age 89. While family, friends, colleagues, and community members remember the truly exceptional life of Jean Bain, I, too, would like to pay tribute to this remarkable woman.

Born in 1909, Ms. Bain was a member of one of Colorado's pioneering families, and the spirit, work ethic, and leadership of a pioneer was exemplified in her. Jean was a graduate of East High School and the University of Col-

orado. In 1960, she was elected to serve as a Republican to the Colorado General Assembly where she worked for 12 years to represent the city of Denver.

Serving on more than 30 boards and advisory councils, she provided leadership and inspiration to all she came into contact with. Ms. Bain, at one time, was a trustee of the University of Northern Colorado and Doane College in Crete, NE, and was a member of the National Executive Council of the United Church of Christ. She also found time to serve as director of the Colorado Mental Health Association, the Metropolitan Denver YMCA, the Better Business Bureau of Denver, the Girls Club and the Mile High Chapter of the American Red Cross.

Ms. Jean Bain touched many lives through her involvement in the community and through her desire to serve others. Although her professional accomplishments will long be remembered and admired, most who knew her well will remember her dedication to service and the inspiration she provided. It is clear that the multitude of those who have come to know Ms. Bain will be worse off in her absence. I am confident, however, that in spite of this profound loss, the family and friends of Ms. Jean Bain can take comfort in the knowledge that each is a better person for having known her.

**HONORING J. SAVAGE, S.J.**

**HON. KAREN MCCARTHY**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 17, 1999*

Ms. MCCARTHY of Missouri. Mr. Speaker, I rise today to honor the memory of Father Thomas J. Savage, S.J., the 11th President of Rockhurst College. The passing of this exceptional man leaves us with a great sense of sadness and grief. Fr. Thom cannot easily be described in words but the impact he made upon the Greater Kansas City region is monumental and reflects his selfless, lifelong mission to assist those most in need. He was not just a leader but a visionary whose accomplishments continue to positively affect our community.

Fr. Thom was especially talented in three areas of expertise: urban planning, education, and spirituality. During his tenure at Rockhurst College, he directed the campus renovation and construction of several facilities including the state of the art Richardson Science Center, the Town House Village, the Jesuit Residence, and Van Ackersen Hall. His goal was to expand Rockhurst's services to its students and to the community. Never forgetting the College's neighbors, he made great efforts to make the school inclusive by taking advantage of its urban location. By using valuable input and resources from members of the community as he further developed the area, he opened communication and strengthened a lasting friendship and alliance with the neighbors of Rockhurst.

Committed to lifelong learning and the Rockhurst motto: "Not what to think, but how to think," Fr. Thom supervised and supported the revision of the college's liberal arts core
