#### STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mrs. FEINSTEIN (for herself and Mrs. BOXER):

S. 2051. A bill to revise the boundaries of the Golden Gate National Recreation Area, and for other purposes; to the Committee on Energy and Natural Resources.

#### THE GOLDEN GATE NATIONAL RECREATION AREA BOUNDARY ADJUSTMENT ACT OF 2000

Mrs. FEINSTEIN. Mr. President, I am pleased to introduce this legislation to permit the National Park Service to expand the boundaries of the Golden Gate National Recreation Area (GGNRA) by acquiring critical natural landscapes and scenic vistas. This includes land in San Mateo County, as well as land in San Francisco and Marin County.

A key component of this legislation is that about half of the total cost of purchasing these lands will be donated by the local community. This legislation specifically provides that all land transactions involve a willing seller and willing buyer.

In introducing this bill, I am joined by my esteemed colleague from California, Senator BARBARA BOXER. This bill also has the bipartisan support of the entire Bay Area Congressional Delegation including original co-sponsors in the House, Representatives TOM LANTOS, NANCY PELOSI, and LYNN WOOLSEY.

Furthermore, this bill also has the strong support of local environmental and advocacy and preservation groups, the Point Reyes National Seashore Advisory Commission, and the National Park Service. I know of no opposition to this bill.

The three Marin County properties lie in the Marin headlands. Preservation of these lands will protect habitat, ridge-top trails and scenic views of San Francisco Bay and the Pacific Ocean.

The San Francisco land along the Pacific coastline, the city of San Francisco would like to donate to the federal government and has authorized \$100,000 for the restoration of this site.

The legislation also proposes to include land near Labos Creek, adjacent to the Presidio-West Gate, which was damaged during a severe storm in 1997. The American Land Conservancy intends to acquire this land and donate it to the National Park Service. Lobos Creek is the key source of the Presidio's water supply and a unique ecological resource.

Together, these parcels offer beautiful vistas, sweeping coastal views and spectacular headland scenery and the preservation of unique bayland ecosystems with added public access. Much of this land also protects the habitat of several species of rare or endangered plants and animals. Several of the vegetation communities is home to at least 18 endangered or threatened species including the winter-run chinook salmon, American peregrine falcon, the mission blue butterfly and the southwestern pond turtle.

I urge my colleagues to support passage of the Golden Gate National Recreation Area Boundary Adjustment Act.

By Mr. CAMPBELL:

S. 2052. A bill to establish a demonstration project to authorize the integration and coordination of Federal funding dedicated to community, business, and the economic development of Native American communities; to the Committee on Indian Affairs.

#### INDIAN TRIBAL DEVELOPMENT CONSOLIDATED FUNDING ACT OF 2000

Mr. CAMPBELL. Mr. President, though there are glimmers of hope in Native communities, most Native Americans remain racked by unemployment, mired in poverty, and rank at or near the bottom of nearly every social and economic indicator in the nation.

For years the Committee on Indian Affairs, which I chair, has made
