PERSONAL EXPLANATION

Mr. TIAHRT. Mr. Speaker, today I was unavoidably detained and missed rollcall vote numbers 22 and 23. Had I been present, I would have voted "yes" on approving the Journal of February 15, and "yes" on H. Res. 423, the rule for H.R. 2366, the Small Business Liability Reform Act.

MILLENNIUM DIGITAL COMMERCE ACT

Mr. BLILEY. Mr. Speaker, I ask unanimous consent to take from the Speaker's table the Senate bill (S. 761) to regulate interstate commerce by electronic means by permitting and encouraging the continued expansion of electronic commerce through the operation of free market forces, and other purposes, and ask for its immediate consideration in the House.

The Clerk read the title of the Senate bill.

The SPEAKER pro tempore (Mr. SUNUNU). Is there objection to the request of the gentleman from Virginia?

There was no objection.

The Clerk read the Senate bill, as follows:

S. 761

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Millennium Digital Commerce Act".

SEC. 2. FINDINGS.

The Congress makes the following findings:

- (1) The growth of electronic commerce and electronic government transactions represent a powerful force for economic growth, consumer choice, improved civic participation and wealth creation.

- (3) A consistent legal foundation, across multiple jurisdictions, for electronic commerce will promote the growth of such transactions, and that such a foundation should
