

at Lexington High School, led High Point Central to its first State championship since 1979. "The State championship is obviously a great exclamation point for the season," Coach Whitman told the High Point Enterprise. "Our kids deserve a lot of the credit and the coaching staff has done a great job. The pressure has been on them all year long, and they've handled it well. I'm proud of them for that, and it can't be much better than it is right now."

Coach, you are so right. Winning the State championship is the ultimate prize and it took complete cooperation from a lot of dedicated people to reach the pinnacle. They include Derrick Bryant, Darius Johnson, Nick Garrison, Steve Turner, Chuckie Reid, Rashad Stevenson, Jonathon Holloman, Stanley Butler, Wayne Traylor, Quincy Thomas, Jonathon Spencer, Quincy Smith, Wich Brenner, Calvin Humphrey, Matt Brooke, Brian Bourn, Montrey Gilchrist, Antonio Graves, Kevin Green, Brandon Hunt, Brandon Tucker, Bradley Watson, Kwan Walls, Sam Hairston, Kedrick Russell, Clint Sarvis, Twain Johnson, Rickey Haywood, Rod Zimmerman, Josh Mitchell, Travis Cobb, Atari Evans, Alan Byerly, Tyler Walls, Michael Waugh, Grant Allred, Rodney Pitts, Andre Matthews, Titus Johnson, Tron McNeil, Travis Johnson, Joe Atkins, Roy Bronson, James Leak, Daniel Bell, Matthew Waugh, Brandon Greeson, Jerome Garrett, Kyle Ingram, Cornelius Leach, Reco Graham, Tony Dixon, Devin Buchannon, Phillip Green, and Dane Brenner.

Head Coach Whitman was ably assisted by an outstanding team of coaches including Bill Anderson, Steve Edwards, Jim Grkman, Chuck Henderson, Steve Johnson, Wayne Jones, Jeff Thomas, and Troy Whitman. ST. CLAIR COUNTY BOARD
MEMBER WADE BRUNSMAN

HON. JERRY F. COSTELLO

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 16, 2000

Mr. COSTELLO. Mr. Speaker, I rise today to ask my colleagues to join me in honoring a good friend, good husband, father, grandfather and a great public servant Mr. Wade Brunsmann.

Born in St. Louis and raised in Clinton County, Wade is the father of 4 children and

5 grandchildren. Wade, a Navy machinist, served as a chief of engine rooms aboard a minesweeper in World War II. He received his engineering degree from Case Western Reserve in Cleveland and opened a heating and refrigeration service in 1957.

Elected to the St. Clair County Board in 1952, Wade has served on many committees and subcommittees. He served as the Chairman of St. Clair Board's Environment Committee working on many issues including storm water management, land use, zoning, landfill and environmental issues for the benefit of all citizens in our region. He also served as a member of the St. Clair County Board's Finance Committee which oversees the disbursement of monies for the County's day-to-day operations and its long range planning, as well as compiling the County's annual budget. Wade was also instrumental in assisting the County in guiding the development of MidAmerica airport and the St. Clair County extension of MetroLink. Wade also has acted as the County Board's Vice-Chairman since 1991. He served on the St. Clair County Planning Commission since it was formed in 1989.

In his tradition of fine public service, Wade was also named officeholder of the year in 1986 by the Belleville Democratic Committee. As a true public servant, he also finds the time to volunteer his services to senior citizens throughout the area. In 1973, as Chairman of the St. Clair County Board, I appointed Wade to the Advisory Board for the Programs and Services for Older Persons program sponsored by Southwestern Illinois Community College. In recognition of his efforts, the East-West Gateway Coordinating Council awarded Wade a lifetime achievement for outstanding public service in 1996.

Mr. Speaker, I ask my colleagues to join me in honoring the service of Mr. Wade Brunsmann and wish he, his wife Barbara, his daughter Barbara Ann and the rest of his family, the very best in the future.

IN MEMORY OF RABBI SHOLOM
KLASS

HON. MICHAEL P. FORBES

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 16, 2000

Mr. FORBES. Mr. Speaker, I rise today to express my profound and sincere sadness on the recent death of Rabbi Sholom Klass of Brooklyn, NY. After a long illness, the Rabbi died on January 17, 1999 at age 83. Rabbi Klass was truly a giant in Jewish life and an educator to both Jew and non-Jew, alike, on the beauty of G-d's law. Rabbi Klass was an inspirational leader who stood up for morality in the modern world. The Rabbi was a premier teacher of Torah, a pioneer in Anglo-Jewish journalism, and a passionate advocate for the Jewish people.

Rabbi Klass was one of the most important influences for promoting Jewish traditions in our Nation's history. As one of the greatest disseminators of Jewish learning in modern times, the Rabbi taught a weekly class in Talmud for more than 50 years. In addition, he authored "Response of Modern Judaism" (3

volumes). His dedication to spreading Torah into all Jewish homes led many to return to their Jewish roots and to celebrate their heritage. Indeed, he gave all, even those of us who are not Jewish, insights and an appreciation for the richness of Judaism.

One of the Rabbi's greatest achievements was his creation of The Jewish Press. In 1960, to promulgate Judaic thought and opinion, he created The Jewish Press out of secular Brooklyn Daily. Beloved as the newspaper's publisher and columnist for 40 years, he educated and nurtured an understanding of Jewish concerns and turned the paper into the world's largest Anglo-Jewish weekly—with 500,000 copies distributed each week. Many readers, in New York and around the world, say they looked to the Rabbi's writings to guide them through daily life.

Since the paper's creation, Rabbi Klass conducted a regular question-and-answer column on Jewish law. A renowned author and scholar, who was blessed with a photographic memory, he tackled the gamut of biblical and Talmudic law. I understand that, over 40 years, the Rabbi responded to more than 20,000 questions, on issues ranging from the use of electricity on the Sabbath to the Torah's view on organ transplants. In his scared writings, he found a solution for every modern contingency of the human condition.

I get a great pleasure learning from, and writing for, The Jewish Press. I always appreciated the kindness that Rabbi Klass showed me in allowing me to be part of his incredible newspaper. Rabbi Klass was a wonderful, influential and talented man who used his abilities for great public service.

Finally, in addition to his dedication to spreading an understanding of Torah, through his teachings and his newspaper, Rabbi Klass was a powerful advocate for the Jewish people and the world over. His support for the State of Israel and for Orthodox Judaism was instrumental in formulating national and international policies. He was a distinguished member of the Directorate of the Rabbinical Alliance. With the death of Rabbi Sholom Klass, the world has lost a moral leader of great magnitude.

I want to extend my heartfelt and deepest condolences to the family of Rabbi Klass—to his wife, Irene, to his two daughters, Naomi Mauer and Mindy Greenwald, and to his grandchildren and great grandchildren. May they be comforted among the mourners of Zion and Jerusalem.

HONORING THE LIFE OF SHIRLEY RYALS

HON. JIM DAVIS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 16, 2000

Mr. DAVIS of Florida. Mr. Speaker, no one I know loved Tampa more than Shirley Ryals and no one I know worked harder to make our community a better place. Her passing is a tremendous loss for all of us.

I will never forget Shirley's incredibly selfless devotion to countless causes; her courage; her grace; her sense of humor, including her willingness to laugh at herself; and her remarkable ability to relate to people. Shirley did not hesitate to stand up for what she believed in. She often prevailed and got things done because people knew that she respected and appreciated them and that she was always thinking about what was best for our community.

Shirley Ryals did not understand the meaning of the word cannot. Such a word didn't exist in her vocabulary. Her approach was simply that anything was possible if you work

EXTENSIONS OF REMARKS

hard and dedicate yourself to accomplishing a goal. Her work to bring three Superbowls to Tampa is a testament to that, as is the endless list of other good works she did to better our community.

Through the Tampa Junior Women's Club, she established the Tampa Oral School for the Deaf, the first preschool program in Hillsborough County that allowed families to keep their children at home instead of sending them hundreds of miles away for an education. The program has helped thousands of children emerge from their sounds of silence and is now a part of the Hillsborough County Public School System.

Her achievements, activities and honors are almost too numerous to mention. She was named Tampa's 1995 Citizen of the Year. She served as a trustee for the University of Tampa and the Tampa Bay Performing Arts Center and as an executive committee member of the American Red Cross, Hillsborough Community College Foundation and Outback Bowl Foundation. She was also on the Florida State Fair Authority and on the boards of the Boys & Girls Clubs, Boy Scouts of America, H. Lee Moffitt Cancer Center Foundation and many other groups.

One of the amazing things to me is that despite all the demands on her time, Shirley never let any project or any task come before her family. She was a devoted wife to Lester, a wonderful mother to Karen and Les, and a doting grandmother to Caroline and Courtney. She also carved out time each week for a Sunday night dinner with all of the family, a tradition that is becoming more and more rare in our busy society.

In an editorial praising Shirley's life, The Tampa Tribune wrote,

Shirley Ryals should be an inspiration to us all. She worked hard and effectively for the public good. She never lost sight of the importance of family and friends. And she left an enduring mark on her community, which benefited immeasurably from her wonderful way of helping people work together. It is commonplace in editorials like this to observe that the subject "will be missed." Missed? Shirley Ryals, how are we going to get along without you?

Like so many others in our community, I'm going to miss my dear friend, Shirley. May she rest in peace.

IN SUPPORT OF FREE TRADE OF SOFTWOOD LUMBER

HON. STENY H. HOYER

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 16, 2000

Mr. HOYER. Mr. Speaker, I am pleased to introduce this resolution with my colleague from Arizona, Mr. KOLBE, and a bi-partisan group of 30 other Members. This resolution supports affordable housing for all Americans and promotes free trade of softwood lumber between the United States and Canada.

This resolution expresses the Sense of the Congress that the 1996 U.S./Canada Softwood Lumber Agreement (SLA) should not be extended when it expires in 2001. The President should continue discussions with the Government of Canada to promote open and competitive trade between the United States and Canada of softwood lumber, and that all stakeholders should be included in discussions regarding trade of softwood lumber.

The Softwood Lumber Agreement of 1996 was intended to promote free trade; however, it appears to have had the opposite effect. More importantly, the expansion of this agreement is directly affecting consumers by increasing the cost of lumber used for homebuilding. For many Americans owning a home is a dream come true, but if lumber prices climb and homes are not affordable, for many Americans it will remain a dream unfulfilled.

Mr. Speaker, I urge support of this resolution that will help ensure affordable housing for all Americans.

TRIBUTE TO ETHNOBIOLOGICAL SCIENTISTS

HON. JOHN EDWARD PORTER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 16, 2000

Mr. PORTER. Mr. Speaker, on November 2, 1999, it was my great pleasure to participate in a reception on Capitol Hill to launch the "International Conference on Ethnomedicine and Drug Discovery," a significant scientific and cultural celebration of the role of traditional medicine in the discovery and development of new drugs and phytomedicines. I commend conference participants for their ethnomedical and ethnobotanical research efforts described during the conference, which provide solutions to problems of global public health, as well as the rapidly increasing loss of biological and cultural diversity.

The rich history of drugs from nature was delivered by Dr. Gordon Cragg of the U.S. National Cancer Institute. A presentation by Dr. Brian Schuster from the Walter Reed Army Research Institute followed, describing many lead compounds to treat malaria, leishmaniasis and trypanosomiasis from plants found in West and Central Africa. The active compounds, from plants that healers in Nigeria and Cameroon use regularly, were discovered through the U.S. International Cooperative Biodiversity Group program for the treatment of parasitic diseases. A special colloquium, organized by Dr. Maurice Iwu, Director of the
